E. GIRLS' DORMITORY --

We are pleased to announce that at the last session of the Board of Directors of the A. and M. College System, the "green light" was given for erection of a new Girls' Dormitory at Prairie View at a cost of \$350,000. The building will be of brick, stone, cement and steel - - completely fireproof and will contain all of the modern conveniences. This dormitory will have a capacity for accomodating 210 girls, in addition to offices, service and guest rooms.

F. ENGINEERING BUILDING --

The Board of Directors, at its recent meeting, authorized a drawing of plans for the erection of an Agricultural Engineering Building which will cost \$350,000. The building will be located in the area of the present Farm Shop and will contain offices, laboratories, and class and lecture rooms for all of the programs of Agricultural Activities of the College.

G. COMMUNITY CHEST --

We are gratified to note that a great many employees have paid their Community Chest obligations since May 1. A list of all those who have not paid has been furnished the Directors of the Divisions at the College for the purpose of alerting those who have not paid.

H. CONGRATULATIONS!

Congratulations are extended to Captain and Mrs. M. W. Vails on the birth of a daughter, Wanda. Both mother and daughter are doing fine.

- I. In the December issue of the American Magazine, Dr. Charles C. Spaulding, President of the North Carolina Mutual Life Insurance Company, Durham, North Carolina, wrote an article entitled "What America Means to Me." This was a remarkable, as well as an illuminating article. It was closed with these challenging words --

"I have travelled through 15 European Countries and I am convinced that there is no place on this globe where people, whatever their background, can make such progress as right here in America, provided they demonstrate ABILITY, CHARACTER and IMAGINATION".

I am

Very truly yours,

E. B. Evans, President
