### Naval ROTC Spring Review Set Thursday

The annual Naval ROTC Spring Review and Awards Ceremony was scheduled on 25 April at 4:00 p.m. on the Drivers Education Field.

The Reviewing Officer was Commander W. N. Johnson, USN, who is currently serving as the Special Assistant to the Chief of Naval Personnel for Equal Opportunity.

There was a reception for Commander Johnson following the review on the third floor of Spence Hall.

currently being released by the Registrar's office as early registration got underway last Tuesday.

Early registration will continue through May 31 with final registration set for June 3-4 for the First Six Weeks term. Classes are scheduled to begin

June 5.

The 1974 Summer Session will feature several special workshops, conferences and seminars. The work study program and Experiment-in-Living are two popular activities for graduating high school seniors.

### PV A&M Cluster To Meet

Mr. B. N. Jackson, Director of the Prairie View A&M University/Industry Cluster, has announced that a general meeting will be held on May 1, 1974. The meeting will take place in the College Hotel Conference Room with registration beginning at 8:30 a.m., and will end at 4:00 p.m.

Mr. David Stinson, Director of College/Industry Relations Program, National Alliance of Businessmen, Washington, D. C., will be one of the key speakers for this meeting.

All interested faculty members and students are cordially invited to sit in this meeting for the morning session, 9:00 a.m. thru 11:45 a.m.

**OFFICIAL GREETED** — President A. I. Thomas and others greeted Governor and Mrs. Dolph Briscoe at a recent reception held for Rep. An-

thony Hall at the home of Fred Sessions. At right are Houston-Jones High principal Arthur Pace and Jimmy Middleton.

## Pitch-In Week Observed Here

Pitch-In Week was being observed by colleges and universities throughout the nation on April 22-27. The event, sponsored by Budweiser Beer in cooperation with the ABC Contemporary Radio Network, is based on the nation-wide "Pitch In" anti-litter program. Participation may be from the entire student body or approved individual campus organizations.

Various student groups on campus were engaged in project related to the Pitch-in movement. The Student Senate was in charge of local activities.

### Brown Univ. Prof. Presents Seminar On Immunology

Dr. Paul M. Knopf, Associate Professor of Medical Science, Microbiology, Brown University presented a seminar entitled "Immunological Control of Schistosomiasis" at 9:00 a.m. on March 26, 1974 to the Biology students and faculty. Schistosomiasis is an infection by flat worms called *Schistosomes* (blood flukes). This disease is widespread in the tropical countries of the world and is quite debilitating for

Parents Day Sunday

# Commencement Week Activities Scheduled

Parents Day on Sunday, April 28 will usher in final commencement week activities which close with graduation exercises the following Sunday, May 5.

President A. I. Thomas will speak to the parents on the subject: "Parents: Prairie View's Foundation for Producing Productive People." Student leaders along with deans, directors, department heads,

and staff members will have opportunity to meet and talk with parents and other visitors.

The Commencement speaker will be Mr. Andrew Brimmer, Member of the Board of Governors, Federal Reserve Bank System, Washington, D. C. President Thomas announced that Mr. Brimmer is the only black to have served on the board of the world's large banking system.

## Radio-TV Personalities Here For Miss PV Pageant

"The Sunshine of My Life" is the theme of the Fifth Annual Miss Prairie View Pageant sponsored in cooperation with the Miss Texas and Miss America Pageants. The 1974 Pageant was an event of Thursday, April 25th at 7:30 p.m. in the University Field House.

The eight beautiful talented young ladies who competed in talent, stage presence, self-confidence, creative expression etc. are: Delores Clack of San Antonio; Vanessa Galloway of Galveston; Gwendolyn Malone of Gause; Secceter Phillips of Prairie View; Carolyn Greenleaf and Carolyn Slater of Houston; and Melodye Walton and Mary Washington both of Texarkana.

"The contestants along with the current Miss Prairie View Eunice Cartwright, and Mrs. Delia Hunt, Contestants Chaperone, have been extremely active these past weeks with shopping, charm and beauty clinics, rehearsals and television appearances," commented W. Van Johnson, Executive Committee Chairman of the Pageant.

