E. TELEPHONE SYSTEM -

1. It is the plan to change our present telephone system with direct connection to Houston instead of Hempstead. The Bell Telephone agrees to furnish several lines and maintain the same. This arrangement will call for a charge of possibly 10 cents a call to Hempstead. At present, the institution pays several hundred dollars a year to maintain lines to and connections with Hempstead, but under the proposed arrangement, the entire cost of upkeep will be borne by the Bell Telephone Company

F. SPEED LIMIT - 20 MILES AN HOUR -

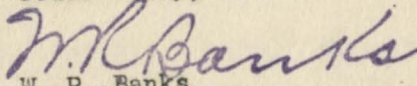

It is necessary to call attention of car owners to the danger of excessive speed on the campus. Let us observe the signs - SPEED LIMIT 20 MILES an hour for the sake of good sense and safety.

- G. There are a great many stray dogs on our campus. I am suggesting that all those who own dogs have Dr. Evans check for vaccination. All stray dogs must be destroyed.

H. LAWNS -

During this dry period, it is necessary to use water on our lawns so that the grass may keep green.

Yours truly,

W. R. Banks
Principal
