PRAIRIE VIEW A&M

Prairie View A. and M. University is a senior, state-supported university offering the bachelor's and master's degrees. The institution is organized for instruction into seven major colleges as follows:

- The College of Agriculture
- The College of Arts and Sciences
- The College of Engineering
- The College of Home Economics
- The College of Industrial Education and Technology
- The College of Nursing
- The Graduate School

DR. ALVIN I. THOMAS
President

PROJECT: *SUCCESS*

Operation Success is based on the philosophy that each student admitted to Prairie View A&M University has the potential to succeed.

The complete education and experiences of the student at Prairie View A&M University are designed and implemented to help them keep the status to which they were born, namely: **THEY WERE BORN TO WIN!!! THEY WERE BORN TO SUCCEED!!!**

The University recognizes that many students, who are admitted, may have academic, social, cultural, vocational, economic, or personal handicaps.

There are no students admitted, however, with handicaps which cannot be corrected so that the student can achieve success. The students do have the potential to succeed.

Operation Success is based upon the philosophy that the University will organize its human and material resources into such systems that will maximize the academic, personal-social, cultural, and career awareness and vocational attainment of each student enrolled.

Operation Success is also based upon the philosophy that it is important for the student to enroll at the University, but *it is even more important that he or she graduates from the University with a variety of new experiences and high level achievements.*

Tonight's Game:

THE DOUBLE BUMP

By JOE BOOKER, PVU Sports Publicity Director

At 7:30 p.m. tonight, the Prairie View Panthers and the Southern Jaguars will square off for another one of those leather-popping old fashion SWAC football grudges.

The Panther-Jaguar feud isn't new. It has been going on for some time — In fact Amos and Andy was on the radio. — Old timers like to recall the first scuffle between the two in 1930. The Panthers won 13-0 and the feud has been going on ever since. The Panthers enjoy a one-game edge. PVU has won 20, lost 19, and tied 3.

The longest winning streak is 5 games, which is enjoyed by both schools. Southern with the late A. W. Mumford at the helm won five straight from 1945-50. The Panthers came back and equaled the mark under the legendary Billy Nicks from 1952-56. Nicks had such greats as Charlie Brackins (quarterback), the late Charlie Wright (end) and John Payton (halfback), during the 1952-1955 era. The Panthers came back and won 3 straight from 1962-64, with the likes of Otis Taylor, Ken Houston, etc.

The year 1975 has arrived and the Panthers have an experienced team. The entire backfield returns. Sam Maxie, is a veteran at quarterback. The offensive line is set with Greg Austin, Jim Cole, Charles Baity, Terry Knighton, etc.

The Panthers have a veteran defensive unit. Only one starter is gone from last year.

The Jaguars boast experience, also. There are 37 lettermen returning including 11 defensive starters.

So, old grads — Southern and Prairie View — await impatiently for the square off. Although, Amos and Andy, have long vanished from the radio, the PVU-SU feud lingers on.

Chevette.

Chevrolet's new kind of American car.

- Chevette is international in concept, design and heritage. It incorporates many engineering features proved around the world.
- Its wheelbase is 94.3 inches. And overall length is 158.7 inches.
- Its turning circle, compared with that of any foreign or domestic car, is among the smallest.
- It gives you more head room and front leg room than some leading foreign cars.
- It can carry cargo up to four feet wide.
- It's basically a metric car. And, as you know, the metric system is on its way to becoming the standard American measurement.
- It has a standard 1.4-litre engine, with a 1.6-litre engine available (except on the Scooter).
- It comes with a self-service booklet.
- It's a two-door hatchback, with seating for four in the standard Chevette, Rally, Sport and Woody versions. A two-passenger version, the Scooter, is also available.
- It is sold and serviced by every Chevrolet dealer in America—all 6,030 of them.

SOUTHERN UNIVERSITY and A&M College System

Southern University and A & M College was chartered by the Louisiana General Assembly in 1880, in New Orleans and relocated in Baton Rouge in 1914. Since that time it has expanded into what is today the Southern University System — the largest predominantly black land grant college in the nation.

The Baton Rouge campus is situated on 307 acres overlooking the Mississippi River. In addition there are 205 acres of farm land. This site has in excess of \$75,000,000 of improved physical facilities.

Today, the Southern University System consists of three campuses located in the three major cities in Louisiana — Baton Rouge, New Orleans and Shreveport, with an enrollment of more than 15,500 students.

The Baton Rouge campus had a student enrollment in 1974-'75 of 8,685; New Orleans 2,758, and Shreveport-Bossier 806. Our students come from all over Louisiana and from many other parts of the nation. The student population is predominately black but white students make

up approximately 28% of the enrollment of the Law School. The majority of our students receive some kind of financial aid. This assistance is necessary in order for them to matriculate at the University.