The contestants appeared on Channel 13's Houston, The Show 74 on April 13th and 20th, and Channel 39's Houston, Black Viewpoint April 21st. Eunice Cartwright 1973-74 Miss Prairie View was a guest on Channel 26's, Houston, Kacie Kirby Talk Show April 23rd and Channel 13's, Houston, Dialing for Dollars April 24th.

The girls attended two Charm and Beauty Seminars the first of which was

conducted by PV grad, Jac Willis, fashion designer and Art Director at Channel 13. The second Seminar was with Jacqueline "Wendy War" Jaccqueline "Wendy War" MicKinney, fashion representative with Montgomery Ward of Northline Shopping Center. Both Jackie and Wendy are Pageant Consultants.

"The winner of the pageant will represent the University in the Miss Texas Contest at Fort Worth, Texas, July 1974 explained President Alvin Thomas. "Prairie View A&M University is the only Minor university in the state with franchise in the Miss Texas Contest," Thomas added.

The Panel of Judges included: Mrs. Dora Updabbs, Dallas Public School Teacher and former Miss Prairie View; Mr. George Nelson, Community Affairs Director KYOK Radio Station; Ms. Alma Newsome, Community Relations Director Channel 11-Houston; and Creighton Maynard and R. McIntire-Miss Texas Pageant Judges.

Mr. Clifton "King" Smith, KPRC-Channel 2 Houston, Community Relations Director emceed the Pageant. The public was invited to share this evening of glamor and entertainment with Prairie View Community.

## Black Exec. Exchange Program PV Gets Visiting Professor In

Russell W. Hawkins, of Allied Chemical Corporation, Morristown, New Jersey, will rotate as a Visiting Professor at Prairie View A&M in the National Urban League's Black Executive Exchange Program, (BEEP), it was announced today.

BEEP, which has been funded by the Ford Foundation since 1970, and supported by over 300 major corporations, will present 15 practitioner-oriented courses at 14 black colleges and universities during the Spring semester. The program will involve 102 black executives who will each lecture

for two consecutive days in courses related to their expertise and experience. Stressing the practical aspects to textbook theory, these ranking executives provide a new dimension to college curricula. They help to stimulate the career aspirations of black students, and give evidence of industry's move to open up meaningful positions to qualified black personnel.

Russell W. Hawkins is Manager, Benefits Administration for Allied Chemical Corporation. He is responsible for Development, Implementation, and Administration of Al-

those persons infested with these blood worms. The disease is spread by the larvae penetrating skin when located in lakes or ponds or streams. One stage develops in the snail and the adult worm develops in humans.

Dr. Knopf reported on his investigations in the immunological control of this disease, which would augment sanitation and snail control measures. There is some evidence that the host may become somewhat resistant to the schistosomes. This is seen when infected the host is resistant to re-infection.

Dr. Knopf feels, that perhaps, a vaccine could be prepared which will act upon the immune system of the body as does the initial infection of the disease. Then the infection by the blood worm will be resisted as if it were a re-infection. Following Dr. Knopf's talk, there were numerous questions concerning various aspects of his work.

Dr. Knopf enjoyed his visit to Prairie View and was very much impressed with the campus and students. Dr. Knopf was sponsored by the Minority Lecture Series sponsored by Harvard University.

## Electrical Engineering

### Prof. To Present Paper

Dr. Malkiat S. Sohel, Assistant Professor of Electrical Engineering, will be presenting a paper, "Performance Based Teaching Technique in Electrical Engineering Courses," at the American Society for Engineering Education, Gulf-Southwest section, Annual Spring Meeting to be held at the University of New Mexico, Albuquerque, New Mexico from April 18-20, 1974.

The Tire Industry Safety Council recommends placing new tires on the rear axle, since accidents more often have worn tires in the rear.

**MISS PV CANDIDATES** — Shown in bathing suits the eight contestants are (L to R) — Secceter Phillips, Gwendolyn Malone, Vanessa Galloway, Melody Walton, Jackie Washington, Delores Clack, Carolyn Slater and Carolyn Greenleaf.

