SPECIAL ANNOUNCEMENTS

On Saturday, July 22, the National Teacher Examinations will be administered here at Prairie View A&M College. Plans for this summer administration of the Examinations are being Coordinated by the Counseling Center here at the college.

Application for Graduation: All students expecting to graduate in August should have made application within three (3) days of the period set aside for registration in the first summer term. If a candidate has applied previously for another graduation date he must call by the Registrar's Office to have his application changed to August. It is not necessary to call by the Registrar's Office to check your status after you have applied. Make your check with your Dean, Director, major and/or minor professors. Usually, the Registrar's Office notifies candidates with discrepancies as early as it receives or establishes the information.
