Commencement Convocation

WILLIAM "BILLY" J. NICKS, SR. BUILDING

FRIDAY, MAY THIRTEENTH

SATURDAY, MAY FOURTEENTH

2016

To our guests

Commencement is a significant and solemn event, recognizing years of study and sacrifice. To make this ceremony more meaningful, we ask all guests and participants to avoid unnecessary conversation and movement during the exercises. We also ask that cellular phones be turned off during the ceremony.

Please withhold your applause during the presentation of degrees until each degree group is acknowledged and the candidates have returned to their seats.

Following the singing of the Alma Mater, there is a Recessional for the platform party and all degree recipients. We ask the audience to remain seated during this period.

For your assistance, an Emergency Medical Services station is available in the William "Billy" J. Nicks, Sr. Building. Please ask an usher for assistance.

COMMENCEMENT PROCESSION

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance. The most common headpiece (or cap) for the ceremony is the black square, flat-topped, or "mortar board" type with gold or black tassel. It is called a "mortar board" because it is shaped like the board of the mason which holds mortar. Recently, we are seeing large velvet Tam-O-Shanter style of headpieces replacing the mortar board. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The tassel on the doctor's cap is usually gold, and permanently fastened on the left side. The master's cap has a black tassel worn on the left. The bachelor's cap has a black tassel worn on the right prior to graduation then moved to the left during the ceremony.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university which is awarding the degree. The colors of the outside rim of the hood symbolizes one of the following departments of learning:

Agriculture.....	Maize	Medicine	Green
Architecture	Lavender	Music	Pink
Arts, Letters, Humanities.....	White	Nursing	Apricot
Commerce, Accountancy, Business	Drab	Oratory (Speech)	Silver Gray
Dentistry.....	Lilac	Pharmacy	Olive Green
Economics.....	Copper	Philosophy	Dark Blue
Education.....	Light Blue	Physical Education	Sage Green
Engineering.....	Orange	Public Administration, including	
Fine Arts	Brown	Foreign Service.....	Peacock Blue
Forestry.....	Russett	Public Health	Salmon Pink
Geography.....	Blue and Green	Science	Golden Yellow
Home Economics.....	Golden Yellow	Social Work	Citron
Journalism.....	Crimson	Technology.....	Golden Yellow
Industrial Education.....	Light Blue	Theology	Scarlet
Law	Purple	Veterinary Science.....	Gray
Library Science.....	Lemon		

The gown is usually black. The traditional doctor's gown has velvet panels down the front and three velvet bars on the regular sleeves. The master's gown has no velvet, but does have unusually long sleeves. The bachelor's gown is similar to the master's gown but has regular long sleeves which tend to be pointed.

Some gowns may be in the color of the department granting the degree, such as "Education Blue." Others may be "Yale Blue" or "Harvard Crimson" for the graduates of these universities. Customized stoles honor those students who have served the nation in the Armed Forces.

THE MACE

The mace is an ancient symbol of authority which is carried by the marshal ahead of the academic procession. The mace for Prairie View A&M University is four feet long and contains four bronze figures atop a Honduras mahogany base which tapers to fit into its stand(m). The four figures are symbolic of the four undergraduate academic years. Within the hollow area beneath the figures, and shared equally, is a flame which denotes knowledge and excellence. The base which serves as a grip and is carried by a faculty member, symbolizes the entire faculty; the stand which supports the mace characterizes the administration. The visual impact of the mace as a whole is "torch-like." The eight tassels represent the academic organization of the University.

THE MEDALLION

The President's Medallion, the official symbol of the Office of the President at Prairie View A&M University, was created especially to commemorate the lineage of the Presidency by the late Mr. Frank Hayden, nationally famous sculptor and Professor of Fine Arts at Southern University, Baton Rouge, Louisiana. The first medallion was presented to Dr. Percy A. Pierre, fourth president of Prairie View A&M University, on March 21, 1985.

The medallion is designed to be worn with academic regalia at all official University programs. Abstract figures, representing the academic disciplines in an attitude of celebration, encircle the outer rim. The inner circle symbolizes the pursuit of excellence throughout four years of teaching and learning. The weave of the chain is the facsimile of that used by the ancient Greeks.

A replica will be presented to each subsequent President during his inauguration. The medallion will ultimately reflect the history of the presidency, revealing names and dates of inauguration.

SYLVESTER TURNER
Mayor
City of Houston

Mayor Sylvester Turner was elected Mayor of Houston on December 12, 2015, to serve a four year term beginning January 4, 2016.

