What do you know about Thrift?

Problem: Checking accounts cost money; it's thriftier to pay bills in cash.

Answer: False. While you may pay 5 or 10 cents per check unless you maintain a certain minimum balance in your account, this is cheaper than either driving or using public transportation to pay bills. Cancelled checks are good receipts and they give you a record of regular expenses.

The PRAIRIE VIEW WEEK is posted on the College bulletin boards and is sent to certain other public places for posting. Announcements for the Prairie View Week should be sent or called in to the Registrar's Office on or before Wednesday of each week. The Prairie View Week is published each Thursday morning and mailed out through the local mail to all college employees the same day.
