Several visiting speakers and consultants will participate in the three-day sessions. High school students from area schools will be presented on several panel discussions.

I. A WORD OF THANKS

A special word of thanks is expressed to the large number of staff members who assisted in the promotion of our many activities in February. It appears that we are moving smoothly into the Second Semester and meeting well the challenge of so many special activities scheduled during this time of year.

J. CONGRATULATIONS

To the basketball teams of both the college and high school. The Panthers finished high in the conference race and have been invited to participate in the NCAA's Midwest Regional Tournament at Galesburg, Illinois. Prairie View High School won the district championship and went to the quarter-finals in the state meet.

K. NEW ARRIVALS

The College is happy to welcome the following new family member: Charles Ronald Tompkins, born to Mr. and Mrs. Obra Tompkins. Mrs. Tompkins is employed in the College Exchange.

L. IN CLOSING

This is the month for the 1960 White House Conference on Children and Youth (March 27-April 2) Washington, D. C. In recognition of this outstanding national stocktaking of the needs of American Youth in the forthcoming decade, it is fitting that we express here the high purpose of the U. S. President's conference: "To promote opportunities for children and youth to realize their full potential for a creative life in freedom and dignity"--An earnest effort to solve some of the strains and distortions put upon the American Democratic Tradition as they apply to a decade of either incalculable promise or years of portentous disaster.

Very truly yours,

E. B. Evans
President

P. S. The regular Workers' Meeting will not be held during the month of March.
