THE COMMENCEMENT PROCESSION

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance.

The most common head-piece (or cap) for the ceremony is the black square, flat-topped, or "mortar board" type with gold or black tassel. It is called a "mortar board" because it is shaped like the board of the mason which holds the mortar. Recently we are seeing large velvet Tam-O-Shanter styles of head pieces replacing the mortar board. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The tassel on the doctor's cap is usually gold, and permanently fastened on the left side. The master's cap has a black tassel worn on the left. The bachelor's cap has a black tassel worn on the right prior to graduation, then moved to the left during the ceremony.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university which awarded the degree. The color of the outside rim of the hood symbolizes one of the following departments of learning.

Agriculture	Maise	Medicine	Green
Arts, Letters, Humanities	White	Music	Pink
Commerce Accountancy, Business	Drab	Nursing	Apricot
Dentistry	Lilac	Oratory (Speech)	Silver Gray
Economics	Copper	Pharmacy	Olive Green
Education	Light Blue	Philosophy	Dark Blue
Engineering	Orange	Physical Education	Sage Green
Fine Arts, including Architecture	Brown	Public Administration, including	
Forestry	Russet	Foreign Service	Peacock Blue
Geography	Blue and Green	Public Health	Salmon Pink
Home Economics	Gold Yellow	Science	Golden Yellow
Journalism	Crimson	Social Work	Citron
Industrial Education	Light Blue	Technology	Golden Yellow
Law	Purple	Theology	Scarlet
Library Science	Lemon	Veterinary Science	Gray

The gown is usually black. The traditional doctor's gown has velvet panels down the front and three velvet bars on the regular sleeves. The master's gown has no velvet, but does have unusually long sleeves. The bachelor's gown is similar to the master's but has regular length sleeves which tend to be pointed.

Some gowns may be in the color of the department granting the degree, such as "Education Blue." Others may be "Yale Blue" or "Harvard Crimson" for graduates of these universities.

THE MACE

The mace is an ancient symbol of authority which is carried by a marshal ahead of the academic procession. The mace for Prairie View A&M University is four feet long and contains four bronze figures atop a Honduras mahogany base which tapers sharply to fit into its stand. The four figures are symbolic of the four undergraduate academic years. Within the hollow area beneath the figures, and shared equally, is a flame which denotes knowledge and excellence. The base which serves as a grip and is carried by a faculty member, symbolizes the entire faculty, the stand which supports the mace characterizes the administration. The visual impact of the mace as a whole is "TORCH-LIKE." The eight tassels represent the academic organization of the University.

HOW GREAT THOU ART

O Lord my God! When I in awesome wonder
Consider all the worlds thy hands have made,
I see the stars, I hear the rolling thunder,
Thy pow'r throughout the universe displayed,

When through the woods and forest glades I wander
And hear the birds sing sweetly in the trees;
When I look down from lofty mountain grandeur
And hear the brook and feel the gentle breeze;

And When I think that God, his Son not sparing
Sent him to die, I scarce can take it in;
That on the cross, my burden gladly bearing,
He bled and died to take away my sin;

Refrain

Then sings my soul, my Savior God to thee;
How great thou art, How great thou art!
Then sings my soul, my Savior God to thee;
How great thou art, how great thou art!
