B. "THE LAST LAP"

For the 79th consecutive year, Prairie View has come to the last lap of a fine year's program of service. The school year has passed rapidly, and we have a great deal for which to be thankful. By no means should we relax in our daily schedules, rather we must exercise all our energy in order to close the year successfully. Let us run the "last lap" with all the enthusiasm we exerted at the beginning of the year.

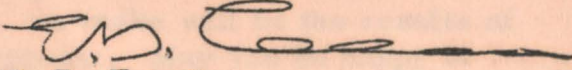

C. FULL AGENDA AHEAD

Our August calendar is filled with important agenda-items which must be disposed of. As usual, the full cooperation of the staff is needed if we are to be reasonably successful. Particular attention should be paid to executing final examinations, reporting grades, and the Commencement exercises. All staff persons are expected to participate wholeheartedly in these important activities.

IN CLOSING

I wish to express my sincere appreciation to each Prairie View staff member for the many contributions made to the Institution's program during the 1954-55 school year. Prairie View is a "big school with a big program," and all of you know that we try to reach further than our grasp in order to make continued progress. Retrospectively, the year has been a busy one. We have worked, and we have achieved. Whatever success we may claim has been accomplished because of intra-staff cooperation. Again, thank you for the past year's progress; and your continued interest and efforts in behalf of Prairie View are solicited during the future.

Very truly yours,

E. B. Evans
