The Athletic Council has these tickets on sale for \$5.00, which covers football, basketball, track and baseball--a group of events well worth \$20.00. Contact Mr. L. V. Francis, Athletic Business Manager, School of Engineering.

F. PANTHER DAY

The observance of "Panther Day" on September 19 was a very fine project of the Student Council, and the thoughtfulness of this group is commended here. The performance of the team as well as the wonderful spirit of cooperation among student groups and faculty have both been contributing factors in our gridiron success.

G. NEW COLLEGE DENTIST

The services of Dr. W. W. Duncan, Dentist, will be available on Tuesdays and Fridays from 8 A. M. to 5 P. M. Appointments can be made at the College Hospital, Telephone Extension 364.

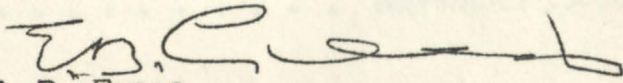

H. ACCREDITATION

The College was recently notified of its full accreditation status by the National Council for Accreditation of Teacher Education. The College has been approved by the Teacher Education Accrediting Agency since 1952. The notice of full approval came in connection with the re-evaluation of the Institution and the removal of provisional conditions following Prairie View's full accreditation last year by the Southern Association of Colleges and Secondary Schools.

I. IN CLOSING

Upward, Outward and Inward are the three directions American Education must take if it is to keep pace with the nation's future. It must extend upward to become a process that will last through life; it must extend outward to all people; it must extend inward to pierce the community with new ideas, new information and new practices.

Very truly yours,

E. B. Evans
President
