PRAIRIE VIEW A&M UNIVERSITY

Principals and Presidents

THE HISTORY OF PRAIRIE VIEW A&M UNIVERSITY

Establishment

1876

Prairie View A&M University, the first state-supported college in Texas for African Americans, was established during the Reconstruction period after the Civil War. This was the historical period when political and economic special interest groups were able to aggressively use the federal government to enact public policy designated to "alter or reshape the cultural milieu of the vanquished Southern state." The University had its beginning in the Texas Constitution of 1876 which, in separate articles, established an "Agricultural and Mechanical College" and pledged that "Separate schools shall be provided for the white and colored children, and impartial provisions shall be made for both." As a consequence of these constitutional provisions, the Fifteenth Legislature established "Alta Vista Agricultural and Mechanical College of Texas for Colored Youth" on August 14, 1876.

Enrollment of the First Students

1878

The Board of Directors purchased the Alta Vista Plantation (1,338 acres) from Mrs. Helen Marr Kirby, the widow of the late Col. Jared Ellison Kirby. The College was named "Alta Vista Agricultural and Mechanical College for Colored Youth." The Board, authorized to appoint a principal to administer the College, selected L.W. Minor of Mississippi. Eight young African American men, the first to enroll in a state-supported college in Texas, began their studies on March 11, 1878.

Era of Principals as Chief Administrative Officers

1878 - 1948

Prairie View strengthened and enlarged its curriculum and grew under the leadership of a series of dedicated principals. These men led the College during those difficult decades as Federal Reconstruction ended and the doctrine of "separate but equal" emerged with the Plessy v. Ferguson Supreme Court decision of 1896. The eight principals and their tenures were: L.W. Minor, 1878; E.H. Anderson, 1879-1884; Laurine C. Anderson, 1884-1894; Edward L. Blackshear, 1895-1915; Isaiah M. Terrell, 1915-1918; J.G. Osborne, 1918-1925; Paul (Uncle Paul) Bledsoe (Interim Principal), 1925-1962; Willette Rutherford Banks, 1926-1947; and Edward B. Evans, 1947-1948.

Era of Presidents as Chief Administrative Officers

1948 to Present

In 1948, as a result of America emerging as the leader of the "Free World" after World War II, President Harry S. Truman ordered the racial integration of the U.S. Armed Forces. The Board of Directors changed the title of the Chief Administrative Officer of the College from Principal to President on December 3, 1948. The Presidents and their tenures are: Edward B. Evans 1948-1966; Jesse M. Drew, 1966; Alvin I. Thomas, 1966-1982; Ivory Nelson (Interim President), June 1982-January 1983; Percy A. Pierre, 1983-1989; Milton R. Bryant (Interim President), June 1989-December 1989; Julius W. Becton, Jr., 1989-1994; Harold S. Bonner (Interim President), August 1994-October 1994; Charles A. Hines, 1994-2002; Willie A. Tempton, Sr. (Interim President), 2002-2003; George C. Wright, 2003-present.

Names Given to the University

1878 - 1998

The Fifteenth Legislature (August 14, 1867) established "Alta Vista Agricultural and Mechanical College of Texas for Colored Youth." The Sixteenth Legislature (April 19, 1879) established "Prairie View State Normal School" in Waller County for the training of colored teachers. The Twentieth Legislature attached the words Agriculture and Mechanical Department of Prairie View Normal School. The Twenty-sixth Legislature (1889) changed the name to Prairie View State Normal & Industrial College." The Forty-ninth Legislature (June 1, 1945) changed the name to "Prairie View University." The Fiftieth Legislature (March 3, 1947) established "The Texas State University of Negroes" (now Texas Southern University) and changed the name of Prairie View University to "Prairie View Agriculture and Mechanical College of Texas." The Sixty-third Legislature (1973) changed the name to Prairie View A&M University.

KEYNOTE SPEAKER

Jabreel Walker

Jabreel Walker is currently an operations support engineer for the alkylation and kerosene treating units at Shell Oil Company's Norco Refinery. A native of Dallas, Texas, Walker received her bachelor's degree in chemical engineering in 2009 from Prairie View A&M University (PVAMU).

