Office of the Registrar  
Huston Tillotson College  
Austin, Texas

Sirs:

RE: John Gabriel Harnsberry

At the request of the above named applicant for admission to your College, it is a pleasure for me to write this letter of recommendation.

I have known John all of his life. His family background is superior, and he has in every way tried to represent those principles that good parents attempt to instill in their children.

You will find him to be refined, well mannered, intelligent and one who has good common sense and an asset to any college campus.

I was Principal of both Carver Elementary School and Kemp High School in Bryan and had an opportunity to observe him develop into the fine young man he is.

It is my frank opinion that a favorable reaction to this applicant will be a credit to your institution. I recommend him for admission without any reservations.

Very truly yours,

C. D. Yancy

Dear Dr. Yancy:

I am mindful that this request is bothersome to you, but I do need your help in order to plan for the coming recruiting season.

Would you please complete that portion of the attached which is applicable to your institution and return it to me at your earliest convenience. A stamped pre-addressed envelope is enclosed for your convenience.

Your assistance is most appreciated.

Very truly yours,

Dear Mr. Strange:

I have your letter of a few days ago indicating your interest in teaching Industrial Arts in the Houston area.

We regret that we have no calls from the Houston area requesting Industrial Arts teachers.

We did have a call, however, this morning from Mr. J. A. Covert, Asst. Superintendent, Texarkana Public Schools seeking an Industrial Arts teacher for a junior high school there.

If you are interested, you may call him. The telephone number is Area Code 713 -- 529-4471, Ext. 312.

According to our records, we do not have a Placement Folder for you. Enclosed you will find an application blank and two confidential rating forms. We are asking that you fill the application and return it along with two application pictures. In the meantime, fill the top portion of the confidential ratings and send one to a faculty member and the other to your supervisor of student teaching requesting them to execute and send them directly to the Placement Office. Before your folder is complete, it will be necessary that you request a copy of your transcript sent to our office.

Upon receipt of these credentials, we can set up a complete folder for you and be in a position to recommend you at any time a position becomes available in your area.

Very truly yours,

C. D. Yancy, Director

Dear Mr. Tracy:

Please accept my sincere thanks for the invitation to attend General Electric's Conference for Placement Officers.

This was one of the richest experiences of my life. I only hope that in some way my work shall prove worthy of this honor.

Please feel free to call on me at any time you feel that I may be of assistance to you.

Dear Mr. Yancy;

Attached is a form we would like you to complete and return to us. The requested information will be very useful to us in making our plans for next year. If the number of expected graduates for next year is not known at this time, your best calculated guess will be very satisfactory.

It was a pleasure for us to work with you this year--we are already looking forward to next year. Since our requirement for college graduates is expected to increase next year, we should be interested in hiring more of your graduates than ever before. E. D. Stewart and I look forward to seeing you next fall.

We would greatly appreciate a 1968-69 catalogue when they become available.

Have a good summer.

Very truly yours,

Placement Director:

While we would like to have the opportunity to employ graduates of your school, it is obviously impossible for us to personally visit all four-year midwest institutions. The next best thing is to keep your office informed of the kinds of positions available.

The enclosed booklet should give your interested seniors, graduate students, or alumni enough information about job openings to enable them to decide whether they wish to formally apply for a job.

If additional copies are needed, please let us know.

Sincerely yours,

Dear Mr. Landiss:

I have your letter of June 12, 1968 stating that my name had been submitted as a reference by Mr. William H. Peoples.

It is true that I have known Mr. Peoples for a number of years both as an individual and as a Certified Official. During the years, I served as High School Principal, my coaching staff would always insist whenever possible that we secure the services of Mr. Peoples. I cannot remember a single instance where his decisions or integrity was in question. He was fair, honest and sincere in his dealings both on and off the athletic field. Above all, he kept alert to the changes and could always justify his actions by the rules of the game.

As State Director of Interscholastic League, I came in closer contact with Peoples. We used him yearly as an official in District and State play-off games and found him to be efficient.

He has also served as an official in some of our college games since I have been here at the College. The results were the same, a good job of officiating was done.

I would not hesitate to recommend William H. Peoples as an excellent official of both Football and Basketball. Above all, he is intelligent and a clean cut gentleman.

Sincerely yours,

C. D. Yancy, Director
