PANTHERS DROP FT. HOOD IN PRACTICE GAME 21-6

The Panthers, defending champions of the Southwestern Athletic Conference and disputed runner-up for the national title, dropped a spirited but outclassed Ft. Hood eleven 21-6, Saturday, September 19, at Ft. Hood.

Johnny Champion, brilliant little broken-field artist and ex-SMU Mustang great was stopped and held scoreless by the Prairie View defense, and overshadowed by the running of the Panthers Jack Bellinger, John Payton and Curtis Barber.

Coach W. J. Nicks' charges scored first, midway the first period on a 36-yard sprint off right tackle by tri-captain Bellinger. The other Panther tallies came late in the third period on a six-yard line plunge by fullback John Payton, and a 22-yard run by halfback Curtis Barber. Charlie "Choo Choo" Brackins accounted for two extra point counts with his accurate toe,

while the other was made on a plunge by Payton.

The most spectacular play of the game was a first quarter pass from Ft. Hood quarterback Costello to Champion who lateraled the ball to teammate Painter for the lone Ft. Hood counter.

Outstanding for Ft. Hood were Champion and Costello, while the standouts for Prairie View were Bellinger, playing with a broken nose; Payton and Barber in the backfield; and Charles Wright, Elijah Childress and Charles Haywood in the line.

About P. V.-ites in The Armed Forces

... the meritorious service of Lt. McFadden reflects great credit on himself and the military service.'

Lt. James E. Petty, of Cameron, Texas, who graduated last May and was commissioned here at Prairie View A. & M. College, recently visited the campus after receiving a ten-weeks Basic Officers' Training Course at Ft. Benning, Ga.

"The course is rather rigid; however, I wish to point out that our ROTC Cadets here at Prairie View, need all the courses that the college offers, particularly in Psychology," stated Lt. Petty.

He continued, "I found that we, as officers, are expected to know a great deal about people—how they act under pressure; what they talk about during leisure hours; what makes them resort to the use of alcohol—and although we know that we cannot understand much of people's behavior, it is important that the individual soldier's thinking and acting be interpreted correctly. I feel that the courses here at Prairie View can help us to become better officers if we take advantage of what is taught in our classes."

Following his fifteen-day leave, Lt. Petty will be stationed at Camp Polk, Louisiana.

BISHOP COLLEGE TO BE FIRST CONFERENCE FOE

The Bishop College Tigers of Marshall, victims of a 58-0 humiliating defeat last season by Prairie View, invade Pantherland Saturday, October 3rd to reap vengeance and open the 1953-54 SAC race for Prairie View.

In the initial defense of their conference crown the Panthers are strongly favored to take the Tigers in stride in spite of the apparent Bishop determination to avenge last season's one-sided defeat.

The Tigers, however, are not to be regarded lightly. They are expected to field a highly improved eleven. The blue and white is under the direction of newly appointed head coach Vincent Gaines and sport Floyd Calloway and Irie Turner, two fleetly backs of Texarkana, with some choice Freshmen prospects and could easily turn the opener into an upset.

In spite of the loss of standouts John Freeman, Vance Heard and Jack Price along with stalwart Richard Lewis and the freely flowing tears and pessimistic attitude

Hints to Hunters

COLLEGE STATION, Texas (Special) — One moment, Nimrod! Do you know what you are hunting? Have you learned as much as you can about the habits of the animal you're planning to shoot?

Thousands of optimistic young hunters will take to the woods November 16, and afterward, in search of the thrill that comes with their first big-game kill without even knowing the size or appearance of the quarry they seek.

Most young hunters have an idea that the deer they want to shoot is tall and red and has a sort of hat-rack of horn on the front end—and that's all they know about it.

Actually, the two kinds of deer in Texas—whitetail and blacktail—don't get much more than half as tall as most new hunters imagine them. And while there is some red in the coat, it isn't the kind of red which will stand out against a convenient green tree. Rather, it closely parallels the color of a fox squirrel and is not at all easy to see in the brush.

Dr. W. B. Davis of the Wildlife Management Department at Texas A. & M. College says there are several other basic facts about Texas deer which should stand the beginning hunter in good stead.

Deer are habit-prone, just as people are, he says. Unless he is very much disturbed, the average buck uses the same bedding ground night after night, and feeds and drinks at the same places.

