Annual Honors Week Begins Sunday

Prairie View A&M University announces the 19th Annual Honors Convocation and the First Annual Texas Conference of Honor Students scheduled at the University on Thursday, March 28.

The principal speaker for the occasion will be Dr. J. Don Boney, President of

Houston Community College. Academic Honors Week is being observed at Prairie View A&M on March 24-30.

The conference is scheduled to begin at 9:30 a.m. and will be held in the Health and Physical Education Building. The annual convocation is a tra-

ditional occasion paying tribute to honor students at Prairie View. A total of student were listed on the University Honor Roll for the first semester.

For the first time, the university is inviting high school and junior college honor students, sponsors, counselors, and other in-

terested persons to attend the Conference of Honor Students. The occasion will give honor students throughout the area an opportunity to come together to hear outstanding speakers and discuss matters of mutual concern.

Honor students are expected to include members

of Beta Clubs or national honor societies, merit

achievers and all others in specialized areas.

Photos of Candidates Inside

Vote On Features For Yearbook Set

The traditional student features of "Most Beautiful Girls", and campus "foxes" will be continued in the 1974 Pantherland and a new feature — "Most Together Dudes" has been added to the array of popular students.

Photographs of most of the candidates for these special categories are presented in this issue of the Panther. Voting by students will be scheduled next week. A total of ten (10) students will be selected in each category. The yearbook office is preparing a final ballot and voting booths will be set up

in the Memorial Center and in Alumni Hall.

Special color photos of the winners will be included in the 1974 yearbook and these same photos will be used in various other university publications.

The yearbook staff is working hard to complete collecting all photographs for the year. Campus organizations are being photographed daily, as well as campus queens. Other special features planned include: campus queens, Who's Who Among College Students, and other outstanding students in academics, athletics and student leadership.

Prairie View A&M University

VOLUME XLVIII, No. 14

Prairie View, Texas

MARCH 21, 1974

CHAMBER CHOIR — Popular university singing group is preparing for concert appearances ahead. Under the direction of Dr. Robert Henry, the choir and ensemble will present performances at the 1974 Winedale Festival scheduled on April 5-27 at

the University of Texas Winedale Inn properties near Round Top in Fayette County. The group is also completing plans for two concert tours (1) to New York and (2) to Nassau, Bahamas, Haiti, Santo Domingo and Jamaica.

Physics Dept. Receives Grant

Dr. Richard G. Thomas, Professor and Head, Department of Physics, reports that a proposal prepared by him and submitted by him to the National Science Foundation for funding, has been approved. As a result, Prairie View will receive a grant under that Agency's Instructional Improvement Implementation Program. Other institutions within the State approved for funding this year under the same program are Lamar, Rice, S.M.U., Texas A&M, and U-T, Austin.

The objective of the Program is to help schools below the college level to increase science literacy and training among their young students. This is to be done by the introduction and use of new curricula and materials that have been developed and recognized for use nationally.

The \$18,000 grant will be used to provide six weeks of intensive training for 20 carefully selected in-service high school teachers of physics. The curriculum that will be presented was originally known as Harvard Project Physics. This name stems from the fact that the edu-

See PHYSICS, Page 2

PV Gets NSF Training Grant

The National Science Foundation announced recently it has approved a total of \$193,718 in grants to six Texas universities to help improve the training of public school science and mathematics teachers.

Prairie View A&M University received a grant of \$18,000.

The money will be used to sponsor training projects during the summer of between two and eight weeks for elementary, junior high and senior high school teachers.

National Foreign Language Week Set March 31 - April 6

Alpha Mu Gamma (National Foreign Language Honor Society) plans to celebrate National Foreign Language Week at Prairie View with several activities. There will be two (2) public programs in the Memorial Ballroom. On Monday, April 1st, at 7:30 p.m. members of Alpha Mu Gamma will present three (3) skits; one in French, German and Spanish. There will also be poems and songs in the above three languages. On Thursday, April 4th, at 7:30 p.m. the program will consist of the awarding of certificates and pins to the new members of Alpha Mu Gamma and also to the Honorary members.

The guest speaker for the public program Thursday night will be Mr. Ted Hayes from the University

of Southwestern Louisiana in Lafayette, Louisiana. Mr. Hayes will speak on the following subjects: **The Third World and Creole Poets.**

The music Department will furnish vocal selections in French, Spanish and German at the public program on Thursday night.

