THE ONE HUNDRED AND THIRTY-FIRST SPRING

Commencement Convocation

WILLIAM "BILLY" J. NICKS, SR. BUILDING
SATURDAY MORNING, MAY FOURTEENTH

2012

To our guests

Commencement is a significant and solemn event, recognizing years of study and sacrifice. To make this ceremony more meaningful, we ask all guests and participants to avoid unnecessary conversation and movement during the exercises. We also ask that cellular phones be turned off during the ceremony.

Please withhold your applause during the presentation of degrees until each degree group is acknowledged and the candidates have returned to their seats.

Following the singing of the Alma Mater, there is a Recessional for the platform party and all degree recipients. We ask the audience to remain seated during this period.

For your assistance, an Emergency Medical Services station is available in the William "Billy" J. Nicks, Sr. Building. Please ask an usher for assistance.

GRADUATING WITH ACADEMIC HONORS[†]

Honor recognition at graduation is based on consistent high scholarship and cumulative grade point averages earned. To be eligible for graduation with honors, a student must have received no failing grades (transfer or residence) and must complete the last 60 semester hours in residence at Prairie View A&M University. A student may graduate with honors in one of the three categories:

SUMMA CUM LAUDE

Cumulative Grade Point Average of 3.90-4.0

BATTS, ALFREDA F.	NWANKPA, CHARITY S.
BLANKENSHIP, KRYSTAIN A.	OBIOZOR, CRYSTAL C.

PRAIRIE VIEW A&M UNIVERSITY COMMENCEMENT PROCESSION

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance. The most common headpiece (or cap) for the ceremony is the black square, flat-topped, or "mortar board" type with gold or black tassel. It is called a "mortar board" because it is shaped like the board of the mason which holds mortar. Recently, we are seeing large velvet Tam-O-Shanter style of headpieces replacing the mortar board. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The tassel on the doctor's cap is usually gold, and permanently fastened on the left side. The master's cap has a black tassel worn on the left. The bachelor's cap has a black tassel worn on the right prior to graduation then moved to the left during the ceremony.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university which is awarding the degree. The colors of the outside rim of the hood symbolizes one of the following departments of learning:

Agriculture.....	Maize	Medicine	Green
Architecture	Lavender	Music	Pink
Arts, Letters, Humanities.....	White	Nursing	Apricot
Commerce, Accountancy, Business	Drab	Oratory (Speech)	Silver Gray
Dentistry	Lilac	Pharmacy	Olive Green
Economics	Copper	Philosophy	Dark Blue
Education	Light Blue	Physical Education	Sage Green
Engineering.....	Orange	Public Administration, including	
Fine Arts	Brown	Foreign Service.....	Peacock Blue
Forestry.....	Russett	Public Health	Salmon Pink
Geography.....	Blue and Green	Science	Golden Yellow
Home Economics.....	Golden Yellow	Social Work	Citron
Journalism.....	Crimson	Technology.....	Golden Yellow
Industrial Education.....	Light Blue	Theology	Scarlet
Law	Purple	Veterinary Science.....	Gray
Library Science.....	Lemon		

The gown is usually black. The traditional doctor's gown has velvet panels down the front and three velvet bars on the regular sleeves. The master's gown has no velvet, but does have unusually long sleeves. The bachelor's gown is similar to the master's gown but has regular long sleeves which tend to be pointed.

Some gowns may be in the color of the department granting the degree, such as "Education Blue." Others may be "Yale Blue" or "Harvard Crimson" for the graduates of these universities.

THE MACE

The mace is an ancient symbol of authority which is carried by the marshal ahead of the academic procession. The mace for Prairie View A&M University is four feet long and contains four bronze figures atop a Honduras mahogany base which tapers to fit into its stand(m). The four figures are symbolic of the four undergraduate academic years. Within the hollow area beneath the figures, and shared equally, is a flame which denotes knowledge and excellence. The base which serves as a grip and is carried by a faculty member, symbolizes the entire faculty; the stand which supports the mace characterizes the administration. The visual impact of the mace as a whole is "torch-like." The eight tassels represent the academic organization of the University.

THE MEDALLION

The President's Medallion, the official symbol of the Office of the President at Prairie View A&M University, was created especially to commemorate the lineage of the Presidency by the late Mr. Frank Hayden, nationally famous sculptor and Professor of Fine Arts at Southern University, Baton Rouge, Louisiana. The first medallion was presented to Dr. Percy A. Pierre, fourth president of Prairie View A&M University, on March 21, 1985.

