FOREWORD

The creation of a "Community of Scholars" is the primary aim of Prairie View A. and M. College. Thus, one week during each semester is set aside for the administration, faculty, and students to pause and reflect upon the major goals of the College . . . creative scholarship. Scholars should be aware that excellence is never granted to man, but is the reward of labor. The aim of education is to teach us **how** to think rather than **what** to think. In an academic environment, scholars must not grow stale, but must meet the challenge of today. They must present new ways of looking at life and enhance each other's creativity. If pride in scholarship is to be meaningful, then, all members of the Prairie View family must join hands in an effort towards fulfilling the major goal . . . creative scholarship.

ALMA MATER — "Dear Prairie View"

Dear Prairie View, our song to thee we raise,
In gratitude we sing our hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee.
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.

Words by O. Anderson Fuller
