J. THANK YOU

Thanks to all who helped in the promotion of our many activities during the month of April, particularly the Interscholastic League Meets which required the combined effort of all of you.

We also wish to express sincere appreciation for your Red Cross contributions which, when totalled, will be reported to the Waller County Red Cross Chapter headquarters; and for the cooperation given to the Community Recreation Program fund raising campaign.

K. IN CLOSING

A "thank you" is also in order at this time when we approach the close of another long session at Prairie View. This has been another good year in terms of public service. We have continued to grow, not only in physical expansion, but also in educational and professional improvement. The college staff has worked as a unit in carrying on our large program of services, and the success of these activities has been your success and the future welfare and growth of the college.

Very truly yours,

  
E. B. Evans, President
