# PRAIRIE VIEW A&M UNIVERSITY PANTHERS VS. JACKSON STATE TIGERS

**Saturday, September 15, 1979**

**1:30 p.m.**

**BLACKSHEAR FIELD — PRAIRIE VIEW**

Welcome to the land of the Southwestern Athletic Conference.

It's exciting football, excellent halftime shows and the best place to be on a Saturday afternoon.

It's top notch excitement, continuous action and outstanding football played with a flair matched nowhere in the land.

It started two weeks ago when teams in the Southwestern Athletic Conference got the football season under way and it takes on added suspense this weekend as the conference race starts in earnest with three conference games on tap.

At Blackshire Field, Prairie View will be seeking its first win over Jackson State in eight years. The last Panther triumph came in 1971, a 13-12 squeaker.

The Tigers have prevailed every year since then including 41-14 last year.

Jackson has started the season off with a bang with close victories over Alabama State, 14-7 and Tennessee State, 27-21.

Prairie View was dealt a 38-13 loss at the hands of Southwest Texas State in its opener two weeks ago and had an off week last Saturday.

FACTS ABOUT

# PRAIRIE VIEW A&M

**LOCATION:** Prairie View, Texas

**PRESIDENT:** Dr. A. I. Thomas

**FOUNDED:** 1876 by the 15th Legislature of the State of Texas

**LOCATION:** Prairie View, Texas (45 miles northwest of Houston on Highway 290)

**ADMINISTRATION AND TYPE:** A part of the Texas A&M University System.  
A public state supported senior college. A land-grant college.

**ENROLLMENT:** 5,675

**CAMPUS AREA:** 1,400 acres

**SCHOOL COLORS:** Purple and Gold

**CONFERENCE:** Southwestern Athletic Conference

**NICKNAME:** Panthers

**HOME STADIUM:** Blackshear Field

**CAPACITY:** 6,000

## OPERATION SUCCESS

Operation Success is based on the philosophy that each student admitted to Prairie View A&M University has the potential to succeed.

The complete education and experiences of the student at Prairie View A&M University are designed and implemented to help them keep the status to which they were born, namely: **THEY WERE BORN TO WIN!!! THEY WERE BORN TO SUCCEED!!!**

The University recognizes that many students, who are admitted, may have academic, social, cultural, vocational, economic or personal handicaps.

There are no students admitted, however, with handicaps which cannot be corrected so that the student can achieve success. The students do have the potential to succeed.

**Operation Success** is based upon the philosophy that the University will organize its human and material resources into such systems that will maximize the academic, personal-social, cultural and career awareness and vocational attainment of each student enrolled.

**Operation Success** is also based upon the philosophy that it is important for the student to enroll at the University, but *it is even more important that he or she graduates from the University with a variety of new experiences and high level achievements.*

# THERE ARE SOME JOBS WHERE YOU CAN GET KICKED AROUND A LOT

With some companies you can bounce around for years with too few responsibilities and rewards. But at Miller Brewing you get a good position from the start. In our dynamic billion dollar growth program you'll have important responsibilities and be recognized and rewarded for individual accomplishments.

Look at the scoreboard. Since 1972, we have increased our production more than 480%—we jumped from number five to number two in the industry—and we're keeping the fast pace. Last year we began commercial shipping from a new brewery in Eden, North Carolina; started construction on a huge brewery in Albany, Georgia; topped out a new brewery in Irwindale, California; began construction of a can manufacturing plant in Reidsville, North Carolina; as well as made improvements to plants in Ft. Worth, Texas; Fulton, New York; and Milwaukee, Wisconsin.

If you like the idea of playing on a winning team . . . where you have the ball under your control . . . talk with us. We have continuing needs in: Engineering, Sales & Marketing, Accounting & Finance, Production, Personnel, Computer Science and Administration.

Mail the mini-resume to: Trudi Pence, Dept 1106-9, Miller Brewing Company, 3939 W. Highland Blvd., Milwaukee, WI 53208. An Equal Opportunity Employer M/F/H.

