In a game dominated by General Mud and Rain a fighting S Huston team successfully staved off the PV Panthers today at Austin as both teams made their conference debut. Missing out on their best opportunities to score in the initial quarter when they had the ball on the Dragon 2 yd and 4 yd lines on separate occasions the Panthers dominated play in every quarter except the third. S Huston played defensive ball thru out the game except for the third period. A Panther quick kick at the end of this period put them back on the defense. When the game ended PV was deep in Dragon territory punching from the 5yd line.

### WEEKLY CALENDAR COMMENTS

When are you going to make the school bulletin a weekly again? We faculty members are use to looking at the weekly calendar to find out what is going on. This thing you are putting out now is a disgrace to the school.

I want to express appreciation for the Athletic Council and myself for your excellent weekly calendar (Sept 22-28) on football. The idea was unique. Please continue to find enough time to give us a "plug" occasionally.

Yours very truly,  
/s/ G L Smith  
Director
