B. FOURTH OF JULY HOLIDAY

In observance of the July 4 holiday, classes will not be held on July 3 - 4. Classes will resume at 7:00 a. m. on July 5.

C. ATHLETIC ACTIVITIES

The 32nd annual playing of the Prairie View Open Tennis Championships is scheduled for July 1 and 2. Following this activity, the annual Coaching Clinic will be held on July 5 - 7. Visiting consultants for the clinic will include Clemson College's football coach Frank Howard; Rice University's basketball coach Johnnie Frankie; and an outstanding high school grid mentor, J. "Spanky" Adams of Beaumont's South Park District.

D. SCIENCE FAIR

The third Annual Science Fair will be held on Wednesday, July 12, in the Memorial Center. Participants will include the members of the National Science Foundation Summer Science Institute for Secondary School Teachers and Talented High School Students. Awards will be presented during the 2:00 p.m. Assembly Program. Guest speaker for the occasion will be Dr. Addison Lee of the University of Texas.

E. CHEERLEADERS AND BATON TWIRLERS

The annual Clinic for Cheerleaders, Baton Twirlers and Majorettes is set for July 16-21. Designed to help students improve their skills in these activities, the annual clinic will have as instructors some of the finest baton twirlers, cheerleaders and majorettes in the nation.

F. SUMMER RECREATION

We would like to point up again the many opportunities for summer recreation which are available to all age groups. These activities include Little League and Teenage Baseball, golf, tennis, volleyball, softball, reading, garden club activities, arts and crafts and many others. Our movie program continues to bring to the campus some of the best features now available.

Mr. C. H. Nicholas - Stanford University
Mr. Earl K. Jones - Montana State College
Mrs. Marlene Muckelroy - Columbia University
Mrs. Melba Clarkson
Mr. Richard Price - University of Southern California
Mr. Julius B. Jones
Mr. James Gamble - University of Texas
Mr. Earnest Williams
Miss Erma Waddy - U. C. L. A.

School of Engineering

Mr. W. H. Tinker - University of Texas

School of Home Economics

Mrs. Ernestine Outley
Mrs. Sylvia Emery
Mrs. Dorothy Wells

Division of Industrial Education

Mr. Marion Henry - Michigan State College
Mr. Henry P. Kemp - Indiana State College
Mr. Andrew Matthews - Kansas State College
Mr. Larry C. McGhee - Los Angeles State
Mr. Charles Thompson - Bradley University

Division of Nursing Education

Miss Amelia Clarkson - University of Texas

H. A SPECIAL WORD OF THANKS

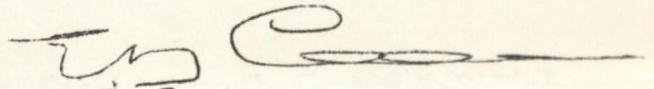

To all employees who contributed to the promotion of our special activities during the month of June. Our 1961 Summer Session is developing as one of the best, with an excellent enrollment and a wide variety of offerings designed to serve the needs of community leaders throughout the state.

I. IN CLOSING

The responsibility of land-grant colleges and universities to extend their services to urban communities in a manner similar to our rural agricultural research and extension programs has been pointed out repeatedly by educators. The University of Delaware has announced a \$500,000 Ford Foundation grant for developing a pioneering program of urban services. Delaware's president, Dr. John A. Perkins, says of this new movement---

"Initiation of this urban project moves the University of Delaware closer to a goal that should be foremost for all state universities, namely a total university serving a total state population."

Very truly yours,

E. B. Evans
President