The medallion is designed to be worn with academic regalia at all official University programs. Abstract figures, representing the academic disciplines in an attitude of celebration, encircle the outer rim. The inner circle symbolizes the pursuit of excellence throughout four years of teaching and learning. The weave of the chain is the facsimile of that used by the ancient Greeks.

A replica will be presented to each subsequent President during his inauguration. The medallion will ultimately reflect the history of the presidency, revealing names and dates of inauguration.

COMMENCEMENT ORATOR

SENFRONIA THOMPSON

District 141

Texas House of Representatives

Texas native Senfronia Thompson was born in Booth, Texas and raised in Houston. She represents Northeast Houston and Humble. Thompson's legacy is one built from strong principles of faith, an unwavering defense of freedom, and a staunch belief in fairness. She exemplifies the American ideal that one person can make a difference. Dean of women legislators, Thompson has served longer in the Legislature than any other woman or African-American in Texas history. She is currently serving her 20th term in the Texas House of Representatives.

The Houston attorney currently chairs the House Local and Consent Calendars Committee and the Women's Health Caucus. She is co-chair of the Joint Interim Committee to Study Human Trafficking. She is a member of the House Licensing & Administrative Procedures Committee, the House Judiciary & Civil Practices Committee and the Select Committee on State Sovereignty.

Thompson is the author of Texas' first-ever alimony law, the James Byrd, Jr. Hate Crimes Act, laws banning racial profiling, the state's current minimum wage law, laws creating drug courts, the Contraceptive Parity law, the Sexual Assault Program Fund, the Model School Records Flagging Act and scores of other reforms benefiting women, children and the elderly. She also sponsored the National Domestic Violence Hot Line, passed legislation aimed at protecting women and children against domestic violence, extended protective orders to last longer and enforceable within the entire state of Texas and fought to end sexual discrimination in the work place.

Thompson pushed through major reforms in child support enforcement including the Uniform Interstate Family Support Act and the Uniform Child Custody & Jurisdiction Enforcement Act, simplified probate proceedings by passing the Durable Power of Attorney Act, and made complete overhauls of statutes dealing with statutory county courts and municipal courts. In 2005, she passed legislation requiring free testing for the human papillomavirus (HPV), an early indicator of cervical cancer.

With a Republican-controlled House, Thompson passed major legislation combating human trafficking, increasing the penalty for sex offenders, obtaining insurance coverage for anti-cancer medication and banning so-called "puppy mills."

A former public school teacher and a strong believer in education, Thompson's amicus brief court she submitted on behalf of the North Forest Independent School District was cited by the Texas Supreme Court when they declared Texas' old public school finance system unconstitutional.

In 1977, Thompson used her own personal fund to convince the United States Justice Department to successfully sue Texas for discrimination in financing, hiring and admissions at Texas' traditionally Black universities, leading the way in creating a fund to improve facilities, libraries and faculty at PVAMU and Texas Southern University.

In 2011, Thompson received the Patient Care Champion Care Award from the Harris County Medical Society, the Legislator of the Year Award from the Texas Family Law Foundation, a Friend of County Government Award from the Texas Association of Counties and was named one of the most outstanding legislators by *Capitol Inside's* first All-Decade Team for 2000s and one of the Top 10 Best Legislators by *Capitol Inside* and *Texas Tribune*, two popular online political subscriptions. Among many other honors, Thompson is the only recipient of the Rosa Parks Award from the Texas Legislative Black Caucus and also received the Matt Garcia Award from the Mexican-American Legislative Caucus. She was selected as an Eleanor Roosevelt Fellow by the Center for Public Policy Alternatives. She has been named one of *Texas Monthly's* "Top 10 Legislators"; and the Associated Press (AP) named her one of 6 lawmakers "Who Rocked the Legislature." She was selected one of the Top 5 House members by *Gallery Watch*; and *Nation* magazine named her one of 8 legislators in the country "who could teach Congressional Democrats."

Thompson has a Bachelor of Science degree in Biology and a Master's degree in Education from Texas Southern University; a law degree from Thurgood Marshall School of Law and a Master's of Law in International Law from the University of Houston. She is a member of the Texas Legislative Black Caucus, the Texas Legislative Council, the Democratic National Committee, Women in Government, the National Organization of Black Elected Legislative/Women (NOBEL/Women) and the Alpha Kappa Alpha Sorority. Thompson has two adult children, one grandson, one granddaughter and one great-granddaughter.

