Prairie View, Texas 77445

Dear Dr. Weems:

At the request of Miss Vera Mae Kellum, I am sending you this letter of recommendation.

I have known the applicant since June of 1967. She was assigned to the Placement Office as an E. O. A. student. She came in and worked the entire summer and did an excellent job with her assignments.

It was a pleasure to have a young lady of Miss Kellum's qualities in the office. She was punctual and alert to assume duties without being told and has a pleasing personality which I consider an asset along with good character traits.

I would not hesitate to recommend the applicant for a position working in any office and feel that she will prove an asset where ever she is assigned. The only reason she is not working with us is that our E. O. A. quota was cut.

In the event you should employ her, I am most assured that you will have no reason to regret the selection.

Very truly yours,

Dear Mr. Yancey,

Quite sure you are doing well, and still holding on. Presently, I am doing fine, with my non-club members.

I am still here at Yakum in the Agriculture department, but the course is elective, and the number is below for two teachers. We have about 51 and we need at least 64, to maintain two teachers.

Though when they pre-register we may get enough and we may not.

I am on the look-out for employment for this coming school year.

I am interested in Guidance, I think it would be my best, since I talked to Mr. J. D. Richards here.

I will tell you as it is. I want to get home if possible or as near as possible.

Keep me in mind.

My daughter is there in school, I come in for her sometimes on week-end to take her home, quite sure you have took a "Jet," to Bryan (laugh) but I will drop by to talk with you. Plan to go to school, this summer for a course in Guidance.

I want you to help me out, I know you will.

Hells to Mr. Yancy - son.

Friendly yours,

Dear Mr. Williams:

We do not have the original order for the Sweepstakes award or the Event Awards, and so we don't know what stock No. that you want in these two awards.

Would you please send us the stock No. you want, or draw us a sketch of what you want it to look like; also if you will explain this to us a little clearer - on your Event Awards and Sweepstake Awards is this to be trophies or plaques? In your letter it says trophies, and in the past it usually is plaques for this award.

Sorry to inconvenience you, but this is a little confusing to us since we don't have the original order.

An immediate reply will help us to get this Special Order off right away. Thank You.