Sylvester Turner was born and raised in the Acres Homes community in northwest Houston. His parents moved to Acres Homes in 1954, the year Sylvester was born.

Sylvester's mother worked as a maid in the old Rice Hotel in Houston. His father worked as a painter for Continental Ensco and cut yards with his sons on the weekends to make extra money. The Turners raised nine children in their modest two-bedroom home in Acres Homes. Sylvester lost his father to cancer when he was 13 years old. Afterward, his mother took over the Turner household. Although she never finished high school or learned to drive, she ensured her children got an education and inspired them to achieve.

Sylvester attended neighborhood public schools until forced integration came to Houston and he was bused to Klein High School. After a predictably rocky start, the student body adapted to its new enrollees – and Sylvester was later elected president of the student body and graduated as valedictorian.

Sylvester graduated from the University of Houston and Harvard Law School before joining the law firm of Fulbright & Jaworski. He later founded the Houston law firm of Barnes & Turner in 1983.

In 1988, Sylvester was elected to the Texas House of Representatives to serve the people of House District 139 in Northwest Houston. He served until his election as mayor, working on the House Appropriations Committee for 21 years and serving as Speaker Pro Tem for three terms. He was appointed to several Budget Conference Committees to help balance the state's budget and served on the Legislative Budget Board.

He is very proud of his daughter Ashley, who is continuing the Turner family tradition of public service in the healthcare field.

HELEN GIDDINGS

Helen Giddings is the representative of Texas' House District 109, first elected in 1992

Giddings is serving as the vice chair of the State Affairs Committee and as a member of the Calendars Committee and House Appropriations Committee. She previously served on the House Business and Industry and Appropriations committees. The Speaker of the House previously appointed her to the Texas Legislative Council Governing Board, the Supreme Court of Texas Permanent Judicial Commission for Children, Youth and Families, and the Joint Interim Committee to Study Alzheimer's Disease.

Giddings cites as her legislative accomplishments her work to help overhaul Texas' workers' compensation system and her efforts to implement legislation to better monitor identity theft and digital piracy. Giddings also cites her focus on sustaining the state's Top Ten Percent rule, which she said would help ensure Texas' public universities accurately reflect the state's demographics in their student populations.

She is the founder of Multiplex, Inc., a concessionaries and equipment-supply company in the Dallas area.

With a profound interest in the arts, Helen has served on many boards including; the African American Museum, Dallas Symphony Board, Dallas Summer Musicals, Dallas Historical Society and the Dallas Theater Center. Her contributions led to the African American Museum naming a room in her honor.

Giddings was the first female member on the Dallas Black Chamber of Commerce's board of directors, and was the first Texan and woman of color elected president of the National Foundation of Women Legislators. She is an active member and served on the Executive Committees of the Women's Legislative Network of the National Conference of State Legislators and the National Organization of Black Elected Legislative (NOBEL) Women.

Her civic service has earned special recognition and many awards including: the National Forum for Black Public Administrators Award (NFBPA); The Texas affiliate of the American Heart Association "Heart of Honor" award for her efforts to persuade more high school students to learn CPR; and Outstanding Legislator Award. She was placed on Ebony's Top 100+ Most Influential African Americans list and is a frequent guest speaker at events, schools and conferences.

STATE OF TEXAS
OFFICE OF THE GOVERNOR

A Message from the Governor:

I am pleased and honored to extend greetings to everyone attending the Prairie View A&M University 2016 Spring Commencement Convocation.

Today, as you celebrate your achievements and the honor you have earned as graduates of this fine institution, Texas celebrates with you. You have demonstrated excellence and can take great pride in your accomplishments.

The diploma you receive today is not the goal you have worked diligently to attain. It is only a symbol of the education that has prepared you for a career, a productive life and an active membership in a society that needs your talents and energy.

You are the inheritors of not only the freedom and prosperity of this great state and nation, but also the responsibilities that accompany them. I encourage you to rise to the challenge by building upon the foundation laid by the men and women who have come before you.

I am sure the milestone you celebrate today is only one of many achievements you can look forward to. I encourage you to recognize the support system that helped you reach this place — families, friends, teachers and professors — and to take the time to thank and honor them. The success you know today is the work of many, and those relationships will guide you as you continue on your way.

First Lady Cecilia Abbott joins me in sending best wishes for your continued success.

Sincerely,

A handwritten signature in black ink that reads "Greg Abbott".

DEAR PRAIRIE VIEW

Dear Prairie View, our song to thee we raise,
In gratitude we sing our Hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee.
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.