Refreshments will be served at both public programs.

Everyone is cordially invited.

Mr. Hayes will also give seminar type lectures in all of the advanced foreign language classes on Friday, April 5th. The public is also invited to these lectures. Call the Foreign Language Dept. (Ext. 2322) for time and place of these classes.

Political Rally Set For Tonight At Newman Hall

A "Meet the Candidates Rally" is scheduled Thursday night at 7:00 p.m. at Newman Hall.

The special rally will feature gubernatorial candidate Frances "Sissy" Farenthold, and former PV A&M student leader Randolph Stripling, candidate for the Texas Legislature.

Also on the speakers slate are congressional candidate Larry Bales and local city, county and school district candidates for various offices.

Mrs. Farenthold ran for the governorship of Texas in 1972 and visited the Prairie View campus and community on that occasion. One of the "Dirty

30" in the 62nd Texas Legislature, she served in the House of Representatives in 1968-72.

Sissy Farenthold Candidate for Governor

VISITING ARTISTS — "Mandrill" concert group is pictured in action in photo above. "Father's Children" are shown performing below.

Both were on the same entertainment bill in the Field House Concert last week.

Physics Department Grant

CONTINUED from Page 1
cators who developed the materials assembled at Harvard University. Today, the curriculum is simply called Project Ph-

sics. It is the result of a massive effort to make the subject more interesting and challenging to high school students. To accomplish this goal, a variety

of educational approaches and media are employed. Practically all reports by users indicate that students are responding more favorably than in the past, and that interest in science in general, and in physics

in particular, has heightened.

The PV program will run from June 10 to July 19, 1974. Participants will, for example, analyze and critically discuss the various approaches and materials,

to determine to what extent they can profitably utilize the same or similar techniques in their own classroom situations. To assess their success at utilization, four additional Saturday meetings will be

held during the next academic year. In addition to Dr. Thomas, who will direct it, a full time instructor and laboratory assistant will also be associated with the summer program.

Women's Basketball Team Closes With Winning Season

Prairie View A&M University is sporting a new varsity for women this year. The Pantherettes, the women's varsity basketball team, are presently 10-2 on the season with only the district and state

Association for Intercollegiate Athletics for Women basketball tournaments left in the season.

The Pantherettes have played in two tournaments this year and played four single games — two on the road and two at home. During the first tournament the team played, they won first place by winning all of their four games. The following week-end the Pantherettes placed fourth in the upper bracket in the Annual Houston Women's Collegiate Basketball tournament, which is the largest basketball tournament for women in Texas with twenty-eight teams from Oklahoma, Texas, Louisiana, and Mississippi competing. On the road, the basketballers played and beat Texas A&M Univer-

sity and Texas Southern University. The girls are unbeaten at home this year winning against University of Houston and Texas A&M.

The team is coached by Rosanna Copeland with assistance from Margie Boler, a graduate student at Prairie View. Three students helping with the managers' duties are Rosa Balderas, Loretta Council, and Beverly Davis.

The Pantherettes traveled to Houston on March 15th, to participate in the District V Basketball tournament. If the team places either first or second in the tournament, they will represent their district in the state tournament at Tarleton State University in Stephenville, Texas, on March 29 and 30.

The basketball girls

supported all of their trips and expenses by selling candy and selling hot dogs during special events. There is no financial support offered to the team by the university and the girls will not be able to attend the state tournament unless funds are found. Contributions to the basketball team are welcomed and we feel well-deserved. If you would like to contribute you may send a check payable to the Prairie View A&M University's Women's Basketball Team and send to:

Rosanna Copeland —
Coach
Women's Physical Education

AROTC High School Field Day Set

The public is invited to attend the 30th Annual Army ROTC High School Field Day Competition on 5-6 April. These events will begin at 9:30 a.m. each day in the vicinity of the Memorial Student Center West Parking Lot.

Students from high schools throughout Texas will participate in drill and rifle competition. US Army airborne and rappelling demonstrations are slated for the afternoons along with static displays of helicopters, weapons, military vehicles, and various other items of equipment.

An old fashioned barbecue is planned during the noon hour of both days.

THE PRAIRIE VIEW PANTHER

Published Bi-Weekly in the Interest of a Greater Prairie View A and M University. The PANTHER serves as the voice of Pantherland.