The hunter who will spot his buck in advance, then watch him to study his feeding grounds and habit patterns, stands a good chance of making his kill without effort when the season opens, Dr. Davis said.

If there is good browsing—deer

of head coach Billy Nicks, the Panthers are also strong odds to top the conference again this year. Such returning lettermen as Moor-ing, Childress, Robinson, Wright, and Haywood in the line, and Price, Clark, Barber, Roberts, and Payton in the backfield, with freshman prospects Tibbs and Price, loom as fine potentials to supplement the losses. The Jaugars of Southern University stand as the largest block in the Panthers path, with a whopping twenty-three returning lettermen.

All in all, Blackshear Field here at Prairie View is the place, October 3rd is the day and Bishop the foe that begins it all . . . then time, luck, determination, sweat and know how will determine the end.

BIOLOGY INSTRUCTOR ENTERS MEDICAL SCHOOL

Mr. Willie Mitchell, a member of the instructional staff of the School of Arts and Sciences, Division of Biology, 1951-1953, has been admitted to the University of Texas Medical School, Galveston.

During the summers of 1952 and 1953, Mr. Mitchell did advanced study in Physiology at the University of Texas, Austin.

"My sojourn as a member of the Biology Department, here, has been a profitable one for me," stated Mr. Mitchell. "I sincerely hope that I was able to make some contribution of value to the students whom I taught while I was a member of the staff. The fact that the student nurses, whom I had the privilege to teach last year, placed highest on the National Science Tests (Physiology category), is one of the most rewarding experiences I have had," concluded Mr. Mitchell.

Departure of Mr. Mitchell from the Medical School was made on September 10.

are browsers more than grazers, he says—and good water available, along with a bedding-place on a small knoll or rise of ground, the legal buck probably won't range off a tract approximately the size of a 40-acre field.

He does his feeding shortly before until about an hour after daylight, and from a short while before sundown until a little while after dark. Generally speaking, he gets his drink in the morning—just about at the break of day, and again late in the evening.

When the sun gets up and the day's heat starts to climb, the deer bed down in a thicket or some other protected place.

"Obey the game laws wherever you hunt," Dr. Davis says. "Be sure you're aiming at a legal buck before you pull the trigger. "One other thing," he added, "—if it walks on two legs it isn't a buck deer—don't shoot it!"

Orientation Theme Is One of Realism

Centered around the theme, "The Role of the Faculty in Developing An Effective College Program," the Fifteenth Annual Faculty Orientation Conference at Prairie View A. & M. College, convened September 9 through 12. "The theme suggested a realistic approach to the discussion of and planning for ways by which the faculty of the college could help to define and improve the program of the College," stated one faculty member.

In extending "Welcome and Greetings to the Conference," President E. B. Evans stated, "The College program can be no more effective than the faculty and administrative personnel make it. We have a big responsibility, here, and it is one that I feel certain we can fulfill."

Dr. Otto R. Nielsen, Dean of School of Education, Texas Christian University, at Fort Worth, Texas, in delivering the keynote address at the opening general session of the Conference, stated, "Education is America's greatest experiment. In the educational drama in which we participate, we need to recognize the uniqueness of our responsibility to our culture—that of building 170 million people into responsible citizens."

Continued Dr. Nielsen, "The objectives of our American colleges are to develop in young Americans: the ability to think clearly and independently; to establish the habit of self-education; to cultivate the fine art of living together; to select and prepare for special vocations; and to assume responsibility."

Dr. George D. Bond, Professor of English at Southern Methodist University, Dallas, Texas, addressed the third general session of the Conference on the topic, "The Faculty Member's Role in the Student Personnel Program."

In the fourth and concluding general session of the Faculty Orientation Conference, a panel was presented composed of Dr. J. L. Brown, Head, Department of Economics, Chairman; Miss Anne L. Campbell, Head, English Department; Dr. E. M. Norris, Resident Teacher-Trainer in Vocational Agriculture; Dr. J. D. Singletary, Head, Department of Education; and the Reverend L. C. Phillip, College Minister. The panel discussed the topic, "The Faculty Member's Role As a Person in the Improvement of the College Program."

