B. THE PANTHERS

Congratulations are in order to the football men and coaching staff for the very fine record in the games played to date.

- | | |
|----------------------|------------------------|
| 1. Panthers ----- 64 | Samuel Huston ----- 0 |
| 2. Panthers ----- 72 | Bishop College ----- 0 |
| 3. Panthers ----- 38 | Wiley College ----- 0 |
| 4. Panthers ----- 20 | Arkansas State ----- 6 |

Although this impressive record represents the usual annual victories in the past few years, it is unusual in the fact that the Panthers have scored a total of 194 points in the four games against the Opponents 6.

ON TO FURTHER VICTORIES, PANTHERS

C. AMERICAN EDUCATION WEEK

A faculty committee has developed a very interesting and comprehensive program of activities in connection with the observance of American Education Week on November 11-17. Chapel exercises are scheduled for November 11 and 15, and several exhibits and displays will be staged in the Library and Education Building. Members of the department of Education will play an important role in these observance activities.

D. NATIONAL BOOK WEEK

The college library will lead in an observance of National Book Week scheduled also during the period November 11-17. Displays in show windows over the campus and a radio program are planned, and book list bookmarks will be furnished to faculty and students. Members of the faculty are asked to remind their students of this important national observance.

E. HOME COMING

One of our most important occasions of the school year, Homecoming, will be held here on November 17. Activities in connection with Homecoming day will begin Friday November 16 and continue through Sunday.

A great number of friends and Ex-students of Prairie View will visit the campus on this occasion. It should be kept in mind that we are the host for this important event, and it is our desire that each staff member do everything to make these visitors feel at "home".

Colorful and elaborate floats will be sponsored by several organizations, and the program of activities promises to be the very best. The Panthers will engage the Langston Lions in the afternoon affray on Blackshear Field.

It is our hope that every loyal employee of the institution will arrange to witness this Homecoming game. Since everyone cannot play on the team, we can give our moral support by attending the game.

F. STATE TEACHERS' ASSOCIATION

The annual meeting of the Colored Teachers Association of Texas will convene in Beaumont, Texas November 22-24. It has been the practice of the institution, through the years, to grant permission to any enrolled member of the Association to attend these annual sessions. This custom will be observed this year. Staff members are urged to pay their dues of \$2.50 to Professor George W. (Chief) Reeves, who is the official association representative on the campus.

G. THANKSGIVING HOLIDAY

The college will observe the Thanksgiving Holiday with appropriate services for the student body and staff. Further announcements of these activities will be made in the near future.

H. UNIVERSITY CHRISTIAN MISSION

The college is fortunate this year in having the University Christian Mission to stage one of its major conferences on our campus. Scheduled for December 2-6, the program will have several eminent speakers, including Dr. Lewis L. Stoner, National Director of the University Christian Mission, New York, N. Y.; Dr. Melvin Watson, Morehouse College; Mrs. Rose Page Welch, Chicago, Illinois; Dr. Martin Harvey, Southern University; and Dr. Joseph J. Copeland, Pastor, First Presbyterian Church, Denton, Texas.

Dr. J. L. Brown, Reverend L. C. Phillip and a committee in charge of arrangements recommend this to be one of the outstanding occasions of any year.

I. STATE FAIR OF TEXAS

An expression of thanks is due to all who contributed in making Prairie View's part in the annual State Fair of Texas activities a success.

As a result of our participation in the Achievement Day programs, Prairie View has been awarded a prize for one of the best appearing bands and one of the best appearing organizations (the R. O. T. C. Drill Squad).

Other representations were all very commendable.

J. COMMUNITY CHEST

It is important that we begin now to retire our Community Chest obligations. The Directors and Heads of Departments will be bringing this matter to the attention of the staff members soon, with the hope that the response will be 100%.

K. CHRISTMAS BRIGHTEN-UP CAMPAIGN

The Prairie View Garden Club will again sponsor their annual Brighten-Up Campaign for the Christmas holidays. Mrs. N. A. Jones is general chairman for this activity which includes an all-out drive to make the campus attractive for the holiday season. The campaign is divided into three divisions: (1) Public Buildings, Mrs. N. A. Jones, Chairman; (2) Dormitories, Mrs. O. J. Thomas, Chairman; and (3) Residences, Mrs. R. von Charlton, Chairman.

L. WELCOME AND CONGRATULATIONS

The Newsletter wishes to congratulate the following staff members and welcome the new members to the Prairie View Family:

1. Mr. and Mrs. Grant S. Gray - daughter, Grantetta, born July 7, 1951.
2. Mr. and Mrs. W. H. Stickney - daughter, Roberta Kathleen, born October 18, 1951.

M. PUBLIC RELATIONS START IN YOUR CLASSROOM

Most parents and the general public base their entire judgment of the school system and the teaching profession on the impression they receive from one teacher -- or on the report of someone's contact with one teacher.

Students rate the best teachers on the basis of fairness, approachability and friendliness.

Good relations with both the public and students therefore depend largely on how each individual employee exhibits these good qualities in his everyday contact with the persons he serves.
