PRAIRIE VIEW A&M UNIVERSITY

Principals and Presidents

THE HISTORY OF PRAIRIE VIEW A&M UNIVERSITY

Establishment

1876

Prairie View A&M University, the first state-supported college in Texas for African Americans, was established during the Reconstruction period after the Civil War. This was the historical period when political and economic special interest groups were able to aggressively use the federal government to enact public policy designated to "alter or reshape the cultural milieu of the vanquished Southern state." The University had its beginning in the Texas Constitution of 1876 which, in separate articles, established an "Agricultural and Mechanical College" and pledged that "Separate schools shall be provided for the white and colored children, and impartial provisions shall be made for both." As a consequence of these constitutional provisions, the Fifteenth Legislature established "Alta Vista Agricultural and Mechanical College of Texas for Colored Youth" on August 14, 1876.

Enrollment of the First Students

1878

The Board of Directors purchased the Alta Vista Plantation (1,338 acres) from Mrs. Helen Marr Kirby, the widow of the late Col. Jared Ellison Kirby. The College was named "Alta Vista Agricultural and Mechanical College for Colored Youth." The Board, authorized to appoint a principal to administer the College, selected L.W. Minor of Mississippi. Eight young African American men, the first to enroll in a state-supported college in Texas, began their studies on March 11, 1878.

Era of Principals as Chief Administrative Officers

1878 - 1948

Prairie View strengthened and enlarged its curriculum and grew under the leadership of a series of dedicated principals. These men led the College during those difficult decades as Federal Reconstruction ended and the doctrine of "separate but equal" emerged with the Plessy v. Ferguson Supreme Court decision of 1896. The eight principals and their tenures were: L.W. Minor, 1878; E.H. Anderson, 1879-1884; Laurine C. Anderson, 1884-1894; Edward L. Blackshear, 1895-1915; Isaiah M. Terrell, 1915-1918; J.G. Osborne, 1918-1925; Paul (Uncle Paul) Bledsoe (Interim Principal), 1925-1962; Willette Rutherford Banks, 1926-1947; and Edward B. Evans, 1947-1948.

Era of Presidents as Chief Administrative Officers

1948 to Present

In 1948, as a result of America emerging as the leader of the "Free World" after World War II, President Harry S. Truman ordered the racial integration of the U.S. Armed Forces. The Board of Directors changed the title of the Chief Administrative Officer of the College from Principal to President on December 3, 1948. The Presidents and their tenures are: Edward B. Evans 1948-1966; Jesse M. Drew, 1966; Alvin I. Thomas, 1966-1982; Ivory Nelson (Interim President), June 1982-January 1983; Percy A. Pierre, 1983-1989; Milton R. Bryant (Interim President), June 1989-December 1989; Julius W. Becton, Jr., 1989-1994; Harold S. Bonner (Interim President), August 1994-October 1994; Charles A. Hines, 1994-2002; Willie A. Tempton, Sr. (Interim President), 2002-2003; George C. Wright, 2003-present.

Names Given to the University

1878 - 1998

The Fifteenth Legislature (August 14, 1867) established "Alta Vista Agricultural and Mechanical College of Texas for Colored Youth." The Sixteenth Legislature (April 19, 1879) established "Prairie View State Normal School" in Waller County for the training of colored teachers. The Twentieth Legislature attached the words Agriculture and Mechanical Department of Prairie View Normal School. The Twenty-sixth Legislature (1889) changed the name to Prairie View State Normal & Industrial College." The Forty-ninth Legislature (June 1, 1945) changed the name to "Prairie View University." The Fiftieth Legislature (March 3, 1947) established "The Texas State University of Negroes" (now Texas Southern University) and changed the name of Prairie View University to "Prairie View Agriculture and Mechanical College of Texas." The Sixty-third Legislature (1973) changed the name to Prairie View A&M University.

KEYNOTE SPEAKER

Arleas Upton Kea

Arleas Upton Kea provides strategic direction for the Federal Deposit Insurance Corporation (FDIC) nationwide human resources, contracting and facilities operations and programs. As Director of the FDIC's Division of Administration, Kea leads the FDIC's staffing, employee benefits and facilities programs for eight regional locations, 85 field offices and the FDIC Headquarters in Washington, DC. She also manages the FDIC's conference facilities and training center in Northern Virginia.

The FDIC, under Kea's leadership, has developed a variety of innovative HR and employee support programs and these programs, coupled with its outstanding pay and benefits, significantly contributed to the agency being recognized in 2010 as one of the best places to work in the Federal Government. Kea received the Tele-Vision award for her innovation and forward thinking approach to the implementation of telework at the FDIC.

Her administration and oversight of all FDIC contracting activities provides support to the over 9,000 employees and all failed bank receiverships throughout the nation. Her leadership in outreach to investors and contractors serves as a model for the Federal Government, setting the pattern for partnering and contracting with women and minority owned businesses.

She is widely recognized for her leadership in creating and implementing the FDIC's first Diversity Strategic Plan and the creation and implementation of its Corporate University. She is a sponsor of several employee affinity groups, including the Toastmasters and Administrative Professional Women's Network.

Kea remains active within the business community and is highly sought after as a public speaker on a wide range of topics related to her background and experience. She has conducted workshops on Women in Leadership for the Oprah Winfrey Leadership Academy in Johannesburg, South Africa; actively participates in activities organized by the White House Initiatives for Historically Black Colleges and Universities, and has published in legal and professional journals.

Kea received a Juris Doctor degree from the University of Texas Law School, and completed the program of Instruction for Lawyers at Harvard Law School and the Program for Senior Managers in Government at Harvard's Kennedy School of Government. She holds a Bachelor of Arts Degree with honors from the University of Texas.
