Commencement Convocation

WILLIAM "BILLY" J. NICKS, SR. BUILDING

SATURDAY, MAY ELEVENTH

2013

To our guests

Commencement is a significant and solemn event, recognizing years of study and sacrifice. To make this ceremony more meaningful, we ask all guests and participants to avoid unnecessary conversation and movement during the exercises. We also ask that cellular phones be turned off during the ceremony.

Please withhold your applause during the presentation of degrees until each degree group is acknowledged and the candidates have returned to their seats.

Following the singing of the Alma Mater, there is a Recessional for the platform party and all degree recipients. We ask the audience to remain seated during this period.

For your assistance, an Emergency Medical Services station is available in the William "Billy" J. Nicks, Sr. Building. Please ask an usher for assistance.

COMMENCEMENT PROCESSION

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance. The most common headpiece (or cap) for the ceremony is the black square, flat-topped, or "mortar board" type with gold or black tassel. It is called a "mortar board" because it is shaped like the board of the mason which holds mortar. Recently, we are seeing large velvet Tam-O-Shanter style of headpieces replacing the mortar board. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The tassel on the doctor's cap is usually gold, and permanently fastened on the left side. The master's cap has a black tassel worn on the left. The bachelor's cap has a black tassel worn on the right prior to graduation then moved to the left during the ceremony.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university which is awarding the degree. The colors of the outside rim of the hood symbolizes one of the following departments of learning:

Agriculture..... Maize
Architecture..... Lavender
Arts, Letters, Humanities..... White
Commerce, Accountancy, Business..... Drab
Dentistry..... Lilac
Economics..... Copper
Education..... Light Blue
Engineering..... Orange
Fine Arts..... Brown
Forestry..... Russett
Geography..... Blue and Green
Home Economics..... Golden Yellow
Journalism..... Crimson
Industrial Education..... Light Blue
Law..... Purple
Library Science..... Lemon

Medicine..... Green
Music..... Pink
Nursing..... Apricot
Oratory (Speech)..... Silver Gray
Pharmacy..... Olive Green
Philosophy..... Dark Blue
Physical Education..... Sage Green
Public Administration, including
Foreign Service..... Peacock Blue
Public Health..... Salmon Pink
Science..... Golden Yellow
Social Work..... Citron
Technology..... Golden Yellow
Theology..... Scarlet
Veterinary Science..... Gray

The gown is usually black. The traditional doctor's gown has velvet panels down the front and three velvet bars on the regular sleeves. The master's gown has no velvet, but does have unusually long sleeves. The bachelor's gown is similar to the master's gown but has regular long sleeves which tend to be pointed.

Some gowns may be in the color of the department granting the degree, such as "Education Blue." Others may be "Yale Blue" or "Harvard Crimson" for the graduates of these universities. Customized stoles honor those students who have served the nation in the Armed Forces.

THE MACE

The mace is an ancient symbol of authority which is carried by the marshal ahead of the academic procession. The mace for Prairie View A&M University is four feet long and contains four bronze figures atop a Honduras mahogany base which tapers to fit into its stand(m). The four figures are symbolic of the four undergraduate academic years. Within the hollow area beneath the figures, and shared equally, is a flame which denotes knowledge and excellence. The base which serves as a grip and is carried by a faculty member, symbolizes the entire faculty; the stand which supports the mace characterizes the administration. The visual impact of the mace as a whole is "torch-like." The eight tassels represent the academic organization of the University.

THE MEDALLION

The President's Medallion, the official symbol of the Office of the President at Prairie View A&M University, was created especially to commemorate the lineage of the Presidency by the late Mr. Frank Hayden, nationally famous sculptor and Professor of Fine Arts at Southern University, Baton Rouge, Louisiana. The first medallion was presented to Dr. Percy A. Pierre, fourth president of Prairie View A&M University, on March 21, 1985.

The medallion is designed to be worn with academic regalia at all official University programs. Abstract figures, representing the academic disciplines in an attitude of celebration, encircle the outer rim. The inner circle symbolizes the pursuit of excellence throughout four years of teaching and learning. The weave of the chain is the facsimile of that used by the ancient Greeks.

A replica will be presented to each subsequent President during his inauguration. The medallion will ultimately reflect the history of the presidency, revealing names and dates of inauguration.