On the 583 faculty members in the Southern University System 196 have earned terminal degrees, 17 have Juris Doctor degrees and 335 are holders of the masters degree. In addition there are 898 classified and unclassified employees.

COACH CHARLIE BATES

Charles Bates brings to Southern University all the wisdom he has attained as both a successful football player and coach.

In two rebuilding years at Southern, Bates has compiled an 8-11-1 record. He was an assistant on the Jaguar staff in 1966 and, under his tutorage, Southern had one of its best defensive seasons.

The 40-year-old native of Birmingham, Ala. was an All-American defensive end at Alabama A&M College and earned All-Southern Intercollegiate Athletic Conference honors there.

Athletic Director

U.S. (DEAN) JONES

His experience as a player has made him keenly aware of the importance of good, sound defense for winning football games. And his knack of keeping in step with the opposition has spread to his assistant coaches—Harry Gunner, Gerald Kimble, James Shaw and Kenneth Tillage.

Bates and his wife, Lucille, reside in Baton Rouge. No children.

The name U.S. (Dean) Jones is known across the nation as a man who gets things done where Southern University athletics is concerned. Jones has been athletic director at Southern since 1967 and has become a pace-setter in Southwestern Athletic Conference and National Association of Intercollegiate Athletics circles.

A football All-American at Southern under the legendary A.W. Mumford in 1940, Jones came to Baton Rouge from his native Richmond, Va. There he captained both his high school football and basketball teams while earning all-state honors. At Southern he became an all-around collegiate standout, both on and off the field.

Jones holds a masters degree in personnel administration and guidance from New York University. He is active in university and community affairs and presently serves as chairman of NAIA District 30. He remains a key man in SWAC business gatherings.

A Career For A Change!

Here's a chance to make a real career breakthrough. Join the hundreds of men and women who are trading their jobs for careers in the Houston Police Department.

These are some reasons why you may want to join them:

Good Pay.

During your first 16 weeks of training, you get \$863 per month. After one year, you'll be making over \$10,000 a year, and \$13,000 after three years. As the department grows, so will the opportunity for advancement.

No Waiting Lists. A lot of people think we just have a few openings every year. Actually, Houston's growth has created many new career opportunities. If you qualify, you'll be accepted. It's as simple as that.

Benefits. Three-week vacation after just a year. Nine paid holidays. Credit Unions. Hospitalization. Full tuition college scholarships, and retirement after 20 years are just some of the many advantages

The People In Your Community Need You. Being a

police officer is a lot more than just fighting crime. Mostly, it's dealing with and helping people in the community solve problems. As a police officer you have a unique opportunity to work with young people and help prepare them for a better future.

Here's What Happens If You Apply. We have moved into the 18th floor of the One Allen Center building, 500 Dallas at Smith. Come by anytime between 8-5 p.m., Monday thru Friday. Or, 8-4 p.m. Saturday. You'll first fill out a two page application and then have a half hour interview

with one of our recruiters. This is to answer your questions about what we have to offer. Because of the tremendous responsibility you would carry as a police officer, We naturally will want to look at your background. This takes about two weeks. If accepted, you'll enter the next academy class.

Primary Requirements.

Applicants must be 19-35 years old, in good health, and be high school graduates or equivalent. All applicants must be at least 5 '6" tall and in good physical condition.

For more information, come down and visit us. No appointment is necessary. Or, for a free brochure, call us at 222-4041.

SOUTHWESTERN CONFERENCE (SWAC)

BRIEF HISTORY

The Southwestern Athletic Conference had its beginning as an alliance of small Texas schools in the early twenties. By mutual agreement, representatives from Jarvis, Texas College, Bishop, Prairie View and Paul Quinn met for preliminary consideration of a series of recommendations in 1921. They later acted upon the recommendations, resulting in the formal organization of the SWAC.

The function of the conference, as stated at the time, was to legislate the management and control of all intercollegiate athletics of the schools represented. With the exception of Prairie View charter membership was composed exclusively of church affiliated schools.

Later, Langston (Okla), Arkansas AM&N and Southern University were added by election. They were followed by Grambling, Alcorn A&M and Jackson State in the late fifties.

Wiley College, Marshall, Texas, the only church affiliated school holding membership in the league, dropped out in mid-summer of 1969 and was replaced by Mississippi Valley State, Itta Bena.

Today, the SWAC ranks as one of the nation's strongest small-college leagues. Conference teams have won national championships in basketball, baseball and track. The SWAC also ranks as one of the most prolific producers of professional football players, with Grambling placing next to Notre Dame in the number of active players.

Prairie View is the only charter member left in the conference.
