About the P. V. Panthers

Bishop College Is First Foe

The Bishop College Tigers will be the P. V. Panthers’ foe in their initial Southwest Conference football opener in Marshall, Texas, Saturday, October 2, at 2:00 P.M.

The Tigers suffered a humiliating 40-19 defeat at the hands of the “Champs” in 1953, and it is expected that “vengeance will be mine” is the cry of the Tigers as they await the Panthers’ arrival.

In the defense of their conference crown and national crown as well, the Panthers are strongly favored to take the Tigers in stride in spite of the apparent Bishop designation to ascend past last year’s triumphs.

The blue and white of the Tigers may not be regarded lightly, however. It is expected that the opponents will field a highly improved eleven.

The loss of nine lettermen at the close of last year’s successful season, will be felt possibly by the P. V. gridders. Such men as Ed Roberts, back; Billy Howard, end; Leonard Robinson, tackle; Jack Bellingham, end; Curtis Baker, fullback; and Bill Wynn, center, are difficult to replace. But, it is a comfort to know that All-American end, Charles Haywood, All-American tackle, Eliah Childers; Harry Wright, end; John Eubanks, tackle; Tom Franklin, guard; Willie Range, tackle; and Olen Mooring, end, will be on hand to "take over the work of the departed men." The Panther eleven includes those men who are "stalwarts" in their own right and fitly deserve the All-American honors they received last season.

One thing the P. V. eleven promises to be on hand to "take over the work of the departed men." The Panther eleven includes those men who are "stalwarts" in their own right and fitly deserve the All-American honors they received last season.

Many Panther hopes are resting on All-American Charlie Bradshaw; quarterback; William Clark, halfback; Johnny Price, fullback; and having back the services of two guards, Olen Mooring, center, and John Eubanks, tackle. In all, it is expected that the Panthers will field a team that is a "stalwart" in his own right and completely equipped to guide his team to victory.

The professional cheer of tired students in every arena to one more for the sake of incentive system.

**During the Summer**

The 44th Summer School session started on August 25, and more than 2500 people from all sorts of cultural backgrounds learned in a variety of workshops and classes which were offered by the various schools, colleges, and divisions of the college. The elementary education and extension classes were offered by the Workshop at Texas College, Tyler, and all the various schools, divisions, and departments were represented by the Cooperative Extension Service of the State. The Elementary Education and Cooperative Community Education Workshop in Tyler offered many workshops and classes which were attended by more than two thousand students who participated in the various workshops and classes which were offered by the various schools, colleges, and divisions of the college. The elementary education and extension classes were offered by the Workshop at Texas College, Tyler, and all the various schools, divisions, and departments were represented by the Cooperative Extension Service of the State.

**The Prairie View Standard**

**Homecoming**

The Prairie View Standard was published weekly during the school year. The issue for September 29, 1954, includes a report on the Homecoming event on November 6, 1954.

**Members Awarded Scholarships**

The Scholarship Committee at Prairie View, recently announced that more than 140 State Tuition Scholarships had been awarded to funding graduates of State accredited high schools. In addition, more than a dozen of other students were awarded special scholarships. The students were selected on the basis of their academic records and character. The impression among gift-bearing donors was that more than 140 State Tuition Scholarships had been awarded to funding graduates of State accredited high schools.
