# Home Economics Dean **Heads National Prof. Group**

Dr. Flossie Byrd, dean of the School of Home Economics, is serving as president of the National Council of Administrators of Home Economics.

She recently addressed the membership of her national organization through the NCAHE Newsletter calling for coeration and setting forth a "program of work for 1972-73". Dr. Byrd is also setting plans for the 1973 annual meeting of the Council scheduled on February 14-16 at the Pick Congress Hotel in Chicago.

In her Newsletter message, Dean Byrd set as the first major goal the development of a definition of home economics with the potential for significant contributions to the

welfare of families and mankind. She also emphasized professional involvement, greater articulation and unification among alorganizations and lied broadening the research base.

### Music Students Win Honors at National Ass'n Teachers of Singers

Eight Prairie View A. & M. music students and several staff members participated in the annual meeting and singing competition of the National Association of Teachers of Singing which was held in November at Oklahoma Baptist University, Shawnee, Oklahoma.

The participants included -- Cora Johnson, soprano; Sophia Keegan, contralto; Dovie Ruffin, soprano; Marsha Lee, soprano; Deborah White. contralto; Maxie Zenon, tenor; John Coleman, tenor; and Larry Walker, baritone\*.

Five members of the group scored in the ninety percentile and three in the eighty percentile.

orado and Oklahoma. According to Dr. Anderson, the organizer, and who made the first entry of music students some 12 years ago, the Department of Music has always been fortunate in placing and securing a good position in this competition, if not the first place. "One would need to be present to see and hear for themselves and convincingly feel the electric shock,' Dr. Anderson stated. Audible bravos were heard when Miss Johnson finish-

### **Dr. Anne Campbell To Represent College** Among Univ. Women

President A. I. Thomas has designated Dr. Anna L. Campbell as official college representative in 1972-73 to the Association of University Women.

During the past year, AAUW has worked actively in support of the Higher Education Act of 1972, has continued its leadership of an effort to secure joint statement on

"Standards for Women in Higher Education" by the major national educational organizations, and is cooperating with the American Council on Education in a proposal to establish an Equal Opportunity Registry for women and minorities.

The AAUW, through its Educational Foundation, likewise continues its support of fellowships for women in advanced graduate study, and we are currently engaged in a drive to raise, among our members, large additional endowments for this purpose. For 1972-73, AAUW has awarded 150 fellowships to American and international women.

**Activities Scheduled** Final examinations for the first semester are scheduled on December 18-22, and the semester will officially end at noon on December 23.

mercial building designs.

Graduate students enrolled in Saturday classes will take finals on December 16.

The college will be closed throughout the remainder of December and through January 2 or 3. Practically all campus operations will be closed throughout the holiday period.

Registration for the Second Semester is scheduled on January 8-9 and classes are set to begin on January 10. A spring recess is planned during the semester which is scheduled on March 5-10, following the mid-semester tèsts.

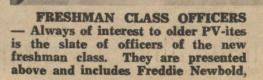

# Holiday Activities to **Highlight Final Activities**

Most of the student organizations have sponsored or will be sponsoring Christmas parties and other types of holiday observances during the last two weeks of the present semester and the calendar year.

The faculty and staff have announced their Annual Ball which will be held on Saturday, December 16, Subscription to the holiday ball will be \$3.00 for singles and \$5.00 per couple.

Campus decorations are beginning to appear around campus. Administrative offices around campus, starting with the president's office, set the pace, and others are beginning to follow suit. It is a long time tradition to decorate for the Yuletide Season at Prairie View.

of

Socialization plays an important role here at P. V. To be socially accepted is the in thing. Have you ever stopped to ask yourself why anyone would become a member of a Greek letter organization. How about the ambition and the desire to surpass being a half-stepper. Contrary to the belief that all Greek Letter Organizations do is continually indulge in wine, women and song, the forgotten fact remains that these chosen people are leaders.

These leaders lead in practically every facet of human endeavor. They have invaded the realms of success in Education, Government, Religion, Music and Sports. If you cannot relate to this, use your own environment as an example. Here at P. V. people of these often abused organizations are leaders in every facility of this college.

### **PV Loses Opener** To Sam Houston

The Prairie View Panther cagers lost a nip and tuck 75-72 non-conference game to Sam Houston State at PV in the Panthers 1972-73 season opener at PV.

The Panthers took a 7point lead midway the first half only to have it clipped by SHS with 8:24 on a field goal that sent SHS ahead 22-21. During this span the Panthers hit a two-minute cold spree without scoring.

Sam Houston built a 10point lead with 6 minutes in the half, but the clutch shooting of guard Herbert Guin closed the gap and the Panthers went in at half-time training 48.42.

But the never-quitting Bearkats tied the score 70-70 with 2:58 and later went ahead on a field goal to make it 72-70. But Walt McCowan tied it on a 30footer 72-72 with 48 seconds left.

With two seconds left, SHS went ahead 74-72 and to later win 75-72

touchdown and was actually defensed well by PV's Lester Morgan, this was a game in which two no name offenses made defense look like it owned the game of football. The game could have easily been a 0-0 tie except for two plays that unfortunately for PV resulted in touchdowns. Al-TSU though both defenses in reality played was given the impression that the varsity defenses of both teams were opposing J-varsity offenses. As a result, the games "Most Valuable Player" awards went to two defensive standouts, PV's Talmadge "ooh-wa" Sharpe and TSU's David Thomas. Finishing the season at 5-5, this has nevertheless been an improvement over last year's 3-7 season. But the disappointment comes in the fact that this has probably been PV's first season in the history of the school that it has not scored a touchdown rushing from scrimmage.
