Dear Mr. St. John:

I regret the fact that Mr. Oliver Lewis declined the offer to work as a Forest Worker WB-2 @ \$2.25 per hour.

In his stead, I am recommending James Edward Smith. We can recommend James with no reservations and I am sure he will profit from the experience and be of real service while on the job.

We are enclosing his form 57 application for Federal Employment.

You may send all communications to James in care of or directly to me and I will see that he get the information immediately.

Dear Mr. Yancy:

Thank you for your letter of May 16, and I am glad to know that you have had a fine year and that you are going to operate next year to take care of those schools which prefer your services.

It should be kept in mind that for the 1968-69 school year the League will allow only two weekends for district academic contests. Therefore, we will have only two sets of material available next year on the district level instead of the usual four.

I am looking forward to visiting with you soon, and if we can be of any service to you, please do not hesitate to call upon us.

Sincerely yours,

Dear Mr. Yancy:

Enclosed find an invoice showing the pro rata share of the Sight Reading Music for your Region.

The Legislative Council, at its November 1967 meeting, took notice of the problems involved in the Sight Reading Music Contest and prescribed the procedure now in use in order to provide a contest which could be more efficiently carried out by the competing schools.

At the same time the Council passed a motion that each Region was to be billed for its share of the music used, the cost of distributing the music and the cost of the Selection Committee's expenses.

Your prompt remittance will be appreciated.

Sincerely yours,
