PLEASE

If you have magazines, feature sections from newspapers from Sunday editions, or other reading material that will be enjoyable to Students in the Student Lounge of the Recreation Hall, please call telephone No. 88 and give us your name and we will come to your home and pick them up.

YOUR WEEK

The State of the University

The State of The University is the title of Chancellor Robert M Hutchins report of twenty years of his administration at the University of Chicago. There is per haps much that conventional educators would differ with Mr. Hutchins about, but in the main his educational tenets are as sound as the proverbial American dollar.

The report is a must for teachers of classes in administration, and makes good reading for any college professor or administrator.
