Universal News

EVERY WEEK

The New Look is here again. During the recent Christmas recess what was the "Rec", after planning and hard work, became the "Panther Inn". The atmosphere existing there now is "collegiate" and following the many campuses of America is an atmosphere of Be-Bop which is with us for awhile. To Mr. Hall and all of his co-workers; just look at our smiling faces, and there you will see the appreciation beaming through for what you have done for us.

Are you making the best use of your time?  
Have you paid up all debts?