# THE FIRST CHEVY OF THE '80s. CITATION. OUR MOST SUCCESSFUL NEW CAR EVER.

Ever since its introduction, people have been flooding Chevy showrooms across the country to see the 1980 Chevy Citation. And according to Retail Delivery Reports, 33,765 units were sold in its first three weeks, more than any new entry Chevrolet has ever introduced.

## MID-SIZE ROOM FOR 5.

Citation's engine is mounted sideways, so the passenger compartment can be bigger. In fact, in EPA interior dimensions, Citation is classified as a mid-size car. With the back seat folded down there's room enough for two adults in front and 30 bags of groceries in back.

## 0 TO 50 IN 9 SECONDS FLAT WITH THE AVAILABLE V6.

In engineering tests, Citation goes from 0 to 50 in 9 seconds flat. That's with available 2.8 Liter V6 engine and automatic transmission. California figures not available. (Citation is equipped with GM-built engines produced by various divisions. See your dealer for details.)

## EASY ON GAS. 24 EPA ESTIMATED MPG. 38 HIGHWAY ESTIMATE.

That's with Citation's standard 2.5 Liter 4-cylinder engine and manual transmission. (Manual transmission currently not available in California. Calif. estimates lower.)

Citation's standard 4-speed transmission is made to conserve gas. It's an overdrive. And at cruising speeds the 4th gear lets the engine run slower than with a conventional transmission, helping to get impressive fuel economy.

## IMPRESSIVE LONG-RANGE CRUISING ESTIMATES, TOO.

And Citation's long-range cruising estimates are just as impressive. **336** miles based on EPA estimated MPG (city) mileage figures, and 532 miles based on estimated highway MPG. Range figures obtained by multiplying Citation's 14-gallon fuel tank capacity rating by the EPA mileage estimates.

**REMEMBER:** Compare the circled *estimated* MPG to the estimated MPG of other cars. You may get different mileage and range depending on your speed, trip length and weather. Your actual city mileage and range will be less in heavy city traffic. Your actual mileage will probably be less than the highway estimate.

## YOU'VE GOT TO DRIVE IT TO BELIEVE IT.

When you drive Citation you'll see what all the excitement is about. The way it feels. The way it maneuvers. The way it rides. And Citation's front wheel drive puts approximately 65% of its weight over the "driving wheels" to give you impressive traction on wet or snowy roads.

## IT'S A WHOLE NEW KIND OF COMPACT CAR.

There's still a lot about Citation that we haven't mentioned. Like slip stream design to cut down on wind resistance and wind noise. The hidden cargo area in all hatchback models, so what's inside is protected from view. A dual diagonal braking system. And much, much more. That's why we encourage you to see your Chevy dealer and test drive the 1980 Chevy Citation today. This could be the car you've had in mind.

Chevrolet

At Honda we have never believed in making lots of different types of cars. But 1979 is a different kind of year for Honda. We've introduced two new cars. The Accord 4-Door Sedan and the Honda Prelude. You might say we've opened things up a bit. Literally.

Our new Prelude boasts a power-operated, tinted glass moonroof as standard equipment. The moonroof comes with a manual sunshade, like the window shade on a jetliner.

Not only does our new Accord sedan have four doors, it has a nice, big trunk as well. It also has a lever that allows you to release the lid from the driver's seat. So if you're thinking about buying a new car, take a close look at our new Hondas. And open the door to simplicity.

© 1979 American Honda Motor Co., Inc. Prelude is a Honda trademark.

**HONDA**  
We make it simple.

Bottom: Phillip Perkins, MLB; Tom Rice, T.; Mark Stewart, FB; Keith Taylor, QB; Frank Thompson, PE

## JACKSON STATE

With a relentless bone-crushing offense and a defense which rivaled Grambling in nastiness, Jackson State rolled to a 10-2 overall record and a 5-1 mark in the Southwestern Athletic Conference last season. The two losses were to Grambling and NCAA Division 1-AA national championship Florida A&M.

From indications of the Tigers first two games this season, nothing has changed. Jackson edged Alabama State, 14-7, in its opener and rolled past Tennessee State.

