END IN SIGHT

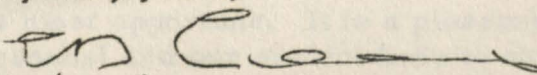

A very short time ago, it seems, the first "Calendar" for the 1955-56 school year was issued. This issue marks the end of nine months of monthly reminders to each of you. Commencement--in which it is hoped that all our staff members will participate--will close the year's activities for the long session. It is hoped that this month's agenda will be executed as smoothly as have been the previous schedules. Particularly are examinations for graduating seniors, and other classes as well, important to the efficient operation of the entire institution. Please cooperate with the Dean of Instruction and the Registrar in the execution of this important phase of our program.

IN CLOSING

I wish to thank you for the splendid spirit of cooperation which each of you has shown during the year. For those of our staff who will study, travel or leisurely vacation during the summer months, I wish a most pleasant series of pursuits. I also want to welcome the summer school staff now and, more formally, on June 4, in our annual Summer School Workers' Meeting. It is well to keep in mind:

"The race is not to the swift, alone;
But to him that endureth to the end."

Very truly yours,

E. B. Evans, President

P. S. Workers' Meeting will be held in the Administration Auditorium on Tuesday, May 1, at 7:30 p.m.