NEAR 1000 FRESHMEN ALONE ENROLL HERE

According to figures released from official headquarters, the enrollment of 2,620 students is the largest recorded in the history of Prairie View A. & M. College during its 76 years of existence. "It is gratifying to know that the alumni, friends, and well-wishers of Prairie View become increasingly interested in seeing to it that the Prairie View family grows larger and larger. The increasing enrollment of the institution from year to year is testimony of the pride, faith, and staunch support which the citizens of Texas—and other states—have and give to the in-

stitution," stated President E. B. Evans.

The 847 freshmen students in the freshmen class of 1953-54 dominate all other classes in terms of number.

Board of Directors Visit Prairie View

Members of the Board of Directors of the Texas A. & M. College System visited the Prairie View A. & M. College campus, Friday, September 25th.

Members of the Board of Directors are: Mr. G. R. White, president; Mr. E. W. Harrison; Mr. A. E. Cudlipp; Mr. H. L. Winfield; Mr. J. W. Witherspoon; Mr. Robert Allen; Mr. W. T. Doherty; Mr. Harold Dunn; and Mr. Jack Finney.

The Board of Directors supervise all colleges, agencies and services in the Texas Agricultural and Mechanical College System, including: The Agricultural and Mechanical College of Texas; Arlington State College; Tarleton State College; Prairie View A. & M. College; The Texas Agricultural Experiment Station; Texas Agricultural Extension Service; Texas Forest Service; Texas Engineering Experiment Station; and the Texas Engineering Extension Service.

Members of the Board included in their visitations the E. B. Evans Animal Industries Building, the Engineering Building, the Household Arts Building, the newly completed Poultry Plant, and inspected the new herd of cattle recently added to the scientific laboratories of the School of Agriculture.

Instructors Revert to Use of Vernacular

As the near 3000 students began registration at the college, September 14-23, instructors relied on cliches, and student-vernacular to express their feelings. Such expressions as "Beat to my socks"; "Dead on my feet"; "Completely pooped" and "All washed out" were uttered at the close of registration each day.

Personnel in the office of the registrar worked overtime to process records and expedite registration clearances for the many students who had to pass through the initial registration headquarters in the administration building.

T. E. A. Sponsors Annual Homemaking Teachers Conference

Approximately 200 teachers were in attendance at the annual State In-service Education Conference for Homemaking Teachers, sponsored by the Texas Education Agency, Office of Vocational Services, Home and Family Life Education, at Prairie View A. & M. College, August 17-21.

Conference consultants on the theme, "Focusing the Homemaking Education Curriculum on the Whole Family," were: Dr. Esther McGinnis, Child Development and Family Relations, School of Home Economics, Ohio State University, Columbus, Ohio; Dr. Bernice Malloy, Assistant Chief, Home Economics Education Branch, Department of Health, Education and Welfare, Washington, D. C. (in cooperation with Hogg Foundation for Mental Hygiene, University of Texas, Austin; Mrs. Maurine McNall, Consultant, Home and Family Life Education, Waco; and Mr. M.

JOINS POLITICAL SCIENCE STAFF

Mrs. Georgia Bell Levy, young political scientist, joins the faculty at Prairie View College after concluding a profitable year studying political science at the University of Copenhagen, Denmark, under the sponsorship of the Fullbright Act. In addition to studying international economics and political science at the Graduate School in Copenhagen, she did special research in both Denmark and Sweden on regional cooperative trends.

Mrs. Levy received the B. A. degree in government from Samuel

Huston College; M.A. degree in the same field from Boston University; studied law at the University of Michigan Law School; and did special work at the College of the Pacific, Stockton, California.

Korean Veterans Enroll at P. V.

According to Mr. J. P. Brown, Veterans' Counselor of the College, approximately 130 veterans of the war have enrolled, and continue to enroll in the institution. "The young men seem to have their feet on the ground," and their outlook on life seems to be cheerful and purposeful," states Mr. Brown regarding the veteran-students.

The present enrollment of the veterans, who represent the several branches of the Armed Forces, is an eighty-five percent increase over 1952-53 ex-servicemen who experienced duty in the Far East.

Assistant Registrar Awarded Fellowship

A fellowship of \$500 has been awarded Mr. Lemmon C. McMillan, assistant registrar of the college, according to Dr. Milton S. J. Wright, Director of Educational Activities, Alpha Phi Alpha Fraternity, Inc.

