Commencement Week activities begin Sunday, August 20, with baccalaureate sermon and continue through the official ceremonies in the Gymnasium, Thursday P.M., August 24. Candidates for graduation are cordially invited to participate in the events for the week.

Commencement Exercises will be held Thursday evening, August 24, 1961 at 7:15 P.M. on Blackshear Field for those who have completed the requirements for graduation in August 1961.

Application for Graduation: All students expecting to graduate in August should have made application within three (3) days of the period set aside for registration in the first summer term. If a candidate has applied previously for another graduation date he must call by the Registrar's Office to have his application changed to August. Usually, the Registrar's Office notifies candidates with discrepancies as early as it receives or establishes the information.
