E AMONG OTHER THINGS -

- 1 Mr Buchanan has called attention to the fact that a few of our staff members have not paid their Community Chest obligations. We want to urge that payments in full be made this week. Less than 12 people have not paid to date. This is a fine record, but it will be finer when payments reach 100%.

- 2 Let us keep our lawns mowed regularly. Help keep the campus looking like a well-kept park.
- 3 All staff members for the regular session 1943-1944 will report for duty Monday morning, September 5, 1943.
- 4 Attached to this News Letter you will find the program of two significant activities of the Summer School, viz -

- 1 Educational Seminar - Professor from University of Texas
- 2 Vocational Agricultural and Homemaking Seminar - Representatives from A & M College and the State Department of Education. Dr L A Woods, State Department of Education, Austin, Texas, was guest speaker June 30, 1943.

F AND FINALLY -

"Consider: In the last year, 17 per cent more boys under 21 were arrested for assault than the year before, 26 per cent more for disorderly conduct, 30 per cent more for drunkenness, 10 per cent more for rape, And that despite the fact that many of this age group had already gone to war or were productively employed. For girls, the figures are even more startling: 39 per cent more for drunkenness, 64 per cent more for prostitution, 69 per cent more for disorderly conduct, 124 per cent more for vagrancy.

"And these were only the ones who were arrested - the advanced cases.

.....

"We are fighting a war to establish the Four Freedoms for the generation now coming to maturity. We had better make sure that they have the self-discipline to live in a free world."

- J Edgar Hoover -
FBI Chief

W R Banks