Eight starters departed from Jackson's defense of a year ago, the league's best. The top two were SWAC Defensive Player of the Year, Robert Hardy who had 139 tackles and Anthony Young, the top pass thief in the nation last year with 11.

Also gone is half of the wishbone offense backfield, which had two players rush for more than 1,000 yards in a season — Jeffrey Moore. The other half is back in Perry Harrington, the league's top rusher a year ago with 1,105 yards. He picked up 91 in his first outing this season.

Sophomore quarterback Keith Taylor was at the throttles in the Tigers first two wins. He scampered 43 yards for a score in his first collegiate start and also engineered an 11-play, 77-yard drive which was capped when he hit junior tight end Buster Barnett from eight yards out.

Linebackers Larry Werts and Phillip Perkins registered 13 tackles apiece in the Tigers win over Alabama State.

# National Association of Intercollegiate Athletics

Dear Football Fans:

Your support of intercollegiate athletics, and other activities programs offered by your favorite college or university, reflects your belief in the young men and women who are being educated on our great campuses for leadership in tomorrow's world. Your attendance here today has important meaning for both the institutions involved and the participants.

There is nothing quite like the pageantry and excitement of American college football. It is the strong feeling of the National Association of Intercollegiate Athletics that football and other sports are an integral aspect of the total educational program. Over 70,000 student-athletes are annually involved in the varsity sports programs in the NAIA's more than 500 member institutions. We are very pleased that the Fall football program provides the vehicle for alumni and community involvement on campus, as well as a robust and desirable activity for the students.

The NAIA strives for a well balanced and comprehensive program of activities — one that meets the needs and interests of the total student population. Currently the NAIA conducts 15 national championships in 14 different sports.

This is the second year of a new NAIA football playoff format that assures eight teams in Division I and eight teams in Division II an opportunity to compete for coveted national titles in each division. Angelo State University (TEX) is the defending Division I champion and Concordia College (MN) won the Division II crown last year, narrowly defeating Findlay College (O), 7-0 in a game played at Findlay.

W. C. MYERS

This year the Division I Championship Game will again be played as the Palm Bowl in McAllen, Texas. The Palm Bowl will provide an ideal setting for the 24th renewal of the NAIA Football Championship.

I echo the sentiments of our entire membership when I say thanks to you for your loyal support in helping make today's football game an outstanding athletic competition in the best tradition of American higher education. Return often. Welcome to today's game and congratulations on being a participant in an event that is associated with the best features of American life.

W. C. MYERS  
PRESIDENT, 1979-80  
NAIA

## NAIA FOOTBALL

Established in 1940 as the National Association of Intercollegiate Basketball, the NAIA emanated from a "National Small College Basketball Tournament" inaugurated in 1937.

Football, one of 15 national championship events conducted by the NAIA, became part of the NAIA championship program in 1956. The first two years, only two teams were selected for the championship, but in 1958, the NAIA inaugurated a playoff system to determine which teams would advance to the championship game.

NAIA football teams were lumped together in one division for 13 years — from 1956 to 1969. Division II became a reality in 1970 following a year-long study of the membership and an endorsement by the NAIA Football Coaches Association.

Four teams made up the playoff field in each division until 1978 when the championship series was expanded to include eight teams and went from two weekends and seven playoff games to three weekends and 14 playoff games.

The first championship game was played in 1956 with St. Joseph, Ind. and Montana State battling to an 0-0 tie in the

mud in the Aluminum Bowl in Little Rock, Ark. Moving to St. Petersburg, Fla., in 1957 until 1961, the championship game was called the Holiday Bowl. In 1961 the title game moved to Sacramento, Calif., became known as the Camellia Bowl and remained on the West Coast until 1964.

The Champion Bowl became the official name in 1964 and held that title through the 1976 championship game. The last two championship games have been played at neutral sites — Seattle (Apple Bowl, 1977) and McAllen, Tex. (City of Palms Bowl, 1978).

All nine of the Division II championship games have been played at either on-campus sites or nearby locations.

Texas A&I University, holders of the NAIA record for consecutive victories (42) and the longest unbeaten streak (46 games) has captured six of the previous 23 national championship title games.

