B. CCMMENDATIONS

We wish to take this method and opportunity to extend appreciation to the Prairie View staff for its cooperative spirit and high caliber of performance during February. The several activities promoted by the college and community during last month reflected careful planning and thoughtful promotion. It is these kinds of activities that keep our institution growing in service, good will and esteem.

C. BUSY AGENDA AHEAD

Beginning now, the campus will become unbelievably "busy." March could be referred to as the "Meet Month." Add to this the mid-semester examinations and the reporting of grades, and the calendar becomes almost overcrowded.

It is a part of this College's responsibility as a state-supported institution to render service to its student body and to the citizens of the state, as well. For this reason, each staff member is requested to extend himself in the matters of classroom instruction, courtesy, and program-participation.

Students should be cautioned that each class session is important, and members of the staff are asked to help them make wise choices of the extramural programs from which they can benefit. In several instances, students will be called upon to assist in working with various programs. This is inevitable; however, it is usually the practice that the better students, scholastically, are selected as assistants to help with the numerous activities.

Mid-semester examinations and reporting-of-grades require time, energy and dispatch. The instructional staff is urged to cooperate with the Office of the Registrar in accomplishing these tasks. Specific announcements regarding same will be made by the Registrar in the near future,

D. YARD BEAUTIFICATION CONTEST

The Prairie View Garden Club is sponsoring a "Yard Beautification Program" to improve the appearance of all yards in the college community. Every home is being asked to participate through planning and planting well selected shrubs and flowers. Judging of the sites will take place the first week in the month of May; and prizes will be awarded for the six most attractive yards. For further information, contact Mrs. O. J. Thomas, Mr. R. L. Davis, or Dr. J. M. Coruthers.

E. SPECIAL WORKSHOP

The College, in cooperation with The American National Red Cross, will offer a Home Nursing Instructor Workshop, March 14-18. The one-week workshop will meet seven hours a day, Monday through Friday, with classes scheduled from 8:30 a. m. to 4:30 p. m., and one hour for lunch. Two semester hours credit will be given for completion of the course. Homemaking teachers, home demonstration agents, secondary education teachers, and registered nurses are encouraged to enroll. Information is available in the office of the Director of Extramural Services, Dr. J. L. Brown.

IN CLOSING

The following extract from the February 1955 Issue of Scouting is timely and filled with wisdom:

TAKE TIME FOR TEN THINGS

1. Take time to worship--it is the highway of reverence which cleanses and restores the soul.
2. Take time to work--it is the price of success.
3. Take time to think--it is the source of power.
4. Take time to read--it is the foundation of knowledge.
5. Take time to help and enjoy friends--it is the source of happiness.

- 6. Take time to play--it is the secret of youth.
- 7. Take time to love it is the one sacrament.
- 8. Take time to dream--it hitches the soul to the stars.
- 9. Take time to laugh--it is the singing that helps with life's loads.
- 10. Take time to plan--it is the secret of being able to have time to take time for the first nine things.

- George Frickel

Very truly yours,

E. B. Evans
President

THE TEXAS AGRICULTURAL AND MECHANICAL COLLEGE SYSTEM

Office of the Chancellor

College Station, Texas

ADMINISTRATIVE ORDER NO. 14

TO: Presidents of Colleges and Directors of Services and
Agencies

SUBJECT: Possession or Use of Intoxicating Liquors

Reference: Chapter III, Section 10, Rules and Regulations
of The Texas Agricultural and Mechanical College
System, adopted March 11, 1949.

Attention is specifically called to Section 10, Chapter III of the
Revised Rules and Regulations which reads as follows:

"Possession or use of intoxicating liquors on any property
under the control of the Texas Agricultural and Mechanical
College System is expressly prohibited. The Chancellor is
director to issue System-wide regulations to effectuate this
ban."

Each president and director will please see that the exact wording
of this regulation is placed in the hands of every employee--and at
an early date. Every person connected with the Texas A. & M. College
System will be expected to comply with this regulation.

/s/ Gibb Gilchrist
Chancellor
