"Y" Leadership Institute

Plans for the "Y" Leadership Institute are well underway according to Chairman Dr J L Brown. Preparatory plans of the "Y" committee include education of the faculty and students to the purpose and meaning of the Institute and, consequently, more enthusiasm for it and a wider participation in it.

The \$1.00 assessment for the faculty and employees banquet scheduled December 10 should be paid on or before the workers meeting December 3 so that the committee will not be hampered in making its plans.