Westminster PA has won three national titles and Texas Lutheran has taken two crowns since Division II was formed in 1970.

# **SOUTHWESTERN CONFERENCE (SWAC)**

The Southwestern Athletic Conference got its start on a Sunday morning in September of 1920 when representatives of Bishop, Wiley, Samuel Houston, Paul Quinn and Prairie View met at the old Oriental Hotel on San Felipe Street in Houston. The colleges were then known as the "Big Five." When the meeting had ended the group was then known as the Southwestern Athletic Conference.

The purpose then was to coordinate the intercollegiate athletic activity (football and baseball) of the five colleges. Basketball was added in 1922 and track, tennis and golf were later added to the list of championships.

In 1922 Texas College joined the conference. Langston, Southern and Arkansas AM&N (now Arkansas-Pine Bluff) joined in the 1930s.

Bishop, Samuel Houston and Paul Quinn dropped out for economic reasons and were replaced by Texas Southern in 1956, Jackson State in 1958 and Grambling in 1959. Langston dropped out of the conference to joined the Oklahoma Collegiate in 1957.

Texas College discontinued football after the 1960 season and was replaced by Alcorn A&M. Wiley dropped out of the conference in 1967 and Mississippi Valley was the replacement. Arkansas Pine Bluff dropped out in 1970 leaving the league as it now stand.

Prairie View is the only school left of the original group. Southern is the second oldest in terms of membership followed by Texas Southern, Jackson, Grambling, Alcorn and Mississippi Valley.

The Southwestern Athletic Conference ranks as one of the top collegiate conferences in the nation with national championships won by member teams in baseball, basketball, indoor track and field and outdoor track and field. There have been a number of professional players produced by member schools in football, basketball and baseball.

# SWAC FOOTBALL PREVIEW

Here's how league coaches summed up their prospects for the 1979 football season in the order of the pre-season coaches poll:

Last season's record in parenthesis.

**GRAMBLING (9-1-1, 5-0-1)** — The Southwestern Athletic Conference's biggest cliché is that coach Eddie Robinson doesn't rebuild, he just reloads. The Tigers won the 1978 crown with an iron curtain defense and just a shell of what had been the greatest offense to hit the SWAC (512.8 yards per game in 1977).

This tinearound, Robinson is hoping for the offense to return to the forefront of the Tiger scheme.

"Our quarterback will be a year older, plus we'll have a group of good runners and receivers," Robinson said.

Returnees include quarterback Michael Williams (Doug's brother). Also back on offense are full back Robert Parham and running back Glenn Elmore, wide receiver Jerry Gordon and tight end David Butler set to catch Williams' passes.

Defensively middle linebacker Aldrich Allen (6-0, 237) is the top returnee. Also back are tackles Joe Gordon (263) and Mike Barker (286), end Charles Lewis (243) and linebacker Guy Prather (225).

Anchoring the offensive line will be All-American center Jeffrey Hudson (260).

If last year's ability to make do with little or nothing is an accurate barometer of the Tigers, then Robinson may indeed just be "reloading" for another kill — SWAC title No. 13.

**JACKSON (10-2, 5-1)** — The Tigers used a relentless offense and bone-crushing defense and trampled everyone in sight except Grambling and NCAA Division I-AA national champion Florida A&M.

Eight starters are gone from the league's best defense and half of the wishbone backfield, which became the eighth team in NCAA history to have two players rush for more than 1,000 yards.

Quarterback Tony Harris is gone also, but eight offensive starters, including the league's top rusher in Perry Harrington, are back for coach W. C. Gordon.

"We'll throw a lot more control type passes this season to get more offensive balance and keep the ball away from our opponents," Gordon said.

**SOUTHERN (4-7, 2-4)** — The Jaguars showed signs of brilliance last year and coach Cass Jackson figures those "sneak previews of 1978" will become "a box office smash in 1979."

"We'll be strong defensively with everyone back plus our offense should begin to show more consistency this year," Jackson said.

