#### TERM NEARS END

Only three weeks remain in this term of the summer session.

They are important weeks, and will require that we be alert constantly.

As Commencement and final examinations are a part of our agenda for this month, every department of the College will be busy.

Members of the instructional staff are invited to participate in Commencement proceedings and to cooperate with the Registrar's Office in administering examinations and reporting grades.

FRESHMEN ORIENTATION

Very soon, many of our staff will depart the campus for various points in the state and nation. Should any prospective students inquire, please advise that Freshmen Orientation on this campus is scheduled September 10-13. We will be happy to welcome desirable new students.

IN CLOSING

I wish to express my deep appreciation to the entire staff for the spirit of cooperation and the calibre of work accomplished during not only the Summer Session, but also the entire school year.

I wish for each of you an enjoyable vacation; and may your return for the Fall find you relaxed and re-dedicated. The new school year will, as always, require our very best efforts in all our undertakings.

Very truly yours,

  
E. B. Evans, President
