TO OUR GUESTS

Commencement is a significant and solemn event, recognizing years of study and sacrifice. To make this ceremony more meaningful, we ask all guests and participants to avoid unnecessary conversation and movement during the exercises. We also ask that cellular phones be turned off during the ceremony.

Please withhold your applause during the presentation of degrees until each degree group is acknowledged and the candidates have returned to their seats.

Following the singing of the Alma Mater, there is a Recessional for the platform party and all degree recipients. We ask the audience to remain seated during this period.

THE COMMENCEMENT PROCESSION

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance. The most common head-piece (or cap) for the ceremony is the black square, flat-topped, or "mortar board" type with gold or black tassel. It is called a "mortar board" because it is shaped like the board of the mason which holds mortar. Recently, we are seeing large velvet Tam-O-Shanter style of head pieces replacing the mortar board. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The tassel on the doctor's cap is usually gold, and permanently fastened on the left side. The master's cap has a black tassel worn on the left. The bachelor's cap has a black tassel worn on the right prior to graduation then moved to the left during the ceremony.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university which is awarding the degree. The colors of the outside rim of the hood symbolizes one of the following departments of learning:

Agriculture	Maize	Medicine	Green
Architecture	Lavender	Music	Pink
Arts, Letters, Humanities	White	Nursing	Apricot
Commerce, Accountancy, Business	Drab	Oratory (Speech)	Silver Gray
Dentistry	Lilac	Pharmacy	Olive Green
Economics	Copper	Philosophy	Dark Blue
Education	Light Blue	Physical Education	Sage Green
Engineering	Orange	Public Administration, including	
Fine Arts	Brown	Foreign Service	Peacock Blue
Forestry	Russett	Public Health	Salmon Pink
Geography	Blue and Green	Science	Golden Yellow
Home Economics	Golden Yellow	Social Work	Citron
Journalism	Crimson	Technology	Golden Yellow
Industrial Education	Light Blue	Theology	Scarlet
Law	Purple	Veterinary Science	Gray
Library Science	Lemon		

The gown is usually black. The traditional doctor's gown has velvet panels down the front and three velvet bars on the regular sleeves. The master's gown has no velvet, but does have unusually long sleeves. The bachelor's gown is similar to the master's gown but has regular long sleeves which tend to be pointed.

Some gowns may be in the color of the department granting the degree, such as "Education Blue." Others may be "Yale Blue" or "Harvard Crimson" for the graduates of these universities.

THE MACE

The mace is an ancient symbol of authority which is carried by the marshal ahead of the academic procession. The mace for Prairie View A&M University is four feet long and contains four bronze figures atop a Honduras mahogany base which tapers to fit into its stand(m). The four figures are symbolic of the four undergraduate academic years. Within the hollow area beneath the figures, and shared equally, is a flame which denotes knowledge and excellence. The base which serves as a grip and is carried by a faculty member, symbolizes the entire faculty; the stand which supports the mace characterizes the administration. The visual impact of the mace as a whole is "torch-like." The eight tassels represent the academic organization of the University.

THE MEDALLION

The President's Medallion, the official symbol of the Office of the President at Prairie View A&M University, was created especially to commemorate the lineage of the Presidency by the late Mr. Frank Hayden, nationally famous sculptor and Professor of Fine Arts at Southern University, Baton Rouge, Louisiana. The first medallion was presented to Dr. Percy A. Pierre, fourth president of Prairie View A&M University, on March 21, 1985.

The medallion is designed to be worn with academic regalia at all official University programs. Abstract figures, representing the academic disciplines in an attitude of celebration, encircle the outer rim. The inner circle symbolizes the pursuit of excellence throughout four years of teaching and learning. The weave of the chain is the facsimile of that used by the ancient Greeks.

A replica will be presented to each subsequent President during his inauguration. The medallion will ultimately reflect the history of the presidency, revealing names and dates of inauguration.

MAYOR FRANK D. JACKSON

The Honorable Frank D. Jackson was born in Luling, Texas and is the second of three sons born to Robbie Jackson Sr. and Willie Louise Jackson.

Upon earning a four-year scholarship in naval science, he matriculated to Prairie View A&M College. In 1973, he graduated from Prairie View A&M University and was commissioned as an ensign in the United States Navy. During his eight years of active duty, Jackson proudly served aboard the Nuclear Powered Cruiser USS Long Beach CG (N) 9, the USS Coral Sea CV 43 and the USS Inchon LPH 12. He later ended his active duty service at Prairie View A&M University in 1982 as assistant professor of Naval Science and Navigation and Ship-Handling Instructor. In honor of his service to the U.S., he was awarded a commission in the U.S. Naval Reserves and ascended to the rank of Captain in 1995.

