#### TO OUR GUESTS

Commencement is a significant and solemn event, recognizing years of study and sacrifice. To make this ceremony more meaningful, we ask all guests and participants to avoid unnecessary conversation and movement during the exercises.

Please withhold your applause during the presentation of degrees until each degree group is acknowledged and the candidates have returned to their seats.

Following the singing of the Alma Mater, there is a Recessional for the platform party and all degree recipients. We ask the audience to remain seated during this period.

For your assistance, an Emergency Medical Services station is available in the Nicks Building. Please ask an usher for assistance.

# THE COMMENCEMENT PROCESSION

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance. The most common head-piece (or cap) for the ceremony is the black square, flat-topped, or "mortar board" type with gold or black tassel. It is called a "mortar board" because it is shaped like the board of the mason which holds mortar. Recently we are seeing large velvet Tam-O-Shanter style of head pieces replacing the mortar board. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The tassel on the doctor's cap is usually gold, and permanently fastened on the left side. The master's cap has a black tassel worn on the left. The bachelor's cap has a black tassel worn on the right prior to graduation then moved to the left during the ceremony.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university which is awarding the degree. The colors of the outside rim of the hood symbolizes one of the following departments of learning:

Agriculture Maize	Medicine Green
Arts, Letters, Humanities White	Music Pink
Commerce, Accountancy, Business Drab	Nursing Apricot
Dentistry Lilac	Oratory (Speech) Silver Gray
Economics Copper	Pharmacy Olive Green
Education Light Blue	Philosophy Dark Blue
Engineering Orange	Physical Education Sage Green
Fine Arts, including Architecture Brown	Public Administration, including
Forestry Russett	Foreign Service Peacock Blue
Geography	Public Health Salmon Pink
Home Economics Golden Yellow	Science Golden Yellow
Journalism Crimson	Social Work Citron
Industrial Education Light Blue	Technology Golden Yellow
Law Purple	Theology
Library ScienceLemon	Veterinary Science Gray

The gown is usually black. The traditional doctor's gown has velvet panels down the front and three velvet bars on the regular sleeves. The master's gown has no velvet, but does have unusually long sleeves. The bachelor's gown is similar to the master's gown but has regular long sleeves which tend to be pointed.

Some gowns may be in the color of the department granting the degree, such as "Education Blue." Others may be "Yale Blue" or "Harvard Crimson" for the graduates of these universities.

### THE MACE

The mace is an ancient symbol of authority which is carried by the marshal ahead of the academic procession. The mace for Prairie View A&M University is four feet long and contains four bronze figures atop a Honduras mahogany base which tapers to fit into its stand. The four figures are symbolic of the four undergraduate academic years. Within the hollow area beneath the figures, and shared equally, is a flame which denotes knowledge and excellence. The base which serves as a grip and is carried by a faculty member, symbolizes the entire faculty; the stand which supports the mace characterizes the administration. The visual impact of the mace as a whole is "torch-like." The eight tassels represent the academic organization of the University.

# THE MEDALLION

The President's Medallion, the official symbol of the Office of the President at Prairie View A&M University, was created especially to commemorate the lineage of the Presidency by the late Mr. Frank Hayden, nationally famous sculptor and Professor of Fine Arts at Southern University, Baton Rouge, Louisiana.

The first medallion was presented to Dr. Percy A. Pierre, fourth president of Prairie View A&M University, on March 21, 1985.

The medallion is designed to be worn with academic regalia at all official University programs. Abstract figures, representing the ten academic disciplines in an attitude of celebration, encircle the outer rim. The inner circle symbolizes the pursuit of excellence throughout four years of teaching and learning. The weave of the chain is the facsimile of that used by the ancient Greeks.

A replica will be presented to each subsequent President during his inauguration. The medallion will ultimately reflect the history of the presidency, revealing names and dates of inauguration.

# CHARLES ALFONSO HINES, Ph.D.

# PRESIDENT, PRAIRIE VIEW A&M UNIVERSITY

Dr. Charles A. Hines is the sixth President of Prairie View A&M University located in Prairie View, Texas. He has held this position since November 21, 1994. Born and raised in Washington, D.C., Dr. Hines joined the United States Army after graduating from Washington D.C.'s Dunbar High School. After serving in infantry and artillery units as an enlisted man, he was honorably discharged as a Sergeant in 1957 and immediately entered Howard University in Washington, D.C. Upon graduation from Howard University with a Bachelor of Science degree and a Regular Army commission, Dr. Hines embarked on a 30 year career as a commissioned officer, retiring in 1992 with the rank of Major General.

Dr. Hines holds a Ph.D. from The Johns Hopkins University, a Master of Science from Michigan State University, a Master of Military Arts and Science from the Command and General Staff College and a B.S. from Howard University. He has completed management development programs at the John F. Kennedy School of Government at Harvard University, as well as the University of Maryland. He is also a graduate of the FBI National Academy. Dr. Hines served as an adjunct professor with the University of Maryland for 22 years.

