Mr. D. J. B...
D. CONGRATULATIONS -

We wish to congratulate Dr. E. E. O'Banion for the coming appearance of his article in The Journal of Chemical Education. Creative scholarship is always good.

E. PROGRESS -

The Texas Legislature has just appropriated \$350,000 for the new Administration Building and equipment. We are in hopes that this will more than replace the loss of Old Academic sustained recently.

F. REGRETS -

We all sincerely regret the passing of our friend and splendid colleague Mr. R. W. Rayford, Sr. We shall miss his warm friendship and efficient manner very much.

G. RELIEF -

For your information and guidance, we wish to advise that monthly Workers' Meetings will be discontinued during the summer months.

Fully discharging our duties during long, warm, summer days is sufficient justification for this action.

I am

Very truly yours,

E. B. Evans
Principal