2013 HUMANITARIAN AWARD

Student

HARRISON L. BLAIR

“The best way to find yourself is to lose yourself in the service of others.”

-Mahatma Gandhi

Harrison Lamar Blair has dedicated his life to the service of others, especially in the Prairie View A&M University community.

A graduating senior, Blair's stellar record of service has been channeled primarily through his work with the PVAMU Student Government Association. As SGA President, Blair was a driving force behind the a campus movement focusing on voter awareness and registration. Under his tenure, voter registration efforts increased throughout the campus, leading to an election day march and rally as well as a partnership with the Texas League of Young Voters.

Blair's civic activities were pushed further, as he became a leading voice in the student opposition to a proposed Waller County landfill. He began this quest with a fact-finding trip to the Atlanta area to visit a similar landfill. After the visit and with subsequent research, Blair launched an awareness campaign that included partnerships with the Stop Highway 6 Landfill committee, as well as with several PVAMU student organizations. The project included campus town hall information meetings, speaking at landfill hearings, disseminating petitions, making awareness videos and addressing the Waller County Board of Commissioners' public hearing concerning the proposed landfill.

With a boundless desire to build on the legacy of PVAMU, Blair's tenure also included campaigning for the approval of an athletic complex fee by PVAMU students. Recognizing the need for upgrading the sports facilities and an opportunity for students to leave a lasting legacy, Blair undertook this massive project, meeting with administrators, student-athletes, and other as well as other campus organizations. The fee was ultimately approved by the student body and the election boasted the largest voter turnout in referendum history.

In addition to SGA, Blair is an active member of Omega Psi Phi Fraternity, Inc. and the Model United Nations Club. He is a former community assistant in University Village. Prior to becoming SGA President, he was a member of the Marching Storm Band and served as Mr. University Village 2010-2011. He was also cast in the Charles Gilpins Players production of "A Lesson Before Dying" as a lawyer. This summer, he will be a member of a student delegation traveling to South Africa.

Harrison is the son of Brenda Blair and the late Jordan Blair. He is also the brother of Taylor and Jordan Blair, also PVAMU students.

2013 HUMANITARIAN AWARD

Community

WAYMON WEBSTER, PhD

MARIAN E. JONES-JACKSON

“Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence.”

– Helen Keller

“Service is the rent we pay for being. It is the very purpose of life, and not something you do in your spare time.”

– Marian Wright Edelman

Dr. Waymon T. Webster currently serves as the a professor in the educational leadership and counseling department. He has been known as the representation of change and a commander of respect. He has continuously shown a kind and compassionate love and dedication to thousands of Prairie View A&M University students since September of 1969.

For more than sixty years Dr. Webster has dedicated his life to the community; a model and exemplary figure in the lives and careers of many. He is the father of three children, two sons and a daughter, and a grandfather of seven. Growing up in Hearne, TX, he graduated from Blackshear High School and went on to receive a bachelor's and master's from Prairie View A&M University. He later received a doctorate degree from Texas A&M University. Among his many positions within education, Webster has worked as a high school counselor and a teacher of mathematics and instrumental music in the Bryan Independent School District. After leaving the Bryan school district, he returned to Prairie View as a professor in the Department of Education.

Webster has worn many hats throughout his years on “the Hill,” which have included coordinator of off campus instruction, coordinator of counseling and services, director of the veterans institute and director of weekend programs and dean of the Graduate School, a post he held more than a decade.

More than 22 years ago, Webster implemented a counselor's conference to inspire, educate, and motivate graduate students in the ELAC program who were developing skills that would enable them to give back to their community. His vision was to bring to campus nationally known scholars who wrote the books students were studying and have them impart words of wisdom that students can implement as they continued in their professional development. To this end, such notables as Thomas Parham, Na'im Akbar, Wade Nobles, Gerald Corey, Don Locke, John McFadden, Julianne Malveaux and Susan Taylor have graced the PVAMU campus.

As the counselor's conference evolved and included those of other disciplines and the surrounding community, the conference was renamed in his honor.

Marian Elaine Jones Jackson is the second child born to Reverend Dan and Bertha Jones of Houston. She received her Bachelor of Science in Mathematics with a minor in English from Prairie View A&M University. She has been an educator in the Aldine and Waller Independent School Districts.