Mr. McMillan has served as assistant registrar of the college for the past seven years. He received his Bachelor and Master of Arts degrees from this institution, and studied during the summers of 1952 and 1953 at the University of Texas, Austin. Mr. McMillan will continue his study at the University of Texas in the area of Economics for the 1953-54 session.

Mrs. Jimmie Dykes Fields will serve as assistant registrar of the College during the absence of Mr. McMillan.

ALUMNUS OF P. V. ON NATIONAL BOARD OF YMCA

The Reverend Lincoln Maynard Catchings, former PV-ite, and a native of Houston, has been appointed as Associate Secretary for Interracial and Intercultural Relations on the Student Services Staff of the National Board of the Y. M. C. A.

After graduating from Prairie View and a short period of teaching, Mr. Catchings received the B.D. and M.A. degrees at Howard University in Washington, D. C. He did further work in the sociology of religion at the University of Chicago. In 1947, Mr. Catchings began his pastorate of the Plymouth Congregational Church in Washington, D. C., where he has served until assuming his position with the National Board of the YMCA. Mr. Catchings has been active in several denominational and interdenominational councils and committees. In the summer of 1950 he served as Associate Director of the Christian International Work Camp in Chambon, France.

Mrs. Catchings, the former Rose Mae Withers, has been a National Secretary of the Student YWCA and was Associate Director of the Department of Social Welfare of the Washington Federation of Churches. Mr. and Mrs. Catchings and their seven year old son, Lincoln Maynard, Jr., will make their home in or near New York City.

Nurses Receive Appointments

Misses Emma Banks, Iantha Mae Cuerington, Edith Gipson and Maggie B. Williams, all of whom received their diploma in Nursing Education during the August Commencement exercises at this institution, have accepted positions at the Veterans Hospital, Temple, Texas. Their appointments become effective during the current month.

Saturday Classes Scheduled for In-Service Teachers

According to Dr. J. L. Brown, Director of Extramural Services, in-service teachers will be able to enroll in classes to be held on Saturdays during the 1953-54 school session. "These classes are designed to afford in-service teachers an opportunity for professional development as well as to provide a convenient way to earn resident credit on the graduate level leading to the Master's degree," states the Director. A large enrollment is expected for classes beginning September 19.

Students may enroll in one course and receive three semester hours credit in the field of elementary education, school administration or school supervision.

Late registration will be held through September 26 in the Extension Office, Room 209, Administration building.

A. Browning, Assistant Commissioner, Vocational Services, Austin.

Speakers for the first general session of the Conference included President E. B. Evans, who extended "Greetings" to the conference membership; Dr. Esther McGinnis, who spoke on "Family Centered Programs in Home Living"; and Mr. M. A. Browning, whose subject was "Texas Education Agency Policies Affecting Vocational Agriculture and Family Centered Homemaking Programs."

The second and third general sessions of the conference were devoted to discussions and addresses centered around conference plans, family centered experiences in various communities, highlights of the American Home Economics Association Conference, and good work sessions.

The fourth general session during which Mrs. Alta Mae Thompkins, homemaking teacher at Cold Springs, Texas, presided, presented Mrs. Grace Martin, State Coordinator of Women's Activities in Civil Defense, College Station, who introduced Miss Mattie Treadwell, Regional Coordinator of Women in Civil Defense, Dallas. Miss Treadwell spoke on "The Family Plan for Security."

The fifth general session of the conference was devoted to the "Conference Evaluation and Plan for Action" in which consultants McGinnis, Mallory, and McNall set forth important aspects of the homemaking teachers' programs.

Provision was made for various interest groups, area meetings, and area council meetings to be held. Each of these group meetings afforded the in-service teachers and opportunity to present their problems, and to discuss remedies which might prove helpful to them in relieving their difficulties.

Members of the conference planning committee were: Mrs. Lois Pendergraff, Prairie View; Miss Hattie Lee Hodge, Austin; Mrs. Mabel Baxter, Wills Point; Mrs. Versa Reese, Houston; Mrs. Jessie Rice, Dallas; and Mrs. Eva Hodge, Denton.

