- Prairie View Tennis Tournament . . . . . April 12 -13  
San Jacinto Tennis Tournament . . . . . April 19 -20

### Golf

- Prairie View Golf Tournament . . . . . April 12 -13

### SPECIAL EVENTS IN APRIL

Space will not permit a full presentation of all the conferences and special events scheduled during the month of April. We merely attempt to point them out here and emphasize their importance in the total college program. Several speakers and consultants of national reputation will visit the college to serve these programs. Their appearance should be of interest to all faculty members and students alike.

MAHEAGRIS is "Open House" to all who may not be familiar with the term. The facilities and activities of the divisions of the college will be "open" for visitors on April 5.

THE INDUSTRIAL EDUCATION CONFERENCE is expected to attract some eight hundred persons to the campus including school administrators, counselors, supervisors, industrial education students and teachers. Mr. Julius A. Thomas, Director, Industrial Relations, National Urban League, New York, N. Y. will be the keynote speaker.

THE MARRIAGE AND FAMILY LIFE INSTITUTE will bring to the campus representatives of several high schools over the state as a new feature of this annual conference.

THE BUSINESS CLINIC will have for its principal speaker and consultant, Mr. J. E. Stamps, Sr., Manager, Social Security Field Office, Chicago, Illinois.

R.O.T.C. FIELD DAY is one of our most colorful events of the year.

THE EXPERIMENT STATION FIELD DAY is a highlight activity displaying the fine research work in progress at the Station during the year. This occasion usually attracts many of the neighboring Farmers and Ranchers, as well as agricultural officials over the State.

FINE ARTS WEEK will feature an outstanding guest artist along with our own and many excellent musical organizations.

### MUSIC RECITAL

The Prairie View Alumni is sponsoring our musical organizations in a Special Recital at the Music Hall in Houston on April 7, beginning at 3:45 o'clock. This will be a very important program for Prairie View, and it is hoped that the staff will find it possible to attend and give moral support to all associated with this performance.

### INTERSCHOLASTIC LEAGUE MEETS

The time has come again for us to entertain the thousands of young people who will visit the campus in connection with the League Meets scheduled this month and early in May. I cannot point out too forcefully the importance of "good public relations" during these activities. There is also a need for "100% cooperation" on the part of all the staff in promoting these activities, and I want to call upon each of you for your usual fine cooperation in this connection.

### EASTER-SPRING HOLIDAYS

Several Easter Holiday activities are planned, including the annual Easter Cantata presented by the Department of Music. Spring holidays will begin at 5:00 p. m. on Thursday, April 18 and end at 5:00 p. m. on Monday, April 22. Classes will resume on Tuesday, April 23, 8:00 a. m.

### FIRE PREVENTION AND CONTROL

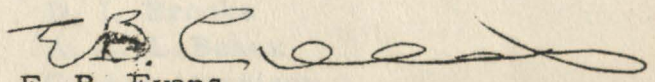

We are now in the process of organizing a Fire Prevention and Control Committee with the hope of being able to give adequate fire protection to our community. Attached is a copy of the organization of fire fighters. We solicit the cooperation of every member of the Prairie View Family in rendering assistance whenever and wherever possible.

### IN CLOSING

Speaking of Mental Health, these four guideposts for good discipline were of interest and I would like to pass them on:

"Good discipline first must rest on LOVE, then guidance, followed with firmness and last but not least, on your own actions and attitude.

Very truly yours,

E. B. Evans  
P r e s i d e n t
