The WEEK Is Tickled Pink

The Print Shop designed our new name plate which is thought to be quite an "eye-catcher." The weak little WEEK, thus emboldened by the artistry of Messrs Stickney and Tate takes a step forward or at least we want to.

Mrs. Beatrice Randall's name was erroneously omitted from the list of sponsors for the play LITTLE WOMEN. The Women's Welfare Club takes this method of thanking Mrs Randall, faculty members and student body for supporting their project, and thus adding a facet to Prairie View's cultural life.

YOUR WEEK

Epitaph: For Homecoming Plans

and as the wind-swept droplets fell	That with bunting, paint and paper
From a wintry, greying sky	Colored royal purple and gold
We watched the plans of mice and men	That we were glad to have them
As they floated gently by	That our hearts had not grown cold)
 (For we had planned big things	We wanted nothing for ourselves
We wanted so to show	Our plans were all for others
Returning alumni and our friends	But so it was - the lesson's learned
That we were in the know	Success - Defeat, they're brothers