KYLE THALAMUS MARONIE

TRENTON TRAMAINÉ JOHNSON

In the absence of the tangible, all that is left is self. As a young boy, I didn't understand why this was so important. But I learned at a young age that it is always better to give than to receive.

Prairie View A&M exposed me to the world beyond my own boundaries. You can often hear me say Prairie View expanded my boundaries to encompass more of what God had in store for me. I will forever be indebted to PVAMU.

Growing up on the Caribbean island of Dominica, Kyle T. Maronie learned the value of service from his mother. He accompanied his mother several times a week to visit an elderly aunt, offering time and care over monetary funds. The simple lesson learned from his mother, before she passed when he was nine, has served him well as a student at Prairie View A&M University.

Trenton T. Johnson's immense love for Prairie View A&M University is undeniable. The Fall 2011 graduate shows his affinity for the University is everything he does, from his personal blog down to the license plate on his car.

Maronie, who has earned a bachelor's degree in History, truly embodies the ideals of serving the community. From his days a middle school and high school student, he took advantage of opportunities allowing him to lend his time to numerous community service initiatives. It was as a young student that he found a passion: working to end voter enfranchisement, a cause he would come to know well later in his academic career.

For Johnson, life as a Prairie View student started with high expectations and serious goals. The only son of Booker and Dona Johnson, the Dallas native was a first-generation college student. Upon graduating from high school, he promised his parents that he would pay for his own collegiate education without needing a cent from them. He was able to keep his promise, sometimes working more than two jobs a semester.

After graduating from Forest Brook High School, Maronie enrolled in Prairie View A&M University and continued his service endeavors. He immediately joined in the effort to maintain the voting rights of PVAMU students by becoming a deputy registrar, tasked with assisting students to register to vote. Maronie began pursuing mentoring opportunities and soon became a peer counselor for two middle and high school students in the Bernard Harris Summer Camp and the Pre-College Institute. He later became a Collegiate G-Force peer mentor and assisted high school freshmen in understanding the importance of higher education.

As a student Johnson was a constant presence in numerous student activities and organizations. Among his many endeavors, Johnson served as Sophomore Class President, Senior Class President and Executive Vice President, in the Student Government Association. He led the Panther Advisory Leaders (PALs) as president in 2010 and was chairman and co-founder of the Gold Members Club, the official fan club of PVAMU, which has grown to over 400 members. He was also a member of the Texas A&M University System Chancellor's Student Advisory Board and the Campus Activities Board.

At the close of his collegiate career, Maronie completed his stint as a community assistant in University College, leading freshman residents in service activities such as Panthers at Work, Tour de Pink and collecting water for Prairie View Volunteer Firefighters during the Texas wildfires. Along with two fellow students, he helped to establish the University's first recycling program. Since the program's inception, over 500 volunteers have given over 5,000 hours of community service.

His academic performance earned him spots on the President and Dean's list from 2008 to 2011. In addition to being named the most outstanding electrical engineering student, Johnson received a Presidential Scholarship in 2007 and was a recipient of the Accenture Leadership Conference Scholarship in 2010.

Maronie is a founding member of the organization of B.L.A.C.K., Brothers Leading and Cultivating Knowledge and is an active member of the Thurgood Marshall College Fund Teacher Quality and Retention Program. He was recently selected to represent the University on the study abroad trip to Ghana, Africa. He plans to continue his studies, ultimately pursuing a doctoral degree with a focus on retention efforts for black males in public schools.

Johnson graduated in fall 2011 with a double major in Computer Engineering and Electrical Engineering and a minor in Mathematics. He is a Systems Integration Analyst with Accenture and in his spare time, he runs aCEOglobal.org, a blog "Making Life Better" through personal empowerment and development.

No stranger to community service, Johnson has lent his support to a number of initiatives. He has volunteered his time to numerous events and organizations, including Pantherland Days, highway clean-up efforts, Panthers at Work, the Dallas Life Foundation, the American Cancer Society, Jones Elementary, Hempstead Elementary School and DeSoto High School. Even as an alumnus, Johnson devotes his time to mentoring others by sharing the knowledge and wisdom he has gained at PVAMU.

SAMUEL MONTGOMERY

Throughout life's journey, I have invited the Lord Jesus to walk with me.