## Girl Scouts Have Camp-Campus Event

More than 2300 Cadette Girl Scouts will participate in San Jacinto Girl Scout's annual Cadette Event on the Weekend of April 27.

San Jacinto Council has staged two events in one to accommodate the large number of girls who participate in this yearly event.

One group of 1500 girls and 200 adults will camp at Wolf Creek Park on Lake Livingston, April 26, 27, and 28th. The girls will attend craft workshops and may build rafts to be finished in time for the raft race on Saturday. Water front activities will include, in addition to the "raft regatta", canoe races, swimming and sandcastle contests. Girls and leaders will sleep in tents and do their own cooking over campfires.

The second group of 800 girls will meet at Houston Baptist University in Houston from 9 a.m. - 5 p.m. Here girls will model clothes they have designed or made, show their art work in a show, set up individual displays of hobbies, and attend workshops. The out-of-town Girl Scouts participating in this "Campus Event" will stay at the homes of

## Alpha Phi Alpha Spotlights

This month in the ALPHA'S spotlight are as follows: Bro. Perry Buster, Bro. Jacky Garrett, and Bro. Willie Waters of the ETA GAMMA chapter at Prairie View A&M University.

Bro. Perry Buster from Naples, Texas who is majoring in electrical engineering and classified as a junior. Bro. Buster was born under the zodiac sign virgo. Bro. Perry has already received a scholarship from Hercules Corporation for \$500 dollars per semester. He will work in the field of circuitry. He will be working in Magna, Utah, very close to Salt Lake City. Bro. Perry says: ALPHA PHI ALPHA "forever and a day."

Bro. Jacky Garrett better known as "Flaco," is from Center, Texas. Bro. Garrett was born under the zodiac sign Leo and classified as a junior majoring in biology. This semester again, he received another trophy for being on the Honor roll for three consecutive semesters. Bro. Garrett just became a member of ALPHA MU GAMMA foreign language national honor society. In the

Houston area girls Saturday night.

fall Bro. Garrett plans to join the Beta Beta Beta Biological Society and ALPHA KAPPA MU Honor Society. Bro. Jacky releases his energy with gymnastics as his favorite sport. Bro. Flaco says: ALPHA PHI ALPHA\* First of all black greeks."

Bro., Willie Waters, better known as "Gator" was on the fall line of 1973 and in spite of pledging was able to obtain a 4.0 average. Bro. Waters this semester became a member of PI MU EPSILON Mathematics Honor Society and ALPHA MU GAMMA foreign language national honor society. During the recent Honors Week, Bro., Waters received four trophies. He expressed that his greatest pride came from receiving the trophy for obtaining the highest average among male greeks. "I feel that ALPHA is a great ability to develop scholars and men of great versatility," expressed by Bro. Waters.

In essence, I conclude that "all great men are not ALPHAS but all ALPHAS are great men." Right on for the Brothers of the ETA GAMMA chapter.

### EXTRA! EXTRA! READ ALL ABOUT THEM

Recently, during Academic Achievement Week, twenty Sorors appeared on the President's Honor Roll. These Sorors received certificates, trophies, and numerous other awards; however, the Sorors can't claim all the glory: Seven (7) of the their Pyramids also claimed a place for themselves on the Honor Roll.

### HEADLINES

The highlight of Academic Achievement Week for the Deltas was the attainment of the Greek Scholarship Trophy in recognition for having the highest average among all

ing water and air pollution controls. He was involved in dialogues with the students and the staff.

Mr. Canada explained the relationship between the steel industry and the society. He elaborated on the role of the steel industry in improving the quality of living by implement-

Greek-letter organizations on the yard. Eta Beta is very elated since they also received last semester's trophy!!!

### HERE WE GROW AGAIN

## Physics Honor Society Established

On April 3, 1974, the University took another step towards the goal of academic excellence with the establishment of Sigma Pi Sigma Honor Society. This organization, which is nationwide, recognizes high scholastic achievement in Physics.

