We are all blind until we see
 That in the human plan
 Nothing is worth the making
 If it does not make the man.
 Why build these cities glorious,
 If man unbuilded goes?
 In vain we build the world, unless
 The builder also grows.

-Edwin Markham

"I call that mind free...which resists the bondage of habit, which does not mechanically repeat itself and copy the past, which does not live on its old virtues, which does not enslave itself to precise rules, but which forgets what is behind, listens for new and higher monitions of conscience, and rejoices to pour itself forth in fresh and higher exertions."

--William Ellery Channing
