## "FLYING TIME"

"Swift as a flying arrow" is an appropriate expression to describe the speed with which the current semester is passing. November, like October and September, was a busy month. The activity agenda was expedited smoothly and efficiently as is typical of our staff's ability. Homecoming, bigger than ever, provided many pleasant experiences for our guests.

Soon the Christmas holidays will begin, and shortly thereafter, the semester will be over. Thank you, one and all, for your efforts. We solicit your continued interest and participation.

### "THREE CHEERS FOR THE TEAM"

A round of applause is in order for our "Panther" football team and the coaches. We have a fine squad and indications are that we are heading for another national championship in the near future.

"On to Nashville" has become the campus slogan as the Panther basketball team puts on the finishing touches to its practice session. A championship cage squad has been developed quietly and will officially open its attack against Paul Quinn December 1 and 2. We are obligated to give the team at least moral support.

### CAMPUS "BRIGHTEN-UP"

The Prairie View Garden Club is sponsoring its seventh Christmas Season "Brighten-Up" Campaign this month. The various displays in residences, dormitories and public buildings attract visitors and add to the general holiday atmosphere about the campus. Community participation in this project is invited and is always appreciated.

### NEW FAMILY MEMBERS