Staff consultants for the planning committee were: Miss Ruth Huey, Austin; Miss Lenora Walters, Houston; Miss Margaret Scholl, Austin; Mrs. Mary Healey, Crockett; Mrs. Willie Lee Glass, Tyler; and Mrs. Ruth Payne, Navasota.

"Miss B" Becomes "Mrs. B"

The former Miss Lenora Y. Benson, a member of the W. R. Banks Library staff, Circulation Department, become the bride of Mr. John Wayne Brackshear, a native of Caldwell, Texas on August 30.

Mr. and Mrs. Brackshear currently designate Houston, "home."

ROTC Cadets Return From Summer Camp

A group of ninety-four ROTC cadets from Prairie View A.&M. College attended summer camp at Fort Benning, Georgia, for a period of six weeks. Members of the cadet group, which included nine distinguished military students, state that the "experience was very beneficial, in spite of the heat. We feel that we will make better cadets this school term as a result of the training that we received during last June and July."

The rigid military training which the cadets received was given to prepare them for commissions as Second Lieutenants in the Army at the close of the 1953-54 school term.

ABOUT PRAIRIE VIEW-ITES IN THE ARMED FORCES

Capt. Alceste M. Drisdale, who received her B.S. degree from Prairie View, is taking an integral part in carrying on the memorable tradition of "women in war."

Capt. Drisdale is a flight nurse with the U. S. Air Force Nurses Corps, and has flown more missions into Korea than any nurse in the Korean War or during the ten years the 801st Medical Evacuation Squadron (in which she serves) has been in the Far East.

Capt. Drisdale, after two years and three months' of active duty, has experienced more than 807 hours of actual flying time in her more than 129 missions into Korea.

Upon her recent visit to the campus, Capt. Drisdale stated that she was "anxiously awaiting her transportation orders to the States, and new duty station assignment at Laredo Air Force Base, Texas."

She is the daughter of Mr. and Mrs. Willie L. Drisdale of West Point, Texas, and received her

DIRECTOR OF OFFICE OF INFORMATION TAKES LEAVE FOR ONE YEAR

Mr. Curtis A. Wood, who has been the Director of the College Information Office for the last four years, has enrolled at Columbia Teacher's College, New York, for a year of study during the 1953-54 school term.

Mr. Wood is doing advanced study in the field of Community Services.

During the absence of Mr. Wood, Aaron C. Alexander has been designated as the Acting Director of the Office of Information for the College.

To Head Business Administration and Business Education Department

Dr. A. S. Arnold will head the newly created Department of Business Administration and Business Education. Dr. Arnold, previously a member of the faculty at Fisk University and Tennessee A. & I. State University, is a native of Lexington, Kentucky.

Holding the Bachelor of Science degree in Business Administration from West Virginia State College, the Master of Business Administration, and the Doctor of Philosophy degrees from the University of Wisconsin, Dr. Arnold specialized in the fields of Finance, Insurance and Law.

Dr. J. L. Brown, Director of Extramural Services and former Head of the Department of Economics and Business Administration, will continue to serve as Head of the Department of Economics and Social Science.

Dean of Men Talks To Veterans' Club

(Continued from Page 1)

the Administration Auditorium, the Dean of Men of Prairie View, Mr. H. E. Fuller, was presented to the membership by the president of the organization, Lestee Ceasar.

In speaking to the organization Dean Fuller paraphrased from one quotation which he admired, and said, "First, I am a human being; second, I am a civilized human being; third, I am a man; fourth, I am an American citizen; and fifth, only incidentally, am I a veteran—this is the way I hope you feel as a student enrolled at this institution."

Framing the core of his address around a request, Dean Fuller asked the cooperation of the members of the organization in making of the campus, an atmosphere which has typified the college spirit of Prairie View for the past seventy-six years. "Since you've had more experience than many of our other students; since you've had more freedoms than many other student; since your experience (as veterans) has disciplined you to law and order . . . with a background like that, a 'whole lot' is expected of you," continued the Dean. "Therefore, my request is that you help us to help our college, Prairie View, to become one of the best in the nation," concluded Dean Fuller.

Following the Dean's talk with the members of the Veterans' Club, Mr. J. P. Brown, Veteran Counselor of the College, and the sponsors of the club, Messrs. Samuel W. Davis and Aaron C. Alexander, were presented to the organization in the order named.

We try to emphasize the positive: if I weep I don't tell.
