V. AND FINALLY -

We want to commend to your thoughtful consideration these words by President Homilty Hall, Rollins College -

1. "Nothing worthwhile comes easily. Half effort does not produce half results. It produces no results.
2. One must not expect things to happen too quickly. Patience may well be the watchword of every teacher.
3. No educational institution can educate anybody. All education is self-education. A College can aid, clarify, elucidate, stimulate and point out the way, but the work must be done and the path must be trod by the individual."

Yours truly,

W. R. Banks
Principal
