Mr. C. D. Yancy, State Director
The Prairie View Interscholastic League of Texas
Prairie View A. & M. College
Prairie View, Texas

Dear Mr. Yancy:

As Director of District IV assigned me from your office, I wrote letters to the schools of the district to meet at Booker T. Washington School on January 27, 1965 for the purpose of organizing District IV Spring Meet of the Interscholastic League. I ask for reply as to whether their schools would participate. No school replied nor appeared for organization.

It is now that Booker T. Washington School has no competition in District IV.

Records will show that we have for 20 years or more participated in this activity. Our school looks forward to it with great enthusiasm. Records will show also, we have time and again excelled in the District Meets as Class C School and have on a number occasions won the State in some event.

I am wondering now in order that my school not be left out in participation this year's League in which we have enrolled, is it possible that we attend by default the State meet or what do you recommend?

Very truly yours,

George D. Stevens,
Director, District IV

Dear Mr. Yancy:

In the planning meeting of District 1-A on September 20 the discussion came up on the eligibility of Military students who might enroll in a member school for a period of time. (Children of parents who are in service and are at home until they move to new stations). Are these pupils eligible to take part in league contests?

Please ~~advise~~ tell us which rules to follow in music. The Prairie View's rules say that Octet do two numbers from the prescribe list. The book where the numbers are chosen says that an Octet may do two numbers from the approved list and one of your choice. What is done at the state level?

If you will send me your ruling on these two matters in the near future I will appreciate it very much.

Good luck to you in your new position. This is my first time to be a District Director. I hope to see you in San Antonio.

Yours truly,

I. J. Starr