Jackson continued his career at Prairie View A&M University in 1982 as associate counselor for admissions. Throughout his many years of service to his alma mater, he has served the University as director of the Memorial Student Center, assistant director of University Centers, director for Auxiliary Services and director of Student Initiatives and Development. He currently functions as the Governmental Affairs Officer for Prairie View A&M University, where he interfaces with lawmakers and provides leadership and perspective on laws and local, state and federal legislative issues that impact the University. Additionally, he serves as the University's representative to address community initiatives, particularly on those that relate to Prairie View A&M University's relevancy in the community as a "land-grant university" and as a Texas constitutionally designated "institution of the first class."

Radio listeners across Texas and around the world tune in weekly to listen to Jackson's highly popular radio station program "On the Hill with Frank Jackson", which is hosted on PVAMU's radio station KPVU-FM 91.3. Jackson is the author of two books, a noted historian and the associate editor of the Journal of the History and Culture, which is produced by the Texas Institute for the Preservation of History and Culture.

An advocate for his community and fellow constituents, Jackson served on the City Council for the City of Prairie View for 12 years and spent eight years as County Commissioner for Precinct 3 in Waller County. He was elected mayor for the City of Prairie View on May 4, 2002. He was re-elected mayor to serve a second term in May 8, 2004, re-elected to serve a third term on May 13, 2006 and re-elected to serve a fourth term on May 10, 2008. Under his leadership, the City of Prairie View has experienced unprecedented growth through improved city infrastructure, master planning and revitalization projects.

Jackson is also president and fire chief of the Prairie View Volunteer Fire Fighting Association, Inc., past Master of Lone Star Lodge No. 85 (Hempstead, Texas) and currently serves as Grand Historian for the Most Worshipful Prince Hall Grand Lodge of Texas. Furthermore, he is an active member of Alpha Phi Alpha Fraternity, Inc.'s Epsilon Tau Lambda Chapter (Prairie View, Texas).

Mr. Jackson is married to the former Marian Elaine Jones and is the father of four children, Tracy, Ayanna, Cheikh and Okofo. He is grandfather to Chazrel and Simone.

STATE OF TEXAS
OFFICE OF THE GOVERNOR

A Message from the Governor:

I am pleased and honored to extend greetings to everyone attending Prairie View A&M University's Fall Commencement Convocation.

Today, as you celebrate your achievements and the honor you have earned as graduates of this fine university, Texas celebrates with you. You have demonstrated excellence and have accomplished much of which to be proud.

But remember that the diploma you receive today is not the goal you have worked diligently to attain. It is only a symbol of the education that has prepared you for a career, a productive life and an active membership in a society that needs your talents and energy.

You are the inheritors of not only the freedom and prosperity of this great state and nation, but also the responsibilities that accompany them. I urge you to rise to the challenge by building upon the foundation laid by the men and women who have come before you.

I am sure the milestone we celebrate today is only one of many achievements you will know. I encourage you to consider the support system that helped you reach this place — the families, friends, teachers, professors and communities of faith that have supported you — and to take the time to thank and honor them. The success you know today is the work of many, and those relationships will bolster and guide you as you continue on your way.

May you continue to excel, and may you fulfill your great potential. First Lady Anita Perry joins me in sending best wishes for your continued success.

Sincerely,

Rick Perry

December 2008

To Our Treasured Graduates,

Graduation is one of the most reflective times in everybody's life. Not only do we remember the good times, but we all have had a particular attitudinal experience that pushed us to the point where we said to ourselves, "I want this and I know I can do it." Your personal commitments, and the commitments made by those who helped you along the way, have paid great dividends. Your lives will never be the same because of your accomplishments. Speaking for the Board of Directors and your National Alumni Association, I wholeheartedly congratulate you on your significant achievements here today.

Due to the timing of your exit on this day and the historic transitions taking place on every level of our lives, the "time for change" is a riveting and revolutionary period with many great opportunities. Always be mindful of the fact that Prairie View has a great history and our graduates have been among the most productive people around the world.

There is one myth that I am compelled to clarify for you. Although we generally regard Prairie View as a state-supported institution, all of the revenue needed to operate our school does not come from state funds. A sizeable portion of revenue comes from contributions and your alumni association plays a significant role in generating those funds. It is imperative that you get involved with your alumni association and join right away. Our collective interest represents the protective umbrella for our great institution. We must continually pave the way for those who follow us.

Again, congratulations and I do wish to meet and greet all of you at an alumni affair soon.

Sincerely,

Clem Daniels

“Dear Prairie View”

Dear Prairie View, our song to thee we raise,
In gratitude we sing our Hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee.
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.