As a student, Walker played softball and was a 2008 Miss Prairie View Pageant contestant. She participated in Panthers at Work service projects and worked as a student researcher at the Space Engineering Institute (2005-2006). Walker served as a supplemental instructor for calculus, physics, chemistry and engineering classes (2006 – 2009) and was a member of the American Institute of Chemical Engineers and National Organization of Black Chemists and Chemical Engineers. She also held several leadership positions within the Society of Women Engineers (SWE) and National Society of Black Engineers (NSBE). Walker was inducted into Tau Beta Pi National Engineering Honor Society and Omega Chi Epsilon Chemical Engineering Honor Society.

Impressed by Walker's natural leadership ability, University officials selected her as the student coordinator for the Roy G. Perry College of Engineering naming dedication ceremony. To acknowledge her considerable achievements as a student, Walker was selected as the Most Outstanding Student Organization Leader and received the Outstanding Leadership Legacy award.

After graduating from PVAMU, Walker moved to New Orleans, Louisiana and began her career with Shell as an asset development engineer supporting capital projects. Within two years, she became an operations support engineer for Logistics and eventually accepted the role she currently holds.

Since moving to New Orleans, Walker continued her dedication to service as a volunteer for several professional and community organizations. She makes time to visit various schools around New Orleans delivering dynamic engineering 101 presentations, discussing college readiness and conducting interactive STEM activities with students. She is also a motivational speaker for the Girl Scouts of America and she regularly speaks at local colleges.

Walker is the current president of the NSBE New Orleans Professional Chapter; a member of the SWE Greater New Orleans Professional Section; a participant in the Young Leadership Council Leadership Development Program; and an active contributor to the College Admissions Project and Power Ties. Walker is the Region C Team Lead for the SWE Leadership Coaching Committee and she travels around the southern part of the United States assisting collegiate SWE sections with leadership training, event planning, and fundraising. Additionally, Walker completed the Emerging Philanthropists of New Orleans Program and the Urban League's Urban Leaders for Equity and Diversity Program.

In her rare time off, Walker enjoys the lively activities and vibrant culture of New Orleans. She also enjoys reading, listening to music and traveling. Walker has a dog named Clark that she adores. Both Clark and Walker lead active social lives.

PRAIRIE VIEW A&M UNIVERSITY SCHOLARLY MALE AWARD

One Hundred and Forty Years ago, the institution that would become Prairie View A&M University (PVAMU) was established. Two years after the Texas legislature paved the way for PVAMU to open its doors, eight young men, names unknown, were the first students enroll.

To celebrate the 140th Anniversary of PVAMU and to pay tribute to the first eight male students, the PVAMU Men's Leadership Council established the Prairie View A&M University Scholarly Male Award. The award recognizes one full-time undergraduate male student from each college or school who embraces academic excellence and demonstrates exceptional academic performance in his chosen field of study. To be nominated, the student must also exhibit conduct that embodies the values and principles of the Ideal PV Man; and represent his discipline, college or school and the University in an impressive manner.

Prairie View A&M University Scholarly Male Award nominees were selected by each academic unit and submitted to the Men's Leadership Council for consideration. Today, the Men's Leadership Council is proud to announce the first winners of the Scholarly Male Award.

The 2016 Prairie View A&M University Scholarly Male Award recipients are:

ALMA MATER

Dear Prairie View

Dear Prairie View, our song to thee we raise
In gratitude, we sing our hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee,
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.

Prairie View A&M University was founded in 1876 and is the second-oldest public institution of higher education in Texas. With an established reputation for producing engineers, business leaders, nurses and educators, PVAMU offers baccalaureate degrees, master's degrees and doctoral degree programs through eight colleges and schools. A member of The Texas A&M University System, the University is dedicated to fulfilling its land-grant mission of achieving excellence in teaching, research and service. During the University's 140-year history, nearly 60,000 academic degrees have been awarded.