Jackson is the past president of H.T. Jones Elementary PTO; founding member and Cub Master for Pack 338; founding member of Troop 1906; board member of the Prairie View Volunteer Fire Fighting Association, Inc., where she serves as public relations officer and chairperson of the Red & White Ball. She is also the managing partner in Agyeman Enterprises, where she functions as event planner and publisher in the book division. Jackson is on the Prairie View A&M Education Advisory Board and a member of the Waller County Alliance for Life Changes. She is a proud member of Alpha Kappa Alpha Sorority, Inc. and attends Mount Corinth Baptist Church in Hempstead, TX. In 2010, Jackson was elected at the Justice of the Peace for Precinct 3 in Waller County.

Despite a busy schedule, Jackson dedicates time to sharing her wisdom and insights with the youth of the PVAMU community. She speaks to criminal justice majors, offering her first-hand knowledge of the court system. In the city of Prairie View, Jackson has lent her untiring devotion to a number of initiatives, including Thanksgiving dinner for residents and a toy drive for children of the area, impacting hundreds of families. She is currently a co-sponsor of The Gavel Series, a PVAMU and community outreach series of workshops designed to help citizens know their rights and responsibilities under the law.

Jackson is married to Mayor Frank D. Jackson of Prairie View and mother of two sons, Cheikh and Okofo.

STATE OF TEXAS
OFFICE OF THE GOVERNOR

A Message from the Governor:

I am pleased and honored to extend greetings to everyone attending Prairie View A&M University Spring Commencement Convocation.

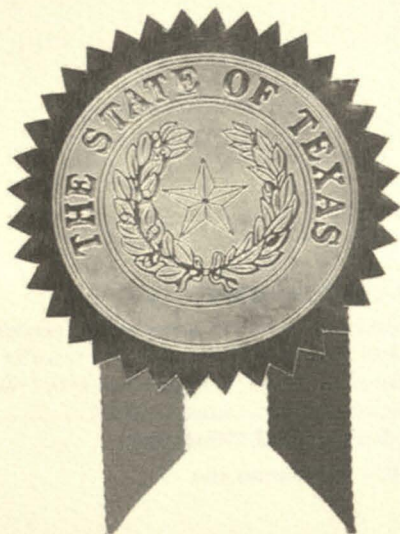

Today, as you celebrate your achievements and the honor you have earned as graduates of this fine institution, Texas celebrates with you. You have demonstrated excellence and have accomplished much of which to be proud.

But remember that the diploma you receive today is not the goal you have worked diligently to attain. It is only a symbol of the education that has prepared you for a career, a productive life and an active membership in a society that needs your talents and energy.

You are the inheritors of not only the freedom and prosperity of this great state and nation, but also the responsibilities that accompany them. I encourage you to rise to the challenge by building upon the foundation laid by the men and women who have come before you.

I am sure the milestone you celebrate today is only one of many achievements you can look forward to. I also encourage you to recognize the support system that helped you reach this place — the families, friends, teachers and professors who have supported you — and to take the time to thank and honor them. The success you know today is the work of many, and those relationships will guide you as you continue on your way.

First Lady Anita Perry joins me in sending best wishes for your continued success.

Sincerely,

Rick Perry

Dear Spring Class of 2013 Graduation Candidate,

On behalf of the Prairie View A&M University National Alumni Association (NAA), I congratulate you on your pending graduation from Prairie View A&M University on May 11, 2013, and I commend you for your academic achievements and accomplishments. I wish each of you success as you enter the workforce, continue to matriculate, or advance in your career. Prairie View has produced another group of productive people for our world.

After you join the ranks of alumni, I invite you to join your fellow alumni in building a stronger National Alumni Association (NAA) for the perpetuation of our illustrious university. After graduation it is then time for you to "Give Back" or "Pay Forward" the investment made in you. You will be awarded the first year of NAA membership free. A membership card may be received by contacting the NAA at the above address. Please visit our website at www.pvualumni.org to keep current on NAA activities. I also urge you to start your alumni activities by attending our annual convention in Atlanta, Georgia, June 26-30, 2013.

Again, Congratulations!

President

ALMA MATER
DEAR PRAIRIE VIEW

Dear Prairie View, our song to thee we raise,
In gratitude we sing our Hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee.
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.
