~~~~~

Share freedom today. Declare freedom from the bondage of hate, ignorance, greed and intolerance. These are the enemies against whom the army of love, truth and honor must battle. These are the thieves in the night that steal our God-given right to happiness.

There can be no peace within the soul of man until these idols of false pride, pomp and misguided power are broken. The golden calf on the altar of Baal is the chain of bondage. In this chain there are many links: greed, hate, show and waste.

- Leone Kahl