During his career as an Army officer, Dr. Hines held many important command and staff assignments. As a Colonel, he served as Director of Organizational Effectiveness and Curriculum Development at the U.S. Army War College; he also served as Director, Women in the Army Policy Review Group. In that capacity, he was instrumental in exponentially expanding opportunities for women in the Army. As a general officer, he served as Director, Officer Personnel Management Division at the Army's Personnel Center; Director of Manpower, Budget and Force Integration at the Pentagon; and finally as Commanding General, United States Army Military Police and Chemical Schools and Fort McClellan, Fort McClellan, Alabama.

Dr. Hines has dedicated much of his personal, professional and academic life to equal opportunity, education and training, advancement of rights for women, race relations, and the development of youth. He has received numerous honors and awards. In 1992, he was inducted into the National Boys and Girls Club Hall of Fame. Dr. Hines was selected by the Southern Christian Leadership Conference as an Outstanding Black Man for 1994. From 1992 to 1994, Dr. Hines served as Director of Protection and Health Service for the Smithsonian Institution.

Since Dr. Hines' appointment as President of Prairie View A&M University, he created and received funding for the Academy of Collegiate Excellence and Student Success (ACCESS), an "academic boot camp" that serves as a bridge to college for those who might not otherwise qualify. He established the Center for the Study and Prevention of Juvenile Crime and Delinquency; brought new privatized housing (University Village Phase I and II) to Prairie View A&M University; and through the 75th Legislature, received funding for a new 28 million dollar science building. He has completed the Governor's Executive Development Program; served on the advisory committee for the Texas A&M University System Center for Leadership in Higher Education; and the Steering Committee for TAMU Health Science Center School of Rural Public Health. He was nominated for and accepted membership in the Higher Education Center for Alcohol and Other Drug Prevention (only eight top academic officials in the United States were nominated). He was most recently appointed by the Governor of Texas as the Chairman of the Governor's Military Strategic Planning Commission.

Dr. Hines is a member of Alpha Phi Alpha Fraternity, Inc., and is an honorary member in several fraternal, honorary, Greek and professional organizations.

December 12, 1998

Dear Fall 1998 Graduates,

Congratulations on your graduation from Prairie View A&M University. Each Faculty member sends best wishes for your success.

There is a message from Past President Harry S. Truman that is very appropriate for you, our future leaders, and I quote, "Men make history, and not the other way 'round. In periods where there is no leadership, society stand still. Progress occurs when courageous, skillful leaders seige the opportunity to change thing for the better." Like it or not, once you receive your degree, you are our future leaders and there is no limit to what you can achieve if you do not allow your ego to take charge and begin worrying about who receives credit. Making history is your responsibility and your charge!

Finally, I leave you with the words of Dag Hammarskjold who stated, "There is a point at which everything becomes simple and there is no longer any question of choice, because all you have at stake will be lost if you look back. Life's point of no return." And so graduates, Fall '98 class, map your path to greatness, read every sign along the way, always remember your Alma Mater, and may God speed you on a successful path.

Sincerely,

Frank T. Hawkins, Speaker PVAMU-Faculty Senate

The 1998 Fall Graduating Class Prairie View A&M University Prairie View, Texas 77446-0188

Dear Graduates:

On behalf of Prairie View A&M University National Alumni Association, (NAA) we express our congratulation to the 1998 Fall Graduating Class for achieving this higher educational objective. Your graduation is a major milestone in your life. For some of you, this will be the beginning of your professional careers; for others, graduate study. Nevertheless, what ever choices you make, the NAA hopes that you will be successful and that you will have the opportunity to pursue your vision.

Current trends indicate that many University graduates lack leadership skills and manifest too much interest in seeking quick monetary gains. While economic security is important, it is not an end within itself; rather, it is a mean to a responsible end, including what is best for society. The NAA hopes that you will demonstrate skills in your chosen field of study and develop the leadership skills Judge L. A. Bedford, Jr., '46 needed to assist the indigent in our society. Leadership is keen vision and meaningful implementation. A good leader has great strength of character, belief Dr. Dempsey Seastrunk, '48 in oneself, a passion for the job at hand, an awareness of other worlds, and above Chmn. Past Pres. Advisory Coun all a love of people.

> Prairie View A&M University has played a major role in what ever you are or become; therefore, our Alma Mater has earned the right to solicit your devotion and support. I would like to challenge the 1998 Fall Graduating Class to become competitive as workers, employers and owners of capital, to successfully enroll and complete graduate studies including the Ph.D. level, and give financially to your university and Alumni Chapters.

> > Sincerely,

Calvin C. Bluiett

Dear Prairie View, our song to thee we raise, In gratitude we sing our Hymn of praise, For mem'ries dear, for friends and recollections For lessons learned while here we've lived with thee. For these we pledge our hearts full of devotion, To serve thee now, and through eternity.

As days go by, our hearts will not grow cold, We'll love thy purple royal and thy gold We'll through our lives exemplify thy teachings, We'll always strive a blessing to be. Thy children we our love and pride confessing, We'll love thee now, and through eternity.