The event represented the culmination of an effort that began two years ago. At that time a petition was initiated for a chapter of the Society of Physics Students. The charter for this latter group was granted last May. Student Members of Sigma Pi Sigma are those members of the Society who have met the additional requirements of excellence in physics as determined by their grade point averages.

The initiation ceremonies were conducted by Dr. Leroy Humphries, a member of the Executive Council of Sigma Pi

Sigma. Dr. Humphries is a professor of physics at McMurry College in Abilene. Assisting Dr. Humphries was Dr. Cecil Shugart, the National President of Sigma Pi Sigma. Dr. Shugart is a professor and heads the Department at Northeast Louisiana State University. Other participants in the induction were Miss Karen Middlestadt, and Dr. C. K. Manka, Miss Middlestadt, a physics graduate student at Sam Houston State University, is Associate Zone Councillor for this particular geographical region. Dr. Manka is Head of Physics at Sam Houston State.

Graduate Members of the Charter group of the Prairie View Chapter are: Dr's. R. G. Thomas, I. Nelson, E. K. Jones, A. D. Stewart, R. N. S. Rao, and C. T. Stubblefield. Undergraduates initiated were Mr. Anthony Echols and Leodies Simmons.

## Let's just say we're talent scouts.

We're looking for talent to fly Navy. Men who are leaders, like LTJG Joe Mason of Champaign, Illinois. He's a Naval Flight Officer and he's got what it takes. The drive, the ability and the determination.

The Navy's Aviation Program is a solid opportunity for a college graduate to launch a career in aviation as either a Naval Aviator or Naval Flight Officer. Both are rugged and demanding, but worth it.

As a Naval Flight Officer (NFO), you and the pilot are a team in the aircraft. You'll be trained in navigation, aviation electronics and meteorology... just to name a few.

As a Naval Aviator, you are the pilot. This also requires vigorous military training, academic and physical conditioning. Your energies will be channeled towards flying jets, multi-engine aircraft or helicopters.

In either case, your function is vital to the management of men and aircraft. That's for real. So is the pay, the great lifestyle and the travel.

Mail this coupon for details on our aviation programs. Or see your local recruiter.

The opportunity is for real... and so are we. **NAVY**

# All Sports Banquet Set

The annual Prairie View All Sports Banquet will be held Tuesday, April 30, at 8 p.m. in Alumni Hall.

Joe Washington, Sr., head football coach at Port Arthur Lincoln will be the featured speaker. Washington, who is a

former Panther quarterback in the late 40's and early 50's, also was the Panther's featured speaker in 1971.

Awards will be given to the top individual athletes in football, basketball, baseball,

golf, track and tennis. The Dr. Ted Hunter Memorial Award, which is given to the Athlete of the Year, is the top individual award. Former Panther football star Talmadge Sharpe, Jr., won the initial award last year.

GROOVE PHI GROOVE — Members of the local chapter were host to the TSU chapter and together they decided to put on a "sidewalk show."

## Track Team Ready For Drake Relays

After an outstanding performance at the Pelican Relays last weekend, the Prairie View Panthers and Pantherettes are warming up for the Drake Relays this weekend.

After a so-so start coach Hoover Wright's Panthers have begun to put their act together.

Last week at the Pelican, the Panther foursome of Kenneth Taylor, Cornell Evans, Cleophus Sharpe and Ray Geter ran

a 7:29.1 in the two-mile relay, their best of the year. "These guys want to break the Drake Relays two-mile relay record (7:21.1) set by PV in 1970," said Wright.

The Panthers also showed improvement in the mile relay (3:08.7) and sprint medley (3:19.3).

The Pantherettes, led by Debra Sapenter, will go to Drake for the first time.

Debra ran the 220 for the first time ever at the Pelican and won with a 24.1, the nation's best this year. It was also a Pelican record. She also ran the nation's top time in the 440, 53.8, another meet record.

Pantherette freshman Andrea Bruce set a Pelican record with a 19-5/8 leap in the long jump.
