Four things a man must learn to do
If he would make his record true:
To think without confusion clearly;
To love his fellow men sincerely;
To act from honest motives purely;
To trust in God and Heaven securely.

WORDS OF WELCOME

As Principal of Prairie View University I, along with the faculty and students, wish to welcome to our campus our many former students and friends on this celebration of our annual Homecoming. We look with pride upon the many public achievements that have been wrought by our graduates and friends, and since many of these have been in behalf of the development of our institution, we are doubly grateful.

I am

Very truly yours,