*My life of humanitarian service speaks to me that Jesus is always there,
for all of God's people in all places, and in all times, we are called to love and serve.*

A Message from the Governor:

Samuel Montgomery is no stranger to going the extra mile for those in need of his assistance. Today, there are countless numbers of Prairie View A&M University alumni who fondly recall his advice, mentorship and example and ~~the impact those things have had on their life beyond the University.~~

to respect be an impact in life beyond the University

Montgomery's life journey began in rural Northeast Texas, where farming and living off of the land was a way of life. However, the value he placed on his education took him beyond the farmland and into the classroom.

He graduated from the W. B. Clark Colored High School in Quitman, Texas and created a path to "The Hill," one other students would take when continuing their academic career. In 1951, Montgomery received a Bachelor of Science degree in Vocational Agriculture. After leaving Prairie View A&M as a student, he relocated to Belton, Texas where he began teaching agriculture to students at Thomas B. Harris Colored High School. He prided himself on teaching his students the belief in "the dignity of farm work" as a way to prosper should they put knowledge and skill into the occupation.

After his stint in secondary education, Montgomery returned to his beloved Prairie View A&M as staff member in the Office of the Registrar. According to Montgomery, it was during those thirty years of spending days assisting students and helping to ensure their academic success that his humanitarian spirit was enriched. Montgomery's work was not only limited to his role as assistant registrar. He served as a mentor to countless students who, still to this day, count him as being a driving force in their road to success at the University.

Montgomery continues to be an active member of his community, personally and professionally. He has served as president of both the National Association of College Deans, Registrars and Admission Officers and the Retired Teachers Association. Montgomery has served as lay leader of the Bethlehem United Methodist Church, president of the Kiwanis Club and board chairperson of the Wesley Foundation. He has been a mentor and advisor for the Young Men's Christian Association (YMCA) and a member of the advisory board of the Johnson-Phillip All Faiths Chapel.

Throughout his life, Montgomery has given of himself to make life better for those around him. He credits his efforts to calling in his life to give himself away in discipleship.

the time to think and honor them. The success you know today is the work of many, and those relationships will guide you as you continue on your way.

First Lady Anny Perry joins me to sincerely best wishes for your continued success.

Rick Perry
Governor

STATE OF TEXAS
OFFICE OF THE GOVERNOR

A Message from the Governor:

I am pleased and honored to extend greetings to everyone attending Prairie View A&M University Spring Commencement Convocation.

Today, as you celebrate your achievements and the honor you have earned as graduates of this fine institution, Texas celebrates with you. You have demonstrated excellence and have accomplished much of which to be proud.

But remember that the diploma you receive today is not the goal you have worked diligently to attain. It is only a symbol of the education that has prepared you for a career, a productive life and an active membership in a society that needs your talents and energy.

You are the inheritors of not only the freedom and prosperity of this great state and nation, but also the responsibilities that accompany them. I urge you to rise to the challenge by building upon the foundation laid by the men and women who have come before you.

I am sure the milestone you celebrate today is only one of many achievements you can look forward to. I encourage you to recognize the support system that helped you reach this place — the families, friends, teachers and professors who have supported you — and to take the time to thank and honor them. The success you know today is the work of many, and those relationships will guide you as you continue on your way.

First Lady Anita Perry joins me in sending best wishes for your continued success.

Sincerely,

Rick Perry

Dear Spring Class of 2012,

On behalf of the Prairie View A&M University National Alumni Association (NAA), I would like to sincerely congratulate you on your graduation from Prairie View A&M University. You are to be commended for your academic achievements and accomplishments. I wish each of you success as you enter the workforce, continue to matriculate, or advance in your career. Prairie View has produced another group of productive people for our world.

Now that you have joined the rank of alumni, I invite you to join your fellow alumni in building a stronger National Alumni Association (NAA) for the perpetuation of our illustrious university. It is now time to "Give Back" or "Pay Forward" the investment made in you by your fellow alumni. You have been awarded the first year of NAA membership free. A membership card will follow in the mail after all addresses have been received from the university by the NAA. For more information about the NAA and how to register for your free membership, please visit www.pvualumni.org.

Again, Congratulations!

ALMA MATER
DEAR PRAIRIE VIEW

Dear Prairie View, our song to thee we raise,
In gratitude we sing our Hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee.
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.

Words by O. Anderson Fuller
