COMMENCEMENT CONVOCATION

HEALTH AND PHYSICAL EDUCATION BUILDING  
SUNDAY MORNING, MAY THIRD  
NINETEEN HUNDRED AND EIGHTY-ONE  
TEN-THIRTY O'CLOCK

## THE COMMENCEMENT PROCESSION

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance.

The most common head-piece (or cap) for the ceremony is the black, square, flat-topped, or "mortar board" type with gold or black tassel. It is called a "mortar board" because it is shaped like the board of the mason which holds the mortar. Recently we are seeing large velvet Tam-O-Shanter styles of head pieces replacing the mortar board. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The tassel on the doctor's cap is usually gold, and permanently fastened on the left side. The master's cap has a black tassel worn on the left. The bachelor's cap has a black tassel worn on the right prior to graduation, then moved to the left during the ceremony.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university which awarded the degree. The color of the outside rim of the hood symbolizes one of the following departments of learning.

Agriculture .....	Maise	Medicine .....	Green
Arts, Letters, Humanities .....	White	Music .....	Pink
Commerce Accountancy, Business.....	Drab	Nursing .....	Apricot
Dentistry .....	Lilac	Oratory (Speech) .....	Silver Gray
Economics .....	Copper	Pharmacy .....	Olive Green
Education .....	Light Blue	Philosophy .....	Dark Blue
Engineering .....	Orange	Physical Education.....	Sage Green
Fine Arts, including Architecture.....	Brown	Public Administration, including	
Forestry .....	Russet	Foreign Service .....	Peacock Blue
Geography.....	Blue and Green	Public Health.....	Salmon Pink
Home Economics .....	Golden Yellow	Science .....	Golden Yellow
Journalism .....	Crimson	Social Work .....	Citron
Industrial Education .....	Light Blue	Technology .....	Golden Yellow
Law .....	Purple	Theology .....	Scarlet
Library Science .....	Lemon	Veterinary Science .....	Gray

The gown is usually black. The traditional doctor's gown has velvet panels down the front and three velvet bars on the regular sleeves. The master's gown has no velvet, but does have unusually long sleeves. The bachelor's gown is similar to the master's but has regular length sleeves which tend to be pointed.

Some gowns may be in the color of the department granting the degree, such as "Education Blue." Others may be "Yale Blue" or "Harvard Crimson" for graduates of these universities.

# GIFT TO THE UNIVERSITY FROM THE CLASS OF 1981

The Class of 1981 is indeed proud to continue the tradition established by previous senior classes—that of leaving a permanent reminder of their love and esteem for Prairie View A&M University. The gift from the Class of 1981 is a cash contribution.

—THE CLASS OF 1981

## GIFT FROM THE GASTON O. SANDERS, SR, FAMILY

The late Gaston O. Sanders, Sr., served as professor in the Department of Languages at Prairie View A&M College from 1903-1907 and again from 1914 to 1930. He was then employed by the Houston Independent School District and Houston College for Negroes until his retirement.

The Gaston O. Sanders, Sr., Family returned to Prairie View A&M University for a family reunion during the Easter Season, April 17-20, 1981. During the reunion, a banquet was held on April 18, 1981, and the family presented a gift bell to Prairie View A&M University as a memorial to their parents. The bell is a replica of the Liberty Bell.

The original Liberty Bell was made in England in the eighteenth century, and arrived in Philadelphia in 1752. In 1751, the Province of Pennsylvania had a policy of individual freedom that much influenced the other colonies. It was fitting that when the Assembly of the Province decided to order a bell, they insisted that on the bell's shoulder be inscribed the biblical phrase from Leviticus XXV:10 "Proclaim liberty throughout all the land unto all the inhabitants thereof." The bell was to commemorate the 50th Anniversary of William Penn's Charter of Privileges which ensured freedom for all citizens of the Province. It cracked the first time it was rung in America. It was then recast by two ingenious foundry men. In 1835 it cracked permanently. The original bell was cast by the Whitechapel Foundry at London, England.

For over two hundred years the bell hung in the state House Tower and was rung on special occasions.

- On April 25, 1775 when news of the Battle of Lexington was received.
- On July 8, 1776 to summon patriots for the first public reading of the formal Declaration of Independence.
- On October 19, 1781 to proclaim the surrender of Cornwallis at Yorktown.
- On D-Day in 1944 when the muffled sound was broadcast over network radio.
- On July 4, 1976 at Noon time during the celebration of America's Bicentennial Day.

In the spring of 1976, in friendly recognition of America's 200 years of Independence, the people of Great Britain sent a birthday gift to the people of the United States a new bell weighing 12,500 pounds inscribed with the words "Let Freedom Ring." On July 6, 1976 the new bell was officially dedicated by Queen Elizabeth II of Great Britain and now hangs in the Visitors Center at Independence National Historic Park, and is rung every day at 11:00 A.M. and 3:00 P.M. The gift bell was also cast by the Whitechapel Bell Foundry.

The gift bell presented by the Gaston O. Sanders, Sr., Family is a scaled down Commemorative Liberty Bell Replica. The one-fifth scale Liberty Bell Replica weighs approximately 20 pounds and stands 15 1/2 inches high on a plinth of hand-carved Oak grown in Windsor Forest. A special, hand-engraved Silver backplate, made of Old England Sterling Silver, bearing the owner's name and personal inscription, is attached for engraving. The Master Founder's plaque, also of Sterling Silver, is mounted on the front side of the plinth and bears the words "Cast by the Whitechapel Bell Foundry, London, to the Original Design of the Liberty Bell Cast by Them on the Same Site in the Year of Our Lord 1752."
