PRAIRIE VIEW STATE COLLEGE
Prairie View, Texas

Volume VIII Number 10

July - 1939

1. Movie - "THE LORD HELPS THOSE WHO HELP THEMSELVES." This is a powerful picture. Admission is free - July 4, 1939.

3. Boy Scouts Camporee - July 24-25. There will be 250 Boy Scouts in attendance. Go out and make the young fellows feel at home.

You would be happy to know -

That the General Education Board has made available $10,000 to Prairie View State College for the establishment of two demonstration teachers.

That the new dining hall is under construction in A. C. and will be ready for the American Council on adult education co-operation in the development of teacher education.

That the new dining hall is being built to accommodate up to those who will not be here the second term of the summer school.

That plans are being drawn for a new dormitory to be used by Graduate and Senior men. This new dormitory, as usual, will be four rooms. This is designed to be the "last word" in dormitory construction.

That Mrs. M. A. Bellack has just received notice that she was awarded the Master’s Degree on June 23. Mrs. Bellack was graduated from Howard College in 1925 with the degree of Bachelor of Science and has since received the Master’s Degree in the month of May.

That Mrs. M. A. Bellack is teaching the biology course at the college. She has also been awarded the Master’s Degree in Chemistry from the same institution in August.

SUMMER TERMS

Let me remind you that if you have rendered any of your property for taxation, it is expected that you will pay taxes annually. Because a notice does not come to you from the tax office in no indication that you are exempt from tax payments. Those who have rendered their property and have not paid any tax, you are delinquent. Please check on this.

G AND FINALLY -

In the serious and thoughtful discussions of problems, usually a ray of hope is seen and likely a way out is discovered. One hour of intelligent discussion and deliberation gives a more beneficial and substantial return than a year of whining, complaining and fault finding. There is no human problem, however grave and complicated, that cannot be solved by human beings, if the proper approach and attack are made at the right time.

Yours truly,