Sophomore Norman Gibbs figures to be the top quarterback candidate though senior Elgin Stewart and transfer Billy Mayo figure quite prominently at that spot.

There are a whole host of runners back with top rusher Reggie Morgan, Wilfred Charles, Johnathon Rochon, Byron Harrell, junior college transfer Greg Johnson, Thomas Broussard, Larry Seabrooks and John LaBoard vying for playing time.

The offensive line should be solid too with seniors Darrell Jones (260) and Ralph Williams (270) tops among the returnees.

SWAC receiving leader George Farmer will battle with transfer Michael Vaughn.

Heading up the defense will be all conference performer Ken Times (230), transfer Carter Spruill (250), Dennis McCollins and Eli Williams.

**ALCORN (5-3-1, 2-3-1)** — The braves have been in the fight for the league pennant more times than not so one can't expect coach Marino Casem's Braves to take their lumps much longer.

Casem figures a strong recruiting season and a bunch of returnees who've endured two years of SWAC initiation may have the right chemistry to justify their "darkhorse" tab.

Otis Wonsley spearheads the running game while Sherrod Green and Richard Nash will direct the aerial attack.

Tony Gibbs (225), Dennis Cambell (214), Willarthur Jackson (230) and Melvin Brown (268) are ticketed to team with an intact secondary from last year of Roynell Young, Leslie Frazier, Alvin Bailey and Mark Harper on the braves "hustling defense" which Casem hopes will return the Braves to the limelight.

**MISSISSIPPI VALLEY (6-3-1, 3-2-1)** — The Delta Devils are still seeking their first SWAC football crown since joining the loop in 1967. But coach Jim Thomas, last year's SWAC Coach-of-the-Year, in his rookie season needs something for an encore.

All he did last year was guide the Delta Devils to a third place finish in the league and a 6-3-1 record. And he turned in the game of the year holding Grambling to an 0-0 standoff.

Among the missing are three-time SWAC punting champ John Standfield, SWAC Offensive Player-of-the-Year in wide receiver Donald Doaty and defensive standouts James McGruder, Gator Kinnard, Larry Harper and Willie Fulton.

And that brings a quick "I don't think we'll be able to duplicate a 6-3-1 record this year" from Thomas.

Strong points figure to be the offensive line, which should average 245-pounds per man; quarterback, with all conference performer Melvin Williams; the running back positions headed by Ricky Carson; an aggressive defensive line led by Jim Sankfield (255) and Hal Taylor (235) and outstanding linebackers in Dexter Hood and Timothy Batts.

**TEXAS SOUTHERN (3-6-1, 1-4-1)** — "We'll have to grow up in a hurry" says first year coach James Sorey. Turnovers and injuries contributed to the Tiger demise last season and Sorey hopes to turn that around.

"If everything goes well and we can eliminate the 'if,'s we may be able to play above .500 or dead even," he said.

Marc Johnson leads a Tiger secondary which had 11 interceptions last season. Marcus Stallworth, Will Davis and Calvin Ware are the top linebackers. The defensive line should average 240 pounds per man.

Lance Courville and Jackie Hicks are the top candidates at quarterback although freshman Anthony Johnson may have something to say about that.

Whoever wins the job will have lots of support in running backs Robert Thomas, Eric Williams and receivers Calvin Saleem Mihammed, Vance Courville and Carl Williams.

**PRAIRIE VIEW (3-7-0, 1-5-0)** — "We're hoping for improvement," said coach Hoover Wright. That will mean finishing high on the conference ladder for the Panthers, who have won 10 Southwestern Athletic Conference titles since 1921.

Charles Weatherspoon and Howard Grant should compliment each other well enough to provide a potent running attack. The passing attack should be just as potent with receivers Tracey Jones, Tommie Dunson, Eugene Scott and Bobby Barker.

The defense also is marked for improvement with returnees Robert Alexander and Andrew Winzer in the secondary and Milton Hall, Matthew Teauge, Larry Jackson and Sammy August up front.

Heading up the offensive line will be tackles Harold Norfleet and Keith Albury, guard Dale Clark and James Hicks and center Gerald Davis.
