THE 47th SUMMER SESSION

The 1957 Summer Session, beginning on June 3, will mark another year of service in an attempt to meet the needs of undergraduate students and of in-service teachers, administrators and workers in many fields.

A large number of special workshops and institutes are planned and several outstanding consultants representing principals of many Texas high schools will enrich our summer offerings. Every possible contribution you, as staff members, can make to the total success of our summer program will be appreciated.

NFA CONVENTION

The Twenty-sixth annual convention of the Texas Association of the New Farmers of America is scheduled to be held June 4-7. Mr. George Roesner, farm editor with KPRC-TV; Mr. Eristus Sams, local Waller County farmer; Mr. Kenton Harvey, President of the F.T.A.; and Mr. O. L. Phillips, principal of Clemmons High School, Neches, Texas, are listed as speakers and consultants for these sessions.

SCHOOL FINANCE INSTITUTE

A special one-day institute on School Finance is scheduled to be held at the College on July 1. This is an added feature of our special services for administrators and is designed to help them become better acquainted with many of the new policies and procedures in school financing.
